

Kozak Hurls No Hitter, Downs Strabane 10-0

By Vince Petracca
Last Saturday big Bob Kozak pitched every pitcher's dream. He threw a no hitter as his teammates pounded out a 10-0 win over Strabane. Big Bob was in control of the game all night as he struck out 13 batters and didn't give up any walks. He allowed only one base runner and that was by way of an error. Craddock led the batters having a triple and two singles. Hodgkin had a homerun and a double. Phibbs had a homer and single with Prince Smith had a double and Fearman and Kozak had singles.

After watching this game everyone present must feel assured the Chevies are ready for their upcoming O.A.S.A playoffs, against Simcoe.

Since regular sports writer Pete Myke has returned from holidays this will be the last write-up that I will have the pleasure of putting in the West Haldimand Record. I only hope I have kept everyone up to date on what has happened in softball and hardball.

Before I leave I would like to express my views on the Chevies on the eve of their quest for an O.A.A.A. Championship. In my opinion the team is ready. They are looking as good as

they did in their hey days when Johnnie Edwards was on the mound.

The Chevies mound staff is sound. The last two weeks Kozak has been throwing better than any other chucker in the area and they also have back up hurlers in Carpenter and Nicky Pantzori.

The huslers have a fine receiver in Gordie Fearmen to throw to. First base is handled by old steady Eddie himself, Kenny Graham, and Barry Milles is more than capable as a back man to Ken.

At second Chevies do some juggling as they do at all infield position but the three I've seen in the past three weeks are all sound ball players. The three are Brian Smith, Paul Kett and Nick Pantzori and since Smitty has shaken his batting slump any one of the three will do their share to help win ball games.

At short they have Phibbs and McKeen or Kett and what a trio they are. Over on third Bruce Biggar holds down the fort and he looks steadier now than he did five years ago.

In left and centre field, the two best defensive fielders you will find in any class

of softball in Southern Ontario. The Chevies have Dennis Craddock and Billy Prince. This pair have it all. They have speed, hit regularly, have good strong accurate throwing arms, have a lot of hussle and desire and above all they can catch almost any ball hit in the air.

In right field, Chevies have young Terry Dosser. He's young and inexperienced but is playing real heads up ball. He looks like he has a fine glove hand and is pretty steady with his bat.

On the bench doing the behind the scene leg work, the Chevies are blessed with a fine manager in the person of Jack Martin and to do not only their coaching but all their working and sweating with every pitch they have Bobby Smith and the old pro Harry Reekie.

What I have tried to say is I think this is a fine ball club and would like to retire my pen now with one final sentence. Good luck Chevies from here on in.
