

## West Haldimand Hospital Auxiliary Meets

The executive of the West Haldimand General Hospital Auxiliary met in the board room Jan. 5 for their monthly meeting. Mrs. S. Brown, president, called the meeting to order by having everyone read the Auxiliary Prayer in unison. Roll call and previous minutes followed, given by Mrs. H. Gowan, secretary. Thirteen members answered roll call. Mrs. R. Turner, treasurer, gave the treasurer's report and a successful financial statement for the Crystal Ball. It was also noted that Gordon Bates donated the three Christmas trees for the annual ball.

Mrs. Brown stated that eight hair sets, 10 fruit baskets and three other gifts had been enjoyed by the chronic patients for Christmas. Mrs. L. Martin gave the Coffee Shop treasurer's report and noted the increase in donated item sales for December.

Mrs. K. Schwyer, sewing convener, gave a busy report. Slippers were turned in completed from the Jarvis Unit

and additional slippers will be made by Cayuga unit. Caledonia and Hagersville units volunteered to make bibs. Sixteen babies born in December went home in Christmas stockings. Owing to increased sales for December and the fair stock gone, the Pegboard needs replenishing.

Mrs. H. Mehlenbacher, library convener, reports a good steady flow of books and magazines are being received.

The equipment committee stated that the planned x-ray unit will be \$2,000 less, bringing the cost to \$12,400. Unit reports found Cayuga having Mrs. Tindale speak on home care nursing for their January meeting, a pegboard shower and a lucky luncheon planned for March. Hagersville may have a flower arranging demonstration for its January meeting. Caledonia and Springvale have meetings coming up. Fisherville will meet in February and hold a pegboard shower and their annual dessert and

card party comes in March. Jarvis is also hoping for a speaker on home care nursing for their January gathering.

New business included making plans for the annual dinner meeting to be held April 5. Jarvis unit will be host for this year. The program may include unit talent.

A motion was made to have a draw on \$500 cash. The tickets will be sold for \$1 each and 1,500 tickets will be printed. The proceeds will go towards equipping the second x-ray room. The winning ticket will be selected at the annual dinner, April 5.

A remembrance will be given to the New Years baby born to Mr. and Mrs. Vervaeke, at one minute past 12 at West Haldimand.

### Goldham Leads NHL Against Intermediates

Bob Goldham of Hockey Night in Canada fame will lead the N. H. L. Oldtimers against the Hagersville Intermediates in an exhibition game on Friday Jan. 28. This will be the highlight of the winter carnival taking place all that week. It makes me chuckle to hear people older than myself say they don't remember a lot of the players on the Oldtimers team.

If they are hockey fans they are just trying to kid the kids that they're not as old as they really are. This should really be a fun filled game with a lot of action. Many of these players have still got the good moves and will be able to show the young boys what it's all about. Grant Kett and his son Paul will referee the contest so this should add to the antics on the ice.

The last time Grant officiated against this same team he got

tripped a few times himself and could not find the guilty party. This time he vows it will be different.

Let's all get out and make this a success. The profit is going to a worth while cause. All the organizations are doing a wonderful job getting things together for a full week of fun for people of all ages.

### Midgets Win 3-1

The Hagersville Midgets dropped Cayuga by a score of 3-1. This was a hard hitting affair with Hagersville picking up seven of the 10 penalties that were called. It seems as if the games between Cayuga and Hagersville are quite chippy.

One wonders whether it is because the boys mix a bit in the various secondary schools that gets the feelings running a little high.

## Kincaid Pushes Juniors To 6th Place

The Hagersville Juniors pulled off their second major upset of the season as they downed Port Dover Sailors 8-7. This is the second time they have beat Dover at home and scored 17 goals while doing it. This game was far more exciting than the last time that the Sailors were in town.

The Juniors led 2-0 at one point then trailed 3-2 after the first intermission. Port Dover out scored them 2-1 in the second period to hold a commanding 5-3 lead after two periods. Roger Spies had scored two goals

to this point and Glen Hewson one. Charlie Luke had scored twice for the Sailors as did Paul Greenslade. Big Dan Ivey had also pushed one in. The Juniors wanted this game so they refused to quit. Mark Steele and Paul Phibbs scored six minutes apart to make a new game of it. Bob Dougherty fired

a goal two minutes later that looked like the end for the home team. This just set the stage for Kincaid's heroics. With just 27 seconds left, John fired in a goal after taking passes from Steele and Fryett. This sent the game into overtime. Roger Spies finished his hat trick with a goal after only

16 seconds had gone by in the overtime. Four minutes later Kincaid got what proved to be the winner as Spies sent him in all alone to beat Eddie Phillips. Dan Ivey scored with seven seconds left but the boys were already on their way to the dressing room with a win.

### Caledonia Leads Way On Minor Hockey Night

The Minor teams from Caledonia gave the local teams a lesson in how to play hockey Monday night.

The Novice team lost 5-0 with only Dave Mayor, Dale Harper, and Jeff McCarthy playing like they wanted to.

The Pee-Wees playing without their fine coach Earl Smith went down to defeat by a score of 9-1. Dennis Smith who plays good if his dad is there or not picked up the only goal for Hagersville.

The Bantams got a little hot with their coach picking up a game misconduct that was not called for. They could not score a goal as Caledonia registered their second white-washing of the evening. The final score was 4-0.

The Hagersville Midgets were the only team to pick up a win on Monday as they shut out the Caledonia crew by a score of 1-0. This was a thrilling game from start to finish with both teams playing fine positional hockey and good passing.

Larry Simon seemed to think this was the best game the boys have played all year.

Glen Helka was a stand out in goal as he made many fine saves with a couple being on the sensational side. For his performance Glen will be the Canadian Tire Player of the week.

Helka will be able to pick up the stick of his choice at the local Canadian Tire Store. Anthony Yacobino scored the only goal of the contest as he took the face off deep in Caledonia's end and rifled it past the visiting goalie before he had a chance to move. The whole team played well with special praise going to the defence men.

Dave Smith played one of his better games with his steady checking. Hagersville had one goal disallowed when the referee was screened on the play. Caledonia had one called back in the

last minute when it was knocked in with a high stick.

If the boys can play like this every game they sure look like championship material.

### Juniors Bow To St. George

The Hagersville Juniors battled the St. George team on even terms for the first three periods before letting the home town St. George crew bang in three goals in the overtime period. This enabled St. George to skate off with a 8-5 win.

John Kincaid pulled the trigger on two lovely passes from Mark Steele to score two goals. Terry Fryett set up Glen Hewson and Ray Miller for two more. Jim Lamb scored an unassisted goal to round out the Hagersville scoring. This is two games in a row that Miller has scored, if he's not careful he will be chasing Steele for the team championship.

Glen Campbell and Brian Emick scored two goals apiece for St. George and they will be the boys to watch this Thursday night when the same two teams battle back here in Hagersville with game time at 8 p.m.

This was a hard hitting contest that seemed to take its toll on the home town crew. When they came out for the overtime period the Juniors appeared to have nothing left. Terry Fryett picked up 17 minutes in penalties in the first two periods and this seemed to hurt as Terry is one of the better skaters on the club and Hub could well have used his legs.
