

## Commercial League

Tuesday, Jan. 4 saw the New Year ushered in with three exciting hockey games; one between the Flyers and Bruins that broke the deadlock for top spot. Hopefully 1972 will see a continuation of the good hockey action seen thus far this season, with an improvement in league relations as well as added fan support.

### BRUINS ON TOP

The Smoothtown Bruins came prepared to prove they belong on top in the Commercial League this season and rang in the New Year with a convincing 9-4 shelling of the complacent Flyers. League scoring leader Bill Squires had another field day with four goals and two assists with "Butch" Hill ringing up a total of five points as well. Besides his two goals I thought Randy Hill played a very strong game with none of his usual time-consuming horse-play.

Other Bruin scorers were Charlie Thomas, Woody Porter and Larry Hill. For the Flyers who were visibly off form the scoring was handled by Roy Reaney, Wayne Clause, Doug Weaver and Cec Martin. Bruins now have 14 points after nine games, Springvale has 12 points.

### GARNET BOMBS FISHERVILLE

The mighty Garnet scoring machine was at it again in the second contest with Bob Vermeulen netting three goals to lead the way to their 7-1 triumph over the Fisherville Bushwackers.

John Porter opened the scoring early, then the roof fell in for the young Bushwacker goalie Howard Bacher. John Beischlag, Bob Awde, Bob Vermeulen, Paul Beischlag and Vermeulen again tallied within a space of four minutes. Vermeulen added a final score later on.

Doug Winger fired home the shut-out breaker against Gil Martin who is having a good season in nets thus far for Garnet. Stand-outs besides Bob Vermeulen were Bob Awde with four points and big Fred McKeen whose presence is being felt whenever he takes to the ice. A little tighter defence would certainly help the young Bushwacker cause, as they don't appear to lack for desire or hustle.

### HAWKS WIN 5-1

A return to sensible actions by the Hawks resulted in a convincing 5-1 drubbing of the puncheonless Jarvis Merchants. In the late contest. Led by Paul

Depasquale's three goal hat-trick the Hawks dominated the entire game, giving Pete Moser a very busy evening fielding rubber discs.

Jim Herkimer continued his outstanding play of late, tallying once and missing on numerous other occasions. Of late, Jim seems to have gained solid control of his fiery temper and channeled it in the proper directions while on the ice.

Other Hawk hustlers were Glen Simons the acrobatic forward and nifty "Cheetah" Chrysler along with Bill Prince and Denny Wilson who were as strong as ever.

The Jarvis team's lack of scoring punch appeared very evident and coach Dan Winstanley may have to rearrange some lines. Don Doughty, combined with George Miller, gave Jarvis their lone marker and ruined George Perrett's bid for a white wash. The Hawks now have 10 points in fourth place.

### HOLIDAY PERIOD SUMMARY

To re-cap the scores over the Christmas period. On Dec. 21 the Hawks dealt Smoothtown their first loss after six straight wins, the score, 4-2. On the same night Garnet destroyed Jarvis 10-0 and Springvale defeated Fisherville 6-3. Dec. 28 witnessed a come-back 7-5 win for the Bushwackers over the Jarvis Merchants and a strong 4-1 Garnet win over the Bruins. The evening's action was marred with the Hawk decision to dress an illegal player, besides playing Pat Lorimer who was under a two-game suspension.

After much hassle and the Hawk 4-2 win, the game was protested and an emergency meeting called. A ridiculous, disrespectful, super-ego, display of rule-breaking conduct by several Hawk affiliates was witnessed by yours truly who finally chose to leave rather than continue observing the loud, undisciplined, disrespectful behaviour, being endured by the representatives of the five other teams, who had chosen to follow the rules drafted up prior to this season. I later learned the protest by Springvale was upheld and the game awarded them 3-0. My hope is that a return, thankfully, to ethical and respectful conduct has taken place by all concerned and the Commercial League can move forward once again.
