WH Record Under New Management

West Haldimand announces a change in management with this issue. Effective Oct. 1, Jay A. Yule and Peter Baxter will be the new management team to serve the needs and interests of Haldimand and parts of York and Simcoe counties. Yule will become Managing Editor and Circulation Director of the company and will be handling all aspects of news coverage and circulation promotion. Mr. Baxter will become Business Manager and Farm Editor responsible for advertising, job printing sales and rural news. Together Mr. Yule and Mr. Baxter combine more than 12 years of newspaper experience. Mr. Baxter originates from Tillsonburg, beginning his early newspaper experience with The Tillsonburg News. Following two years at the Ontario Agricultural College, University of Guelph, he moved to Sudbury to take up a position as reporter with The Sudbury Star. In 1969 he moved to Simcoe where for the past two years he has been employed as a tobacco reporter and farm editor for The Simcoe Reformer. He will be moving immediately to the Jarvis area. Mr. Yule, began work as a reporter in 1963 at St. Thomas, with The St. Thomas Times-Journal. In 1967 he became senior reporter for The Simcoe Reformer and two years ago was named managing editor of the paper, after a year as city editor. Mr. Yule was born in Woodstock, is married and has a son. He will be moving to the Jarvis-Hagersville area in the near future. We at The Record sincerely hope that our expanded news coverage, circulation and advertising programs will be well-received in Jarvis, Hagersville, Cayuga and the surrounding rural and urban centres. Douglas Galbraith, present managing editor of The Record will be taking up new duties next month.

Haldimand Set To Host Plowing Match Oct. 12

NANTICOKE - The International Plowing Match will be on Haldimand's doorstep on Oct. 12. The kickoff for the match was held Thursday with Ontario Food and Agriculture Minister W. A. Stewart turning the first sod. On the site will be 75 acres of tents out of a total of 650 acres, which will house \$50 million worth of machines. The match is expected to attract 100,000 people. Local Chairman Ted Montague said that although the match specializes in catering to farmers an ever increasing number of urban dwellers are being drawn to it.

The Hagersville Juvenile C hardball team took two straight to capture the All-Ontario title for their division last week, from the Hopetown rivals. Shown above kneeling are from the left, Kirk Brown, Danny Forbes, Stu Williams, Anthony Yacobino, Glen Hewson, Ross McKeen, Cliff Chrysler, Steve Petracca and sitting is batboy, Shayne Petracca. At back are coach Vince Petracca, Doreen Petracca, Jim Cote, Robert Stewart, Frank Vecero, Roger Montour, Greg Garmon, David Davey, Harold Taylor, Lloyd Henry, gate attendant and Abe Taylor, manager.

Hagersville Juveniles OBA Champions

by Pete Myke
 Hagersville Juveniles are OBA Juvenile 'C' champions after dropping Hopetown 4-2. Coach Vince Petracca captured the title by winning two straight games. We are very proud and that the title could bring the title to Hagersville. Five teams went in search of an OBA crown in the spring with only the Juveniles being victorious. Coach Vince Petracca started his big right hander Ross McKeen in hopes of winning the first game of a possible double header. Ross accepted the challenge and pitched a neat six-hitter in going the route. He gave up two runs, walked two and struck out four. Hopetown scored a single run in the third to jump into the lead. Hagersville came alive in the fifth. Kirk Brown, Tony Yacobino, Dave Davey, Danny Forbes, and Harold Taylor cracked singles. Robbie Stewart came through with the big smash as he unloaded a double. The local boys walked off the field with a 4-1 lead. The score remained until the bottom of the ninth. Hopetown scored one run and had two men on when Ross bore down to strike out the last two batters to end the game. McIntosh led the Hopetown boys with two hits. Anthony Yacobino paced the Hagersville attack with three hits. Robbie Stewart came out of his play slump with two hits. Kirk Brown, Ross McKeen, Harold Taylor, Dan Forbes, and Dave Davey got one hit each.

The local committee and the Ontario Plowman's Association held a kickoff for the upcoming International Plowing Match Thursday. Ontario Food and Agriculture Minister W. A. Stewart (left), Russell Hare and James N. Allan MPP for Haldimand-Norfolk, hold samples of soil that was plowed during the ceremony.

New Machine Demonstrated For Millmen

JARVIS (Staff) - Mobile milling operators got a first-hand look at an ultra-modern feed milling unit here on the weekend. The demonstration was sponsored by a U.S. manufacturing firm introducing the unit into Ontario for the first time. The 19,400-pound mobile grinder-mixer is the latest in the development plans of Daffin Mobile, from Lancaster, Penn. Birch Davidson, a company spokesman said, mobile milling is making a return appearance on the farm scene, after a few years keen competition from on-the-farm tractor-powered grinders. Mr. Davidson said the trend to power-take-off grinder-mixers is levelling off and the mobile machine demonstrated is designed to make operators more efficient. "Now we are being trained not to defend freedom as in wartime but to defend our own way of life," he said. The site was used during World War 2 as a Bombing and Gunnery School. During peace time years it has been used as a raceway. Mr. Stewart told the group because of the paved areas that it is an ideal place for the match. "Some might even suggest that there should be such a site as a permanent place for the match. "However, because it is moved to a different county each year it gives these farmers a chance to paint and renew their farms. "This should be encouraged and is one of the good results of holding the match in different counties each year. "It also allows different groups of people to work on organizing the match - See Page 13, Col. 5

Weekly Weather

Mixed weather for the next few days is the regional outlook of the Simcoe Weather Bureau. Mainly fair Friday, cloudy with the possibility of showers Saturday and clearing Sunday, said the forecaster. Low temperatures will range from 45 to 50 and highs in the mid-60s.
