ROUNDUPBy
PETE MYKEJuveniles Downed
4-1 By Langton

The Juveniles got the diamond again but only for eight and a half innings. Lined up to play a double header Sunday afternoon in order to make up some rain-out games the boys were again forced to the dugouts because of rain.

With the Simcoe team on hand waiting for the conclusion of the first game and with the bottom of the ninth yet to play against Langton the rains came again. This may be the longest season as it seems everytime the Juveniles are to play it rains.

With all the delays this season the two areas bothering this club the most is their pitching and hitting. This was again evident Sunday as the boys left the bases loaded once and in three other innings had two men on but couldn't push them home. Also three of the four runs scored were walked batters.

With more games and work, the control problem of the pitchers should be solved by play offs. The kids better realize soon that the only way to hit a ball is to take their bats off their shoulders.

Roddy Stewart showed the fans why he was picked on the Intermediate All Star Team as he made a couple of diving catches that left

the Langton team shaking their heads in disbelief. Robby also picked up a double and single in four trips to the plate.

Dave Davey continues to lead at the plate batting a cool .511 followed by Tony Yacabino's .346.

On Sunday Hagersville opened the scoring in the second inning when Tony singled then stole second and advanced to third on a wild pitch. He then scored on Petracca's sacrifice fly to right field.

Langton came back with two runs in the fourth on a single, two walks and a Hagersville throwing error. In the fifth Langton scored their clinching two runs when McKee's control failed him completely and he gave up two more walks. Yacabino came on to relieve and a wrong field single drove in the two Langton runs.

Tony pitched good ball until the eighth when Danny Forbes made his pitching debut. These two boys are rated high as a first baseman and short stop but on Sunday showed they can also help on the mound.

This Thursday, July 27, the boys will again attempt to get a game in. They will be playing at home against the Simcoe Ints. at 6:15.

Midgets Bounce Simcoe 11-4

Hagersville Midgets saw two run lead disappearing in the fourth inning as Simcoe pushed across 4 big runs to take a 4-2 lead. This was all the scoring the visitors could come up with as Warren Jackson kept things in control the rest of the game.

The K & R Midgets kept pecking away as they got four runs in

the fifth. They got three in the sixth and two in the seventh. Danny Donato, Paul Fryett, Scott Smith and Craig Vanni stroked two hits apiece.

Wayne Johnson and Pat Martin had one hit apiece. M. Bishop was the big gun for Simcoe as he banged out three hits. S. MacDonald, J. Adams, T. Roth, and D. Hamayda all hit safely for Simcoe.

Intermediates End Win Streak
With Two Loses 10-3, 6-4

The Hagersville Intermediates dropped two games in the past week breaking their 10 game win streak. Last Wednesday the boys travelled to Simcoe to take on the Pros and lost 10-3.

Hagersville jumped on starter Jim Bruder for a run in the first inning and looked like they were on their way. Paul Kett was making his first start since getting married and had things well in control until he pulled a muscle in his leg.

Two errors and two passed balls gave Simcoe two unearned runs and this seemed to take the starch out of the Hagersville crew.

Hagersville made eight errors in this contest for their worst game in a month. Dean Webb, a Midget player,

played a standout game at third base as regular third sacker Larry Atkinson was recovering from a case of the flu. Herkimer, Demille, Prince, Kett, Webb and Johnson all picked up hits as Simcoe out hit Hagersville 9-6. John Tataraka supplied most of the power for the Pros as he hit two tremendous homers in to the trees in center field.

Jim Adams and Brian Mayo chipped in with two hits apiece with singles going to Doug MacDonald, Don Ward, and Gallagher. This win for Simcoe almost clinches first place as they hold a 10 point lead over St. Thomas and Hagersville.

Fred McKeen made his first appearance as a pinch hitter in the sixth inning and

could well be a real plus for this team with playoffs coming up. On Sunday the Intermediates were on the

short end of a 6-4 score. The game in Walsingham had to be called after seven innings because of rain.

Chevies Drop Two To Waterford

Last Saturday the Waterford Lancers came to town for a Fri-County double header. They turned the tables on the Chevies as Edwards spun a neat two hitter in the first game for a 5-1 win and then Poracki came up with a three hitter in the second game and a 6-0 Waterford win.

In the first game Joe Clark led off with a triple and this seemed to set the stage for the two games as not being seemed to jell for the Chevies the rest of the night.

Kozak got the next two batters out but then Big Pete Barber smashed his first of three hits to plate Clark.

In the second inning, Poracki of the Lancers led off with a home run followed by a walk to Miller and another home run by Lancers center fielder Dave Fess.

In the third inning Lancers picked up their fifth run on two singles and a fielders choice. The only run the Chevies could get back came in the bottom of the sixth when Nick Pantzouri smashed a towering home run to left field.

Other than Nick's home run the only other hit the Chevies could get off their former team-mate was a double by Craddock. The lack of base hits was amazing as I always felt the Chevies

Bantams
Lose Two
To Caledonia

by Vince Petracca

Last Thursday, Caledonia came to town and for six innings it looked like the locals had another win.

Going into the seventh, Hagersville led 5-2. All of a sudden no one could find the handle and with the aid of three errors, Caledonia pushed in 7 errors.

Rich Ostrowski pitched 6 1/3 innings with Billy Winger coming on to finish the last 1 2/3.

Craig McKeen played a fine game at short and had three singles and a walk in four trips to the plate.

Anderson, Salvatore, Barr, Watson, Crawford and Winger had one hit each.

On Sunday the boys went back to Caledonia and in this one everyone must have gone wrong.

We heard the score was 12 to 3 for Caledonia but have no other report on the game. This is a better club than this score would indicate.

could hit Edwards pretty hard but with Big John either slowing down because of old age or maybe deliberately the Chevies couldn't do anything with the bats against him in this encounter.

The second game belonged to Lancers Bob Poracki. He pitched a fine three hitter and had two towering home runs to drive in four of the six Lancer runs.

Carpenter started the game on the mound for the Chevies and looked good at the start. As it ended up he looked too sharp as he kept hitting the strike zone with not too much on the ball and the Lancers kept hitting the ball for base hits.

Both Poracki home runs were off Carpenter in the first two innings and maybe the next time these two meet Wray will stick a couple in Bob's ear before coming in with the high hard one.

OPP Report

CAYUGA - During the period July 16-22, 1972, officers of the Cayuga detachment, investigated three break and enters, eight thefts, and answered 28 requests for assistance. One person was charged with the offence of impaired driving, and seven charges under the Liquor Control Act were laid.

Sixteen motor vehicle collisions were investigated with injuries sustained by four persons. These motor vehicle collisions resulted in an approximate dollar value of \$8000. in property damage.

There is a definite increase of motor vehicle collisions caused by hazardous moving violations in Cayuga detachment over this period compared with last year. The police require the assistance

The hustling Greek Nick Pantzouri came on in relief of Carpenter in the third and over the last six and 2/3 innings allowed only one unearned run.

Craddock picked up another double in this game with Graham and Kett picking up singles. Graham at first still strikes me as the steadiest first baseman in this league. Kenny is not a real holler guy on the diamond but throughout the two defeats Saturday night his quick moving and ability to out guess and anticipate the Lancer moves made him a real stand out.

The Chevies batting averages are as follows: Dosser .500, Pantzouri .422, Fearman .410, Reekie .375, Craddock .372, Graham .354, Miller .250, Prince .244, Bob Smith .220, Phibbs .242, Carpenter .217, Kett .160, Kozak .190, Biggar .148, Hodgson .110, Brian Smith .062.

Pee Wees
Lose 4-2

The Hagersville Legion Pee-Wees dropped a close 4-2 ball game to Simcoe. Roy Strohm worked the seven innings for Hagersville and claimed nine strikeouts, while allowing eight hits. Helka, on the hill for Simcoe, was just a little better in the clutch as he struck out 11 while allowing six hits. Helka also paced the Simcoe attack with two hits.

Kellner and Gaiger had two hits with Giebert and Roney having one each. Roy Strohm led the losers with three hits as Randy Strohm, Mike Liscombe and Brian Salvatore had one apiece. Simcoe over came an early two run deficit with single runs in the third and fourth. They wrapped the game up with a two run burst in the seventh for a well earned win.
