

Perfect Patio Platter

A molded salad, made with unflavored gelatine to allow the full flavor of fresh raw vegetables to come through, is a cool and colorful summer entree. When ready to serve, dip the mold in warm (not hot) water to the depth of the gelatine. Loosen the edge with the tip of a paring knife. Place a serving dish on top of the mold and turn upside down. Shake, holding the serving dish tightly to the mold.

Vegetable Patio Platter
 3 envelopes Knox Unflavored Gelatine
 2 1/2 cups cold water, divided
 1/2 cup sugar
 1 teaspoon salt
 1/2 cup vinegar
 2 tablespoons lemon juice
 1 cup mayonnaise
 1 1/2 cups finely shredded cabbage
 1 1/2 cups chopped celery
 1 cup grated carrot
 1/2 cup chopped green pepper
 2 pimientos, diced
 Sliced Swiss cheese
 Sliced liverwurst, bologna, ham and spiced ham

Sprinkle gelatine over 1 1/2 cups of the water in medium saucepan. Place over low heat; stir constantly until gelatine dissolves, 4 or 5 minutes. Remove from heat; stir in sugar and salt. Add remaining 1 cup water. Gradually stir vinegar and lemon juice into mayonnaise; blend into gelatine mixture. Chill, stirring occasionally, until slightly thickened. Stir in vegetables. Turn into a 6-cup mold; chill until firm. When ready to serve, unmold onto large serving platter. Fill the center with cherry tomatoes, and arrange salad greens, Swiss cheese slices and cold cuts around mold.
 YIELD: 6 servings.

Special Service At Baptist Church

Twenty-three years ago a group of Christians from Jarvis, Hagersville and Cayuga, united together to study God's Word; thus the start of Community Baptist Church.

Meetings were held in homes, Decewville hall, the United church building, Balmoral and the basement of the parsonage after it was erected in 1953-54. In 1958, land was purchased and a new church edifice erected and the first service held in the basement December 1958. By May 1959 the upstairs was completed and in December 1967 a mortgage burning ceremony was held.

In 1970 more land was purchased for the furtherance of God's work as He leads.

Pastors serving during these years are as follows: Rev. J. Adams, 1950-55; Rev. R. Tiffin, 1956-57; Rev. W. S. Walker, 1958-63; Rev. V. Clark, 1964-67; Rev. R. Wilkins, 1968-71; with the present pastor E.D. Baker coming in January 1972.

The week of May 14-17, Rev. Stan Walker

returned and ministered God's "unchanging Word to a changing world". During the week he spoke on Faith, as found in Hebrews 11, challenging Christians today to exercise the same faith as the men in the Old Testament and to "Seek ye first the kingdom of God and all these things shall be added unto you." We learned from Titus 2: 11-15 that: Grace brought -- Salvation taught -- Discipline; wrought -- Blessed Hope; sought -- Sanctification.

There is still much research to be done in discovering and dealing with the causes of Mental Retardation.

YELLOW-HEADED BLACKBIRD - This big blackbird prefers the deeper marshes and sloughs where thick stands of vegetation such as cattail are found. Here its substantial, deep, cup-shaped nest is built, securely woven into supporting reed stalks or willows and always over water. The male yellow-head is unmistakable with his bright yellow head. The female is smaller and largely dark brown, her cheeks and throat suffused with yellow. Yellow-heads are western birds, in Canada ranging from extreme western Ontario across the prairies and into interior British Columbia.

A modern power boatman's biggest concern should be safety. If you enjoy boating, remember that carelessness is your greatest enemy because carelessness can cost lives. This summer remember to obey simple rules of water safety. Never overcrowd your boat. Carry a government approved life-jacket for your passengers. Learn and observe "rules of the road", and stay alive with Red Cross water safety.

West Haldimand District Annual W.I.

CALEDONIA - On May 26, approximately 100 ladies were welcomed to the Caledonia Presbyterian church for the 23rd Annual Meeting of the W.I.

Pres. Mrs. William Lamb extended a welcome and opened the morning session. Greetings were offered by Rev. McMillan during a brief worship service.

As the prayer and inspiration for the day, the challenge put forth was to labour for things that are pure, build well for the future, and that there be peace on earth.

Mrs. A. Thompson presented the address of welcome, on behalf of the Caledonia branch, which was responded to by Mrs. R. Hare.

Mrs. William Mitchell conducted the certification of the district directors, emphasizing the need for directors to be at district annuals and exercise their position as voting delegates.

Mrs. Bassindale, Sec.-Treas., read the minutes of the last district annual. One item of business arising was a request for the Institutes to carry on the birthday parties at Grandview Lodge on the fourth Wednesday of each month. A letter from Grandview Lodge Auxiliary was read, requesting anyone to act as a volunteer for various activities and to attend the monthly meeting on the second Tuesday of each month.

Standing committee reports were presented by the district conveners. Miss B. Covell, home economist, spoke on the work of the 4 H clubs and stated there are 290 individuals in Haldimand County who have attended one or more of the three clubs, sponsored during the year. Knack of Sewing with Knits proved to be a popular senior course as 251 ladies participated.

Mrs. Lamb introduced the head table guests, and greetings were brought by Ken Best, from the ministry of Food and Agriculture; Mrs. O. Crone, ladies of Federation of Agriculture emphasizing the value of O.F.A. to the farmer; Miss Valerie Bradford, Dairy Princess, sent her regrets at not being able to attend due to her school schedule. Janice Fox sent greetings from O.P.A.; Mrs. T. Hunter from the H.P.A. and Mr. Gil-Dispie, mayor of Caledonia.

Mrs. M. Dredge expressed the courtesy to the hostess group and to the head table guests. The afternoon session opened with a sing song led by Mrs. A. Thompson assisted at the piano by Mrs. J. Albin.

Mrs. M. Ricker brought greetings from East Haldimand.

Mrs. William Mitchell, board director, gave an address, speaking briefly of the new Pres. Mrs. Noblett, the new hand-book, noting the changes, pointing out some of the highlights of the past year, especially the 75th Anniversary Luncheon in Toronto, and the district one in Hagersville. She emphasized the contribution to Pennies for Friendship and the book, W.I. Storybook. It was also noted that the total membership was down so that the aim of each branch should be to try to get a 20 per cent increase, possibly by having more interesting programs.

Mrs. Mitchell also reported on the Guelph Conference, which had as its theme Members see and officers forsee. The guest speaker at the banquet chose as his theme Modern Medical Dilemmas. Safety Council work was stressed and more Institutes should be interested in it. Ontario Scholarships are available for girls wishing to attend Guelph University, and whose mothers are W.I. members.

The Erland Lee Homestead is the main fund objective for the year. Mrs. Zoeller, reported on resolutions which had been submitted, such as, discrimination, driver education, snowmobile laws, and abortions.

Mrs. Mitchell concluded her report with a story about the Yellowstone Bears, who became too lazy to fend for food. As visitors fed them so well, they lost their native instinct and during the winters several died.

So like the bears W.I. members may lose their enthusiasm. All fourteen branches responded to the roll call, but as one has been disbanded, there will now be thirteen in the district for 1972-73.

A service for five members who had passed on during the year, was conducted by Mrs. Fred Forbes and Mrs. G. McClung. Mrs. L. Ford, explained the uses of pennies for friendship

and as each branch brought their donation, the group were well pleased with the splendid response, almost reaching the three figure point.

Miss Donna Sharpe, program co-ordinator for rural and urban youth, explained the exchange program for rural and urban 4-H'ers, between the ages of 12 and 15, and asked anyone interested to get in touch with her at the office.

Mrs. A. Harvey presented the nominations report and Miss B. Covell conducted the election of and installation of officers for 1972-73.

The Fall Conference is to be hosted by Sim's Locks branch on Sept. 18, 1972, and the Area Conventions Nov. 6 and 7 will be held in Niagara Falls.

A sum of money is to be donated to Grandview Lodge and Mrs.

Bassindale, Mrs. M. Dredge and Mrs. Winger, were named as a committee to investigate the best purpose to which this sum should be designated.

As a new suggestion, it was decided to draw names from a box and each branch plan an exchange visit with another.

Mrs. William Bray offered the courtesy of the afternoon.

Several presentations were made. The presentation of the gavel by Mrs. Lamb to Mrs. M. Dredge, incoming president, a presentation to Mrs. Bassindale, retiring Sec. by Mrs. Winger, a token of remembrance was given Mrs. Lamb and Mrs. Bassindale from the District, for their leadership during their term of office.

"COME IN AND LOOK AROUND"

Your eyes-your first line of Self-Defence.

The best protective equipment you can ever own is already yours—one pair of eyes. Just knowing what's going on around you helps you avoid job accidents. So it makes good sense to look after your eyes, with protective glasses if

the job calls for them, and regular check-ups if your eyesight's below par. Take care of your eyes, and they'll see you safely through the working day.

The sure way to safety is Self-Defence.
