Intermediates Whip Gambles

The Hagersville Intermediates are playing their best hockey of the season right now and proved it Sunday in Brantford by whipping Gambles by a score of 7-3.

Dave Kett was the outstanding player on the ice as he kicked out 70 shots with at least 10 more hitting the post. The Brantford players were shaking their heads in disbelief as Dave stopped them time after time.

Since Kett settled his contract dispute with head coach Pete Myke

he has been trying to prove something with his old type play. He out Sunday night in an effort to get in top shape for the big game against the N.H.L. Oldtimers in Hagersville Jan. 28.

This is the second time that Brantford has lost this year with both defeats coming in the hands of the powerful Hagersville crew. Ted Phibbs led the attack with two goals and an assist. Wayne Clause added one more and picked up two assists. Gordy Fearman, Dennis Craddock, Jim Herkimer and Fred McKeen

all scored single goals to round out the Hagersville total.

This game saw the return of Larry Simon who has missed the past month with a bad leg. With a full team out, this club will be pretty hard to beat. Buck Slote was at the controls Sunday coaching as he will miss the balance of the year as a player.

The team got quite a jolt as their manager Larry Atkinson collapsed after the game and was rushed to hospital in Brantford. He was later released and will undergo further examination at the West Haldimand Hospital. I guess not only Punch is feeling the strain of the long schedule.

Hewson Sparks Juniors To 7th Win

Glen Hewson scored three goals as the Hagersville Juniors continue to struggle with

Simcoe I.G.A.'s for the last playoff spot. Hewson's third goal of the night, an unassisted effort, proved to be the winner as the Juniors skated off with a 6-5 win over Simcoe Sunday night.

This is the team Hagersville has to beat for the last playoff spot and they meet once more this month in Hagersville in a game that could well decide the last playoff position.

After Terry Fryett and Jim Walker set Hewson up for the first goal, Simcoe came right back with two quick goals by Brodie and Kendrick to go ahead 2-1. Ray Miller sent a pass to Roger Spies to tie the game then Foster set Hewson up for his second of the night as the period ended 3-2.

Big George Almond pushed the score to 4-2 after taking a pass from Bill Nagel early in the second period and it looked like the Juniors would run away with the

game. The I.G.A. team came right back with two goals to send the teams into the dressing room tied at four all.

Mark Steele set up John Kincaid for the go ahead goal after only three minutes of the third period. Hewson completed his hat trick three minutes later to wrap up Hagersville's scoring. Barry Laplant scored an unassisted goal for Simcoe's final tally and Hagersville held on for the win even with Robinson being pulled for an extra attacker.

This was the first game that the Nagel boys, Jim and Bill, have played for the Juniors since coming up from the minor hockey system and they didn't look out of place at all. They have played minor hockey for Hagersville all their lives but with a new territorial search being asked for by Cayuga, Waterford, Paris and Six Nations, the Nagels were going to have to play some-

where else if they could not make the Junior club.

I would like to commend the Junior executive for moving on this matter in the way they did in order to keep the finest looking prospects that Hagersville has in their minor system playing in town.

Port Dover Sailors come to town this Thursday at 8 p.m. so come out and give the boys some support and look over the Nagel boys in their new uniforms.

Ken Graham and Hub Fehrman will have quite a chore deciding who not to dress. With the team out to win there should be little trouble from the players regardless of who sits out.

Pee Wees
Win 1,
Tie 2

The Hagersville Pee-Wees played sound hockey the past week picking up a win and two ties. Wednesday the Pee-Wees scored a 4-2 win over the Bantam Red and White team to remain the only undefeated team in that league. Mike Liscombe led the way with two goals. Larry Kett and Bruce Fleming picked up one apiece.

Friday night the Pee-Wees braved the icy roads and travelled to Paris. Being all up tight from the ride, Paris got the jump on them and scored two fast goals for a 2-0 lead.

The boys hung in and finally got one goal back off the stick of Larry Kett. With four minutes left in the game Dennis Smith (who else) fired the tying goal in for Hagersville. The Pee-Wees have been playing without the services of all star defenceman Kevin Smith who is nursing a broken thumb.

On Monday night, Steve Woods scored a goal to give Waterford a one goal lead that looked like it might hold up for a win. But again these boys bounced back to pull off a tie with Bruce Fleming being the trigger man. He was set up on the play by Hal Brown and Scott Mayor.

Waterford
Wins 6-5

Wayne De Pooter was too much for Steve Pett-raca as he whipped three goals by Steve enroute to a 6-5 Waterford win on Sunday. This is not the best game we have seen this goalie play. Cliff Chrysler was the big gun for the home town team scoring twice and picking up an assist. He might well of had a dozen if his teammates could score when he set them up. Dave Speller and Barry Meehan also scored.

Juniors Down Delhi

The Hagersville Juniors skated to a thrilling 6-5 win over the Delhi Rockets on home ice Thursday night. Many times during the last two years the boys have played well enough to win and deserved to win and still lost. This game the way they played in the third period they deserved to lose.

It seems every time the boys got a two goal lead they would let the Rockets narrow the gap. This makes for exciting hockey but it's hard on the fans' and coaches' nerves.

Glen Hewson opened the scoring for the Juniors only to have Albert Huyge tie it up before the period ended. Mark Steele showed why he is third in the scoring race as he scored two goals to open the second period. Ray Miller scored his first goal of the year for the winners and I heard through the grapevine that Grandma White is going to have it mounted and plated with gold.

John Kincaid scored a goal just as the bell went to end the period but the referee made a great call, as they always do,

and allowed the goal. Huyge scored his second goal of the night to give Hagersville a 5-2 margin after two periods.

John Stefan and Clayt Cambell scored two quick goals for Delhi to open final period and narrow the count at 5-4. Roger Spies scored what proved to be the winning goal with five minutes left in the game.

This took a little pressure off the Juniors as Huyge got his third of the night to make the final score 6-5 for the home team and move them into sixth place in the standings. They will have to keep playing good hockey to hold onto this last play-off spot. There were only seven penalties handed out in this well played game with the first being called after 35 minutes of hockey.

Bantams
Lose 6-2

The Hagersville Bantams lost a heavy hitting and rough game to the Waterford team by a score of 6-2. Richard Van Eyke set up Bill Hargue twice to account for both Hagersville goals. Ricky Hill scored three goals and picked up an assist to pace the visitors attack.

Frank Fuludi was off to a fast start with a goal and two assists before picking up a game misconduct. Mike Salvatore has lost the services of Jim Nagel plus his goal tender for the balance of the season due to an O.M.H.A. ruling. This really hurts this club as Mike won find replacements for this quality of player.

Jim Caudle put on a one man show as the Canadians upset the favored Red Wings on Saturday. Jim scored all his teams goals as they downed the Wings 3-1 in a thrilling affair.

Jim was nearly player of the week except for one other boy's outstanding performance. Pete Myke was in goal for Walt Farmers Canadians and was robbed of a shutout when Danny Smith fired a goal late in the last period.

Jeff stopped a lot of rubber as he looks forward to an all star berth next year. Scott Elliot played a standout game on defence as well with several fine rushes.

The Black Hawks shut out the Rangers 2-0 as David Veri picked up the shutout.

The Flyers were hard pressed to come up with a win over the Leafs as they just squeaked out a 2-1 win.

Eric Winger and Eugene Sawyer scored three goals apiece as the Bruins from Springfield downed the Braves 7-2. The Braves are in a bit of a slump right now.

Roger Webb, Ken Ruel and Bryan Webber score a goal apiece as Ric Webbers Kings rebounded from a 13-4 defeat last week to come up with a 3-2 win over the North Stars.

Roy Strohm led the White Oaks team to a 2-1 game to Dave Fess' Midget club from Waterford. This is the second time Dave has come out on top of Simon in the coaches battle.

James Bowen and Kevin Thompson gave the visitors a 2-0 lead. Larry Simon elected to pull his goalie in the last minute and it paid off in a goal by Dean Webb.

This saved the boys from being shut out. Paul Townsend and Wayne Johnson picked up assists on the goal.

Winning members of the volleyball tournament at Hagersville Saturday were these Jarvis Public School girls. Front row, left to right, Joy Mitchell, Cathy Dunnett and Barb Adamowich. Second row, Debbie Graham, Susan Payne, Linda Fleming, Sandra Smelser and Janet Munroe, captain. Standing, Miss B. Hollick, assistant coach, Anda Rungis, Cindy Carlsson, Elaine Bergsma, Diane Dosser, Judy Haskell and Mrs. J. Evans, coach. (Staff Photo)

K Of C Look Like Champs

The K. of C. Novice team played three games the past week and looked like championship material in two of them. In the game against Waterford they looked like Charlie Brown and his all stars.

Rickey Anderson scored four goals on Saturday as the Novice team downed the Pee-Wee house league.

Midgets
Drop 2-1

The Hagersville Midgets dropped a close 2-1 game to Dave Fess' Midget club from Waterford. This is the second time Dave has come out on top of Simon in the coaches battle.

James Bowen and Kevin Thompson gave the visitors a 2-0 lead. Larry Simon elected to pull his goalie in the last minute and it paid off in a goal by Dean Webb.

This saved the boys from being shut out. Paul Townsend and Wayne Johnson picked up assists on the goal.

Paris had not lost a game this year and were comfortably in first place. Rickey Anderson led the boys on the ice and scored the only two goals Hagersville got as they held the strong Paris team to a 2-2 draw. This is the same Paris team that beat the boys 11-0 and 6-0 earlier in the year.

The Nelligan boys, Jeff McCarthy and Steve Caldwell all played well on defence. For their fine effort they were rewarded with a party at the home of Richard Anderson's after the game on Monday night.

I think the boys had their mind on the party instead of the game as they were shut out by a score of 6-0 by Waterford at home Monday night. Dennis Hill was the big gun for Waterford along with David Flowerday who had three goals apiece.
