Hagersville Kinsmen Honored

Seven Hagersville Kinsmen and their wives attended the 46th Annual District Convention held in Kitchener, May 19 to 22, along with well over 1,000 other members of the association.

While the evenings were filled with fun and festivities, several important decisions were made during

the business sessions. Linda Lowe of Niagara Falls was elected Kinette Convener and Bruce Croser was chosen after a hard-fought campaign to succeed the current Governor, Wayne Boddy, of Woodstock.

Last fall, the clubs of District One had adopted as a three-year district project

Oneida UCW

The Oneida U.C.W. held its May meeting at the Church on May 16 when 16 ladies were in attendance. A sing-song opened the meeting, after which the worship service theme, "The Church in Your House," was portrayed by Mrs. Fred Smith, in which many thoughts regarding happy homes, attitudes of children, etc., are evident when Christianity is a family affair.

An article from the National Geographic regarding the wild life in Africa, was read by Mrs. Cecil Clark, and told how many of the African animals have become extinct, and many more are likely to become so, in the near future.

Stewardship conveners, Mrs. Bruce Clark, read several interesting facts concerning ways that cities and churches in Canada are working and striving to help the less fortunate. The members were asked to save used men's white shirts (the collars removed), to be made into hospital gowns, and sent to leper hospitals.

A decision was made to purchase some new chairs and tables for the Sunday School, and further business included the catering to two weddings and a banquet in October. The June meeting will be held at the home of Mrs. Bruce Clark on June 20.

Cheese, Bread Day Successful At Ohsweken

The largest crowd ever attended the traditional cheese and bread day at Ohsweken Six Nation's Cheese Day celebrations on Monday, May 22. A

colorful parade began the activities, from the Council House to the Community Centre, where the cheese and bread were served to the estimated 5,000.

Included also in the day's program were

Board of Session Service

Due to the absence of the minister, Rev. M. Rule who was attending the 48th Annual Meeting of the Hamilton Conference of The United Church at Waterloo University, the morning worship service at the Hagersville United Church was conducted by the Board of Session.

Those assisting in the call to worship, prayers, and scriptural passages were Ivan Fleming and Robert Gedey.

Mrs. William Mitchell, told the Children's story, and gave an interesting description of the Yellowstone Bears, how they wait at the roadside for the tourists to feed them. She explained our lives as young people are somewhat similar to the bear, if we sit, and wait, and do nothing, but God intends for each of us to be active, and not sit idle waiting for hand-outs from others.

In the thought for the day, John Van Loon told the congregation how it must have faith. He referred to a story

track and field events for children, and a softball game. Added attractions were a midway and displays of Indian Craft, with the evening entertainment climaxed with a gigantic display of fireworks.

Since the death of Queen Victoria, the bread and cheese have been paid for out of the band funds, with this year's food supplies costing a record \$1,000, a \$200 increase over the previous year.

Used during the ceremony were 1,000 pounds of cheese, and 800 loaves of bread.
