Mr. and Mrs. Murray Laidlaw and family of Bramalea spent the weekend with Mrs. William Laidlaw.

Dr. MacDonald was luncheon guest of Mr. John Gee after the morning anniversary services.

# Your Chev/Olds dealer introduces the 1972 Chevrolets and Oldsmobiles.

This is your year for a new car. Be glad. Because here's a wide choice of truly fine cars.

From Chevrolet your choice ranges all the way from the zippy little Vega, the little car that does everything well, to the big Chevy Caprice. Remember, all Big Chevys give you room, plus power steering, power front disc brakes and if you get the V8 engine, automatic transmission. All standard.

Between the little Vega and the big Chevy you get Nova. This is the not-

too-big, not-too-small Chevrolet. The famous-for-dependability Chevrolet.

A shade bigger and a touch sportier than Nova is the Chevelle. A mid-size car with a lot of big ideas. Especially in its ride and passenger comfort.

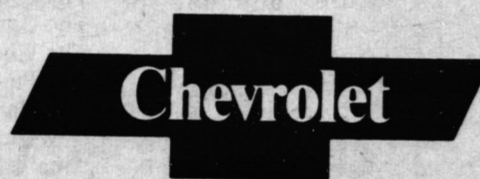

Or is this the year you step up to Oldsmobile?

Cutlass makes it easy. This is the intermediate-size Oldsmobile, with the style, comfort and performance that says Oldsmobile all the way. Cutlass. Puts you in an Oldsmobile

a couple of years sooner.

If the ride's the thing with you, better go Olds Delta 88. Hard to believe it's the lowest-priced big Olds. And it's big all the way. Big in the comfort of its G-Ride system. Big in standard features. Big in the feeling of leadership you get when you're behind the wheel.

Whether you go for a little Vega, a dependable Nova, sporty Chevelle or Cutlass, or a big Impala or Delta 88, you get something extra. It's called value. General Motors value.

Chevy Nova Coupe.

Chevelle Malibu Sport Coupe.

Chevy Vega Kamback Wagon.

Delta 88 Royal Hardtop Sedan.

Impala Sport Sedan.

Chevy Vega Kamback Wagon.

**OLDSMOBILE**  
ALWAYS A STEP AHEAD

See your Chevrolet/Oldsmobile dealer today.

Buckling seat and shoulder belts is an idea you can live with.

Some of the equipment illustrated is optional at extra cost.

## Norfolk County Fair Plans Near Completion

Plans for the 1971 Norfolk County Fair and Show at Simcoe are the drafting board and almost complete. Fair officials are confident that this year's program is an event one and that given weather, the fair will again play to a record-breaking attendance.

Many improvements have been made around the grounds which will add to the enjoyment of patrons. Chief among these is the fact that for the first time this year, Queen Elizabeth II will now run straight through from No. 3 to the north end of the fairgrounds. The fine art display will also be a place of enjoyment as visitors will have the opportunity of viewing some 300 different paintings.

Norfolk County Fair lays claim to the most outstanding outdoor horse show in the province and this year will again host the Ontario Championships in heavy horses. A new hitching ring has been added

building and curing club has been paved which is another fine improvement to the grounds.

A completely new arrangement is planned for the flower show at Norfolk County Fair and members of the Port Dover, Waterford and Simcoe Horticultural Societies will be combining their efforts each day in demonstrating flower arranging and other things to do with flowers etc.

The active craft demonstrations again promise many interesting and novel ideas and these change daily in Woman's World. The fine art display will also be a place of enjoyment as visitors will have the opportunity of viewing some 300 different paintings.

Norfolk County Fair lays claim to the most outstanding outdoor horse show in the province and this year will again host the Ontario Championships in heavy horses. A new hitching ring has been added

which will make for a smoother running show. For the first time this year, there will be an added thrill on the track as chuck wagon races have been included in the show together with the always popular chariot and harness races.

Cattle, sheep and poultry shows at Norfolk County Fair always draw a heavy entry and this year promises to be no exception. A mammoth Warriors Day Parade will be featured on Saturday and bands and color parties from many distant points will take part. There will also be snowmobile races on Saturday night.

Conklin's Gay Way will again delight midway fans, and the high act at the bandstand which has proven so popular each year will be a real thriller. This year the sensational Albanis will present an aerial revolving motorcycle trapeze act 80' in the air and using no safety net.

All grandstand shows are free at Norfolk County Fair, and there is an almost nightly change of pace. Acts which will be presented will include Bob Kramer and Company in a most unusual magic act featuring the burning coffin, guillotine, sword chamber etc. The popular Trans-Canada Hell Drivers will be back with both a demolition derby and an automobile thrill show, and the famous Ontario Provincial Police Motorcycle Precision Ride "The Golden Helmets" also have repeat engagements. An outstanding act on Friday and Saturday nights only will be the Conti Family, a tremendous family instrumental-vocal group.

Every day and night at the Norfolk County Fair in Simcoe will have its own exciting, different and thrilling program and patron are assured that there will be something of interest for everyone. All signs point to this year's fair living up to the slogan "A Truly Great Exhibition served County Fair Style."

## Strutt - Mott

Mrs. and Mrs. Thomas Gregory Strutt

Hagersville United Church was the scene of a late summer wedding on Sat., Aug. 21, 1971 when Rev. Leslie Mott of Hamilton, great uncle of the bride, united in marriage Barbara Lou Mott and Thomas Gregory Strutt. The bride is the daughter of Mr. and Mrs. William L. Mott of Hagersville; the groom is the son of Mr. and Mrs. Frederick Strutt, Burlington.

Arrangements of gladioli in shades of yellow and orange decorated the altar of the church. Mrs. Robert Kennedy, London, a cousin of the bride, presided at the organ.

The bride, given in marriage by her father, wore a white floor-length gown of nylon organza. The full skirt fell from an empire waist and formed a train in the back. Venetian lace accented the neckline, bodice and long sleeves as well as the skirt. Her full-length veil was held by a cap of Venetian lace. She carried a bouquet of white daisies and talisman roses.

Attending the bride were her sister, Mrs. Alan Maclean of Montreal as matron of honor, her friend, Miss Valerie Foster,

Hagersville as maid of honor, and her friends, Mrs. Al. Van Miel, Guelph, and Miss Christine Henderson, Windsor. Their identical gowns were of flowered sheer nylon in shades of yellow, orange and green, with orange ribbon accenting the empire waistline. In their hair, were orange straw flowers and their bouquets were of yellow daisies and orange straw flowers. Little Miss Michele Mott, of St. Catharines as flower girl was in yellow sheer nylon also accented with an orange ribbon at the waistline. A garland of straw flowers was in her hair and she carried a miniature bouquet of yellow daisies and orange straw flowers.

Mr. John Meyers, Windsor, was his friend's best man. The ushers were the groom's three brothers, Mr. David Strutt, Mr. Mark Strutt and Mr. Howard Strutt, all of Burlington. A reception was held on the lawn at the bride's home for 150 guests, where the bride's mother received in a gown of champagne peau de soie and lace. Her corsage was of talisman roses. The groom's mother wore a gown of coral peau de soie

and crystallette and a corsage of coral roses and white button mums. For a wedding trip to the West Coast, the bride chose a midi dress printed in purple, cranberry and white with a large purple felt hat and matching high boots. The bride and groom have now returned to Windsor where the bride is studying at the School of Dramatic Arts and the groom is attending the University of Windsor.

WIDESPREAD STUDIES EDMONTON (CP) - The zoology, botany, ethnology, history and archeology sections of the Provincial Museum and Archives of Alberta made fieldwork trips into the northern part of the province this summer to collect data for their permanent records of the province's history. A museum spokesman said most of the work was done in the Lesser Slave Lake area, which is designated for development under a special federal-provincial agreement.
