**Intermediates
Split Games**

The Hagersville Intermediates split their two games on the weekend winning 17-15 over Langton before dropping a 9-5 game at home to Walsingham on Sunday afternoon.

The inability of Paul Kett and Anthony Yacobino to get the ball over the plate in Friday's game in Langton kept the local team in trouble before they wrapped the game up with two runs in the tenth inning. The two pitchers walked a total of 18 men in the contest and allowed nine hits.

Hagersville worked the Langton pitching over for a total of 16 hits and nine bases on balls as the game stretched over 3 1/2 hours.

Paul Kett may have been a little off with his control but sure

ators to win as it kept their playoff hopes alive.

A win for Hagersville would have clinched the last playoff spot and ended any hope Walsingham had of catching Hagersville for the last playoff spot. It was rumored that there would not be umpires for the Hagersville home games but three showed up for the game. One more was noticed writing sports news in the background.

Hard throwing Larry Cassidy started for the local team but reinjured his arm in the second inning and gave way to Jim Herkimer in the second. Bill Prince took over in the fourth and Robby Johnson wrapping it up in the ninth. Prince took the loss when Walsingham scored four runs in the eighth.

A bases loaded smash by young Murray Abbot proved to be the big

blow of the inning. Twenty years ago we had to worry about his father Bert, now the young fellow seems to be picking up where Dad left off.

Terry Gill, Bill Hodges, Abbot and Terry Helmer all had two hits apiece with Dale and Wade Underhill, Bob Loncke and George Gates getting the others. Helmer pitched six hit ball for eight innings before giving way to Larry Quick in the ninth. Helmer seemed to be

using a new pitch to get the left handers out in this game and had a lot of success with it.

Larry Atkinson and Jim Herkimer had two hits apiece for the home team, with Bill Prince, and Denny Wilson getting singles. Robby Johnson cracked a double to round out the Hagersville total.

The next action for the Intermediates will be this Thursday, Aug. 17 at 6:15 p.m. then again on Sunday at 4:30 p.m.

Juveniles Bomb Simcoe 15-0

On Sunday the Hagersville Ball Club wound up its regular schedule by thrashing the Simcoe Juniors 15-0.

Cliff Chrystler was again the leader as he pitched a strong two hitter. All told, Simcoe only managed to get six men on base. Besides their two hits, all Simcoe could put on base was one walked, one hit batter and two by way of infield errors.

Little Cheetah sent 16 batters down via the strike out route and on the strength of Cliff's last two performances on the mound he is almost a cinch to get the starting assignment in the upcoming O.B.A. playoffs.

Glen Hewson collected a double and single with David Davey, Steve Petracca and Danny Forbes getting two singles and Ross McKean, Tony Yacobino, Abe Taylor, Danny Donato and Cliff Chrystler each having one.

On the week-end of Aug. 26 representing Hagersville are, first the Tykes. This is an inexperienced club as it is the first year of ball for most of the boys. However, they are real enthusiasts and Craig Ebert and Peter Myke have the boys hustling.

The Pee Wee club is handled by Ivan Fleming and John Wardell. This club is a mixture of first and second year boys in Pee Wee ball and could be around for awhile in the playoffs.

The Bantams are handled by Nat Salvatore and Teddy Phibbs. This is an experienced club and should go a long way this fall. If Billy Winger regains last seasons form on the mound, the Bantams will be a sound ball club since their infield and outfield are all good glove men.

If the Middlets get any pitching they will be hard to beat. They are a good hitting club. With men like Grant Kett, Danny Laidlaw, Dave Sayer and Wayne Johnson Sr. at the helm they will be tough from here on in.

The Juveniles are the only local club moving into a higher class. They have entered the A major category but this is the same club

against these big city clubs.
