

Commercial League

by Winston Sardine

In last Tuesday's hockey action, the surging Garnet Plowboys defeated the Flyers and moved into second place, one point behind Smoothtown, in the first contest of the evening. Led by Ted Phibbs with a pair of goals and Fred McKeen with two also, the determined Garnet crew staved off a last period challenge to win 6-4. John and Paul Beischlag added the other Plowboy markers while Gord Fearman, Rick Hamilton, Larry Moerschfelder and Ken Willson provided the Springvale tallies. With Barry Miller back in harness the Plowboys are serving notice that they mean to repeat as league champions again this year.

Hawks Dump Jarvis

A hard skating, fast shooting Hawk team led by the returning Larry Simon beat past the punchless Jarvis Merchants 5-1, in the middle game on Tuesday's card. Larry looks back in top form and tallied

once while assisting brother Glen to a score also. Dave Kett, Jim Munn and Pat Lorimer also beat Don Craddock in the nets for Jarvis. This victory moved the Hagersville squad into a third place tie with the Flyers. Each have 12 points.

Only the sharp eye of Dave Maggio prevented Hawk goalie George Perrett from registering another shut-out, and points up the only area of the Jarvis play that must be worked on scoring!

Squires Scores Seven

A performance unlike any this reporter has seen in Commercial League hockey occurred as the top-spot Bruins blasted the depleted Fisherville crew 15-4.

Bill Squires the league scoring leader rang up a total of seven assists to boot for a total of 13 points. Bill's line-mate, Randy (Butch) Hill had a big night also firing home five goals himself and

assisted on three other Bruin scores for an eight point evening.

For the valiant youth-ful Bushwacker's, Blair Otterman tallied three times on very pretty plays and Brian Kiefer completed their scoring. Other Smoothtown marksmen were Eugene Smith, Welby White and Al White. Coach Ken Maracle's team must have felt the Garnet pressure and gone out to prove this is their year.

After 10 games, the Bruins have 16 points; Garnet has 15 points; the Hawks and Flyers each have 12 points while Fisherville has three points to Jarvis two points in the cellar. As the season heads into its final five games, come out and cheer your team on.

Reminder - The N.H.L. Oldtimers will play the Hagersville Intermediates on Friday, Jan. 28, at 8 p.m. in the Hagersville arena.

It seems like a long time since the Erie Midget C team won the O.R.S.A. championship last fall but the team members were nevertheless happy to receive their new jackets last week. Wearing the new jackets are, front row, left to right, Mack McKeen, Joe Roloson, Kevin Hunter. Second row, Terry Fenney, Dave Smith, Ross McKeen, Craig McKeen. Back row, Wes McKeen, manager, Mike Feeney, Bruce Pearl, Marv Fehrman, Jack Anderson and Grant Jepson, coach. (Staff Photo)

Novices Lose To Cayuga

The K. of C. Novice team blew a three to one lead in Cayuga as the home town Cayuga team picked up its first win of the year by a score of 4-3.

Ron Mayor had the team up for the game and they were really

flying until halfway through the third period. The third line of Jeff Winger, Robbin Pepper and Bryan Righmyer scored two goals and were the best line on the ice.

Ricky Anderson scored the last goal for

Hagersville but it was not enough. Troy Robbins let in a couple of soft goals and did not play up to his usual form. The addition of Francis Montague has given the team a little more balance with three solid lines.

Six Nations

Down Intermediates

The Six Nation team downed Hagersville in the first game of the Senior and Intermediate tournament held in Hagersville last Saturday.

This tournament was put on by Eddy Statts with the proceeds going to minor hockey. It was well run and went right on schedule.

Glen Hewson and Larry Simon scored the goals for Hagersville in their 4-2 loss. John Porter, Dennis Davey, Vic Porter and Gaylord Powless scored for Six Nations. This was a fast hard hitting game that saw the local boys pick up the share of the penalties.

Paul Kett dressed as one of the imports but even his presence in the lineup failed to carry the team to victory. Paul is a little out of shape and was just reaching his stride when the game was over. The whole team played well and got the puck out of their end as well as they have all year but Six Nations just had to much class. I would like to thank all the players for taking time off from work in order to play. On behalf of Buck Slote and Larry Atkinson we would like to thank all the fans who supported the stag in Brantford last Friday night.

Don't forget the 28th when this team plays the N.H.L. Oldtimers.
