

# Hagersville Highlights

Once again the Legion Auditorium at Branch 164, Alma Street North, had a good attendance at their Saturday night dance.

The dance was held September 25, with music being supplied by "The Serenaders Four."

The Hagersville Amateur Athletic Association have done it again.

Another successful and well-attended Fall Harvest Dance, was held in the Hagersville Arena on Saturday evening, September 25.

Music for dancing was supplied by Lionel Thornton and his orchestra.

The Purple Chicken members had a most busy day on Saturday, Sept. 25.

For some time, they had been advertising their Scrap Metal Drive on this date. Proceeds go towards the Purple Chicken Youth Centre, and therefore two deeds were accomplished. The first being to clear local basements and garages of old unused scrap metal, and the second, to help the local youth.

The first meeting of the autumn season for members of the CWL Walpole and St. Mary's, was held in St. Mary's Church Hall on Monday Sept. 13.

President, Mrs. Georgette Morris presided over the business meeting, and events forthcoming were discussed.

Father Wubbles led in prayer at the close of the meeting, and a social time followed.

## CHURCH ANNIVERSARIES

Sunday, September 26, was the date of three local Church Anniversaries. At Springvale United Church, Rev. Marty Karl, who is General Superintendent of the Harbour Rescue Mission at Hamilton, was the speaker at the 11 a.m. service.

The guest speaker for their evening 98th Anniversary service was Mr. Edward Sharritt, the assistant Supervisor at the Harbour Rescue Mission.

Hagersville Baptist Church Main Street North, also observed Anniversary services.

Rev. A. R. Goldie, B.A., B.D., Secretary of the Department of Canadian Missions of the Baptist Convention of Ontario and Quebec was guest speaker at both morning and evening services.

Special selections by "The Messengers" from Forest, Ontario provided musical enjoyment at the Garnet United Church Anniversary Services.

Guest speaker was Rev. Ronald Warren of Thorold, who gave inspiring messages at both morning and evening services.

Well over 100 Kinsmen and their wives enjoyed a buffet dinner catered by Mrs. Margaret Brennan at the Community Centre Saturday night, Sept. 18. The occasion was the annual installation of officers for the new Kin year. In

addition, members of the Caledonia and Cayuga Clubs were in attendance as

Deputy Governor Bill Stowe, Dunnville, assisted by District Officers from Harriston and Tilsonburg, installed Kinsman Graham Norval as President of the local Hagersville Club.

Undoubtedly the highlight of the evening was the bestowal of life memberships upon past Kinsmen Bill Mattice and Al Hewitt. In making their presentations, Messrs. Don Brown and Earl McConachie recalled several occasions when the two being honored had served their community beyond expectations, thereby justifiably earning the highest award that any Kinsman can receive. Several Past Kinsmen attended specifically to participate in showering accolades upon the honored guests. As they accepted their Life Membership pins and certificates, they were given standing ovations. Kinette President Mrs. Sharron Berry presented gifts to Mrs. Mattice and Mrs. Hewitt, for their enduring patience while their husbands were attaining 21 and 20 years of perfect attendance, respectively.

Chairman Ted Heinrichs extended his appreciation for all who had attended, and adjourned the meeting for dancing to the music of the RKG Group, a local band of considerable renown.

## On The Farm Front

More than 75 acres of Tented City is fast going up at Nanticoke. The city, complete with facilities including Hydro, telephone, water, sewage disposal, streets and service roads, will handle some 100,000 guests during the International Plowing Match, October 12-16. Parking will be close at hand, as will the air strip for those who fly in.

All local people can take pride in the preparations that have been made for Haldimand to Host the 1971 International Plowing Match. A large percentage of Haldimand residents will have been involved in the match in some way. Their involvement would range from "dressing up" homes, farms and villages, to catering at the banquet for some 1300 people on Friday, the 16, to working on committees, participating in arrangements for exhibits at the match, catering at the match itself, or billeting some of the visitors who stay over night.

Joe Nelles advises that the Haldimand Milk Committee exhibit at Caledonia Fair this year will be in the new arena. On Thursday, September 30, 4-H members and Junior Farmers are especially invited to visit the booth. Friday, October 1, will be Producer Information Day. Doug Johnston, O.M.M.B. fieldman and Bob Guest, O.M.M.B. Director, will man the booth to provide

answers to milk producers' questions. Free draw tickets will be distributed both days for the prizes to be awarded at the Dairy Princess Competition Friday evening. The Milk Committee also has a "ton of cheese" for samples on "Consumer Day", Saturday, October 2 at the fair.

Now is the time to get next year's quack grass problem under control. A fall application of Amritol T

## Triple F Group 'Travelling Supper'

Saturday evening, Sept. 25, some 40 members of the Hagersville Triple F Group met at the United Church. A "travelling supper" had been arranged by the executive, and the first home visited, was the Parsonage. The group then proceeded to the Mel Hendersons on Howard St., where salads and relishes were arranged.

Mr. and Mrs. Russell Miller, Fairfield Drive, had tables set in preparation for the group, and ham, scalloped potatoes, rolls, and vegetables were enjoyed. In bringing a close to the delicious supper, all returned to the C. E. Wing of the United Church where desserts and coffee were in abundance.

President Mrs. Marie Hewitt conducted a most interesting meeting, and it was decided that this year the project would be the Adult Training Centre for

# My Business!

Influence never dies; every act, look, word and decision will tell for happiness or woe in the lives contacted by you as you pass by.

And why influence those in authority to promote evil? When examples of wickedness are set and their course followed and practiced, they corrupt more readily if we behold them in those entrusted with leadership. Don't you be responsible. Let us all strengthen their hands by prayer and virtuous action. All people have convictions. Take the risk of standing by them.

Keep your conscience clear. Do not compromise with sin. In community life do not ask, "Is it safe?" Is it popular - Is it politic? but "Is it right?"

Understand what you are doing when you are faced with a decision in matters of right and wrong. Forget about expediency, popularity and fears. Be fearless on the side of virtue. Mark this: When you identify yourself with vice you become a partner and a shareholder in all the woes, broken hearts, broken homes, broken lives, crimes

and death-dealing harvest that follow in its wake.

You will not escape the consequences in Eternity. If there be a paradise for virtue, there must be a Hell for crimes.

Men might go to Heaven with far less effort than they exercise to go to Hell, if they would stop and consider the end of the course they follow.

Certainly in all matters pertaining to you, the people and the society to which you belong, you may exercise your own will. You are free to make your own decisions. That is your business.

It is however, my business to warn you of the consequences of an evil influence and to encourage you to keep your life pure from all blame by the repellent strength of virtue.

Future punishment as decreed and set forth in the Word of God is not to be regarded as a threat but rather as a declaration of His mercy. Punishment is certain for those who persist in an evil way.
