## Minor Hockey Results

Burlington downed the Novice team by a score of 4-0. This was a fast and exciting game for two periods before the home town team folded in the third.

## Split Games

The Hagersville Bantams split their two games winning 4-2 in Port Dover and losing 7-1 against Six Nations. Richard VanEyk scored two goals in the win over Port Dover with Billy Hargue and Roger Smith getting one apiece. Allan Snively and Ron Trefiak scored goals for Port Dover.

In the game on Sunday Bob Kramer was at the controls as the Six Nations crew rolled over our boys by a score of 7-1. Ric Martin and Darryl Powless gave the Hagersville boys a lesson in how the game should be played. They each scored two goals apiece but it was their sharp passing and play making that made them stand out.

The Juniors should be taking a look at this Martin for next year. Wayne Fleming was the only bright spot for Hagersville and scored their only goal.

PeeWees  
Down Jarvis  
Bantams

The Hagersville Pee-Wees playing against the Jarvis Bantams rolled to an easy 9-3 win.

Scott Mayor was the big gun in this game as he scored three goals for his first hat trick of the season. For his effort Scott will be the Canadian Tire Player of the Week. If he sees Mr. Caldwell at the Canadian Tire store he will be able to pick up a stick of his choice.

Larry Kett picked up two goals with single goals going to Hal Brown, Brian Speller, Dennis Smith and Bruce Fleming. This was a fine team effort with every boy doing his job.

Port Dover Pee-Wees led by Bill Laing's two goals upset the local lads by a score of 5-3. There was a lot of sloppy clearing around the net by the defence with Rick Otterman being the worst offender. Larry Kett, Dennis Smith and Scott Mayor fired goals for Hagersville with Mayor really starting to find the range lately.

On Sunday the boys dropped a 7-2 decision to the Six Nations Pee-Wees. Kim Smith scored two goals and had two assists to show the way for the native sons. Larry Kett and Dennis Smith scored the only two goals for Hagersville.

The Pee-Wees dropped a 3-1 decision to Burlington with Dennis Smith scoring the only goal for Hagersville.

The Bantams rallied to come from behind to beat Paris 4-3 in the third period. Trailing 3-2 late in the game, Craig McKeen fired the tying goal. Billy Hargue scored his second of the night to give Hagersville the win. Richard VanEyk picked up the other goal.

The Midgets played the Juniors and came

## St. George Stalls Juniors Playoff Bid

Playing probably their worst game of the season when they should have been playing their

best, the local Juniors dropped a 7-4 decision to St. George.

Glen Hewson, Terry Fryett, John Kincaid and Ross McKeen were the only ones that looked like they were trying. Hewson and Fryett scored first period goals to give the Juniors a 2-0 lead. Jim Brush and Dale Rosebrough fired a goal apiece for the winners to skate off with the score tied 2-2 after the first period.

The visitors scored two unanswered goals in the second period as the Juniors lacked any real drive. It took the Lions just two minutes to put the game out of reach in the third period as they banged in two goals. Glen Hewson scored his second of the night with

Roger Spies adding a fourth, but this was as close as the boys were going to come.

Brush completed his hat trick to wrap up the scoring. To the many new fans in attendance I would like to add one thing. The Juniors can and have played a lot better hockey than this and will have to do so to make the playoffs.

Coach Don Chrysler, a former Hagersville boy, said that his team playing so well made our boys look bad. It looked from this end like they had four good defencemen, with Bessler and Legere playing real sound hockey on defence.

When Hagersville did break through for a shot,

one of these big boys were there to pick up the rebound.

Referee Rick Kowalsky handed out 18 penalties with the home team getting 10 of them. This game saw local sports star Paul Kett make his debut as an OHA official. Paul was one of the linesmen for this game and did a fine job.

Immediately after the game, Paul was rushed to the hospital where he underwent an emergency appendectomy. He is feeling much better at this time and would appreciate any of his friends dropping in to see him. If you can get in the room for girls.

The Juniors play the Simcoe IGA team here Thursday.

## Midgets Down Dover 6-3

Larry Simon and Bill Prince have the Hagersville Midgets playing the best positional hockey of any team in the village at the present time. This team has really jelled into a fine hockey outfit and should be ready when Dave Fess brings his Midget team in to start the playoffs next Monday, Jan. 31.

Friday night the Midgets defeated Port Dover by a score of 6-3. Paul Stetson, Tom Decker and Jim Saunders scored for Dover to be the only ones to beat Bill Downey in goal for Hagersville. Anthony Jacobino fired home two goals to pace the powerful attack. Dean Webb, Paul McCarthy, Wayne Johnson and Sandy Gibbons added to the total. Dave House is turning into a little Derek Sanderson in his role as penalty killer. This fellow skates for miles and does a terrific job of checking.

Sunday afternoon the boys continued their great defensive effort as they downed Six Nations by a score of 4-2 in a heavy hitting, free wheeling game. Sandy Gibbons was the star of the game as he scored two goals one while his team was a man short.

Dean Webb and Paul Fryett scored single goals with Jacobino, Jackson, Webb and Johnson picking up assists. Pete Powless and Bill MacDonald beat Bill Downey for goals but Bill turned in a tremendous performance. Again House and the defence did a great job killing penalties as three times Six Nations held a two man advantage.

Hagersville sat out 12 of the 16 penalties handed out in a rather rough contest. Don't forget next Monday when the boys will be starting the playoffs against Waterford with the first game starting at 6.30. The Novice will be the only team that will not start Monday night.

Scores from Saturday morning: Blues 1, Novice All Stars 1; Kings 5, Sabres, 0; White Oaks 2, North Stars 0; Canadians 2, Rangers 2; Flyers 13, Black Hawks 3; Braves 3, Leafs 0; Bruins 9, Red Wings 0.

Games for Saturday Jan. 29: Braves vs Flyers, 8 p.m.; Rangers vs Red Wings, 9 a.m.; Bruins vs Black Hawks, 10 a.m.; Leafs vs Canadians, 11:15 a.m.; Sabres vs Blues, 12:15 p.m.

Tuesday Feb. 1: White Oaks vs Kings, 5 p.m.; All Stars vs North Stars, 5:45 p.m. These games on Tuesday are due to the broomball tournament that is taking place on Saturday afternoon starting at 1:30 p.m.

WIDE AREA  
Canada covers an area of 3,851,809 square miles making it the second largest country in the world after the Soviet Union which has an area of 8,649,539 square miles.

Port Dover shut out Hagersville with Steve Holmes scoring twice. Brook Snow following in his dad's footsteps scored two more, with Robert Luke and Jeff Clayton adding one apiece.

On Sunday the boys travelled to Waterford to play the Six Nations team. The were shut out by a score of 5-0. Tony Lewis banged in three goals to pace the Six Nations attack. Jeff McCarthy was the outstanding player on the ice in a losing cause. Jeff played the whole third period and most of the second as the rest of the defence seemed to want to sit in the penalty box.

Garnet Drops Hawks  
In last Tuesday evening's opener, the Garnet Plowboys led by big Fred McKeen's two goals, set-back the Hagersville Hawks 4-1, and continued their challenge on the top spot Bruins. Bob Awde and Jack Hill supplied the other Plowboy markers, and the Lone Hawk goal was supplied by Dennis Craddock, an ineligible player whose last performance with the Hagersville team cost them a "protested" game.

Besides Dennis, the Hawks also used a few Junior players who are also ineligible; it seems that the league rules have little or no meaning to this one club who in my opinion are

rapidly endangering the future life of the Commercial League for the teams now playing. Several have indicated that this may be their last year. Once again I urge the Hawk management to change rules in the proper ways; don't become an "outlaw" hockey club that no-one wishes to play the game with.

Flyers Blast Jarvis  
The Springvale Flyers finally put it all together in the second contest and beat the all

What we mean by  
"Together we're both  
stronger."

First, let's set the stage. And, let's start with you. You grow up. You set certain goals for yourself. And then, after some time, along come the little you's. And with them, a whole new set of goals. A home, a car, maybe a cottage. You want the good things. And, seeing that you work hard for your money, why not?

But, where do we fit in? Well, we feel two heads are better than one. We figure if two people set out to achieve the same goals, they might come a little sooner. And easier.

You see, we're in the money business. We invest money to make money, so that we can lend you money. But all of it isn't worth a plugged nickel if somebody doesn't use it, or our services, or our facilities.

No, we're not trying to talk you into a loan or a deposit. It's not like that. We feel these things will come naturally with what we have to offer. And that offer is this: a working partnership in achieving goals. Your goals, and our goals. Let's call it something like, Us, You & Sons. We know you work hard for your money. We understand things don't come easy. For any of us.

And that's what we mean by "You and the Commerce. Together we're both stronger." Because together, we are.

Mailing 22.2 million  
booklets  
is a big job.

Tax reform legislation has been passed by Parliament and is now law.

What does tax reform mean to you? How will it affect you?

To answer these questions, the Department is conducting a massive national mailing program. Booklets are now being printed and mailed to all taxpayers as quickly as they come off the press.

The complete mailing will be finished in about three weeks.

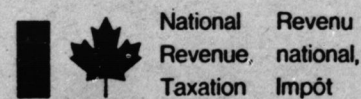

All taxpayers will receive at least two booklets

"Highlights for Individuals" and "Valuation Day". These should provide answers to most of your questions.

Some taxpayers will receive additional information, according to their specific needs.

Read your booklets. Afterwards, if you have questions, ask us. We'll be glad to help.

You will find that your booklets will make it easier to file your income tax return in 1973, because they will help you to prepare now.
