## Simcoe Defeats Juniors 3-2

The Simcoe I.G.A. Juniors scored two second period goals to defeat the local Juniors 3-2 on Thursday night at home.

This was a must game for the boys as time is slowly running out in the schedule. Bill Cutting took a pass from big Dave McLeod to put Simcoe out in front 1-0. Terry Fryett tied it up after taking passes from Mark Steele and Glen Hewson. The teams left the ice after the first period all even.

The second period was all the visitors as they scored two goals in the space of three minutes to take a 3-1 lead. This either took the starch out of the local team or else they had little drive to start with.

None of the forwards wanted to fore check and this let Simcoe get up in their own end with plenty of time to get the puck out of their end.

Hewson banged in a loose puck from a pile-up in front of the net to narrow the score at 3-2. Steele drew an assist on the play. Hagersville had a total of 27 shots over the first two periods but a lack luster effort in the last period could gain them only six more.

With only seven penalties called in the game, two to Hagersville, shows the type of game the boys were playing. Only George Almond showed any real fight as he was ready to take on players and spectators alike.

Bill and Jim Nagel were dressed for this game and both turned in solid efforts. Bill had to be the best defence-man on the ice as he cleared the puck well out of his own end and led several good rushes.

After last Thursday's loss to Simcoe, coach Hub Fehrman said there would be some changes made for Sunday's contest in Norwich. Almond was moved to left wing with Fryett and Hewson. Foster centered a line with Phibbs and Webb. The Spies, Kincaid and Steele line stayed intact. Both Nagel boys played defence along with Walker, Miller and McKenzie.

The result was a wide hustling effort by the whole team. Spies took passes from Kincaid and Steele to give Hagersville a 1-0 lead after the first period.

Three penalties gave Norwich three power play goals in the second period. This was enough to win for Norwich as Ross McKeen scored the only other goal for the Juniors.

Kirk Brown deserved a better fate as he played his best game of the year. Not stopping as

many shots as Hawkey in Norwich's net, a lot of the saves were of the sensational type. The big difference in the game came in the first period when Hagersville should have had six goals instead of just one. Some erratic shooting and a little luck on Norwich's part kept the Juniors off the score sheet. Hagersville held

a 58-36 edge in shots on goal but could not put it in the net. The Juniors have three games left with Delhi having only one.

The last game of the year is against Delhi so Hagersville can lose one game and still make the playoffs. This Thursday they are at home to Ancaster. Friday night they travel to Caledonia

then wind up the schedule on Sunday in Delhi.

This is shaping up as the biggest week of the whole year.

## Midgets Win 4-0

The Hagersville Midgets under Larry Simon and Biol Prince Simon and Bill Prince took the first game of their playoffs by a score of 4-0. This was a fast moving, wide open contest that saw referee Walt Gardiner call 15 penalties.

The home team looked real sharp as they gave Dave Fess' crew from Waterford a real lesson in how to play hockey. This team has all the potential to go all the way so we hope they will just play the type of hockey they are capable of playing.

Anthony Jacobino was the big star of the game as he scored two goals and picked up an assist. For his effort Tony will be the Canadian Tire Player of the Week. Dean Webb also turned in a fine performance as he set up three goals by
