kimer and Lorimer.

At the 14:55 mark Charlie Thomas was positioned in the right spot and tipped in a blast by Sowden who had just stepped back on the ice and into the play. With the score now knotted 2-2, both teams really began to feel the tension. Finally at 11:44 Cliff "Cheetah" Chrysler of the Hagersville crew, teamed up with Larry Simon and Bill Prince to give the lead once again to the Hawks. As the seconds ticked away it looked like one break would either seal it for the Hawks or give Smooth-town new life.

At 4:58 a very aggressive Larry Hill was penalized for holding but the Hawks were unable to capitalize. Again at 2:42 Charlie Thomas was caught for tripping and once more it looked as though the Bruins were "under the 8-ball".

The explosion that was to touch off fireworks and lead to the summoning of the police came at 18:05 of the contest.

Bruin Bill Squires was called for interference and all the frustrations and anger stored up, erupted in him. After body-checking official Barry Meehan, Squires then proceeded to take a few other shots at nearby Hawks. Finally he was given a game misconduct and skated off.

It may have ended there, but for some reason Squires came back on the ice and skated over to goal-tender George Perrett. In one sudden right hand Squires knocked the young Hawk goal-tender cold. It was the most senseless display of violence I have ever witnessed in organized hockey. Players streamed over the boards and the melee went on. It was mentioned to me that the same thing had occurred last year at about the same time.

When the nonsense was over, both teams went to the dressing room and the officials tried to put things back together as best they could. Bill Squires and Larry Hill were given match misconducts and suspended from further action this year, at least. Woody Porter, Joe Hill, Ralph Sowden, Alan White, Seymour Johnson and Welby White received two game suspensions.

The officials decided that the game must be played so they allowed five players plus the goalie to take the ice and then ruled that the teams were to begin with three aside for the remainder of the contest. As fate would have it, the Bruins tied the game

at the 19:00 minute mark, when Steve Smith scored; then nine seconds later Steve again fired a puck past the still woozy and weakened George Perrett.

The final buzzer sounded and many fans and players left the arena with troubled minds and emotions.

On The Farm Front

CAYUGA - The Haldimand Holstein Club annual bus trip will be held on Monday, March 20. The tour this year is to the farms of Joe Loewith & Sons, Cope-town, Schleissners Dunlea Farms, Jerseyville, Agro Acres at Waterdown and Doug Wingrove, Campbellville.

The Holstein Club's Committee wishes to have word from interested Haldimand breeders by Thursday, March 16.

The 4-H Organizational Meeting of the Haldimand Agricultural Clubs will be held on Tuesday, March 21 at the Haldimand Agricultural Centre, Kohler, beginning at 7 p.m. The first part of the program will be the serving of pancakes and maple syrup. After this it is hoped that the following clubs will be organized: Dairy Clubs, Beef Club, Swine Club, Sheep Club, Tractor Club, Horse Club, and a Conservation Club. Every four years or so Ontario Hydro sponsors an Electric Club in a particular county. This year Haldimand is planning to have an Electric Club as well.

If you are within the ages 12 to 20 and interested in any of these areas and wish to meet people with similar interests, come out to this meeting. Pass the word around to your friends and neighbors and bring them to the Organizational Meeting. Farmers can prove their market index up to 50 per cent, says Paul Simmons, Swine Specialist. Divide the pigs into lots of barrows and gilts and full feed until they reach approximately 120 pounds. Continue full feeding in the gilt pens until market weight.

With the barrows, restrict feed to about four pounds, progressively increasing to a maximum of five pounds per pig daily. The feed restriction slows down the barrows so that both sexes reach market weight at the same time.

William A. Stewart, Minister of the Ontario Department of Agriculture and Food has announced that the Ontario Food Council is sponsoring three members of the Ontario White Bean Producers' Marketing Board on a mission to Western Europe. The mission leaves Ontario on March 3 to contact buyers and members of the trade in the United Kingdom, West Germany, Belgium, the Netherlands, Norway, Sweden and France. Since 1963, production of white beans in Ontario has grown from 91 million pounds to an estimated record 150 million pounds in 1971. Exports as a percentage of production have grown from 29 per cent to almost 60 per cent in 1971.

One man was charged with assault causing bodily harm as a result of an attack on his wife who was admitted to the Hagersville Hospital.

Three males, one female were charged with impaired driving. One youth charged with having liquor in vehicle.

Five motor vehicle collisions were investigated resulting in injuries to two persons

Hagersville Police Report

The members of the Hagersville Police Department, during February, investigated six motor vehicle collisions, laid 12 charges under the Highway Traffic Act, issued 13 parking tags and served six summonses for other police departments.

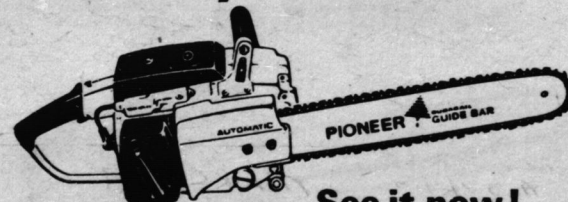

There were two charges laid under the Criminal Code of Canada, both involving theft. Two investigations were carried out for other departments and one person was arrested on warrant for other departments.

This department investigated 82 general occurrences, found nine business premises insecure and had one shop-breaking occurrence with no loss. The members travelled a total of 2,523 miles, patrolling in departmental cruiser.

Council has approved the leasing of a new police cruiser. Const. S. A. Mowatt will graduate from the Ontario Police College at Aylmer, in March 72, where he has been taking a 10 week general training course.

Message To Motorists: This department has noticed a flagrant violation of Section 61 (1) of the Highway Traffic Act which reads: every commercial vehicle shall have attached to or painted on both sides of the vehicle in a clearly visible position a sign showing the name of the owner; penalty: \$23.

Cancer Campaign Preparations Being Made

Plans and preparations are being made by Campaign Chairman, Edna Esselment, for the month-of-April cancer drive for the Canadian Cancer Society. This is

an annual appeal, door-to-door, for funds to assist in fighting this well-known disease.

It is necessary to have a separate appeal from the joint com-

munity efforts, since the financial needs for research, education, and service to patients, are increasing far more rapidly than are the average continuing

needs of the community, and therefore require a very special effort.

Letters are being sent to the various organizations for their

consideration, and hopefully, their contributions towards the campaign in April. Sincere appreciation is given the Canadian Legion, Branch 164, and Aux-

iliary for their generous, and early donation, also to those who have phoned to assist with the canvassing, with more being definitely needed to cover the large area. Service Beeneure

Highlights

Music Night A Success

A large crowd of music lovers attended one of the regular Music Night Services at the Baptist Church, Main St. N., Hagersville on Sunday March 12, at 7.30 p.m. Pre-

lude organ selections by church organist Paul Simington, were very much enjoyed, as was the entire musical program, which consisted of vocal solo numbers by Mrs. Leota Winger duet selections by Karen Esselment and Brenda McKellar, piano selections by Todd Hewitt, the vocal duet, Linda Stasiuk and her father Peter.

The Jubilee Trio from Jarvis, with guitar, favored with various vocal arrangements, the Ladies Trio from Caledonia sang several favorites, choir leader, Mrs. Lynn Elder, a piano selection,

and vocal solo number. Prior to the Church choir closing anthems, Mrs. Marlene Touesnard sang, It Is No Secret.

Minister of the Church, Rev. A. England extended and invitation for all to join in the lunch served in the Sunday School room following the service.

What could have been serious injury to one of the girls' who sang, was avoided. A car travelling on Victoria St., driven by Dorothy King, apparently lost control, and rammed into the parked car of Mr. and Mrs. A. C. Smith who were also attending the musical service. As a result Brenda McKellar, a pedestrian, was hit by the car, and knocked down. Damage was done to both cars. Police investigated the accident, which occurred at approximately 10 p.m.

Oneida UCW

There were 14 ladies in attendance at the home of Mrs. James Hunter for the February meeting of the Oneida United Church Women. Mrs. Cecil Clark presided over the business

portion of the meeting, and an announcement was made that five quilts had been completed. Everyone answered the roll call by using "world" as the theme word, and all joined in singing the hymn, This is my Father's World.

Barn Burns

A very quiet week for the firemen, stated Fire Chief William McClarty, with only one call being received. The call was received at 8 a.m. on Sunday March 12, where complete loss resulted to a two storey chicken barn, owned by Bray Chicks, which was empty at the time of the mishap. This was the former Swayze Turkey Farm property, at R.R. 2 Hagersville, corner of the Gill Road, and the Indian Line.

Facts on Africa were read and portrayed by Mrs. Frank Peart, while Mrs. Herbert Roberts read Did you Know, as taken from the Study Book on Africa.

Mrs. Roberts then sang I Want To Teach The World to Sing accompanying herself at the piano. The story of a truly great man Sid Gilchrist was read by Mrs. Alvin Peart, followed by all singing The World, One Neighbourhood. Mrs. John Fleming read the scripture passage, and with the assistance of pictures and a scrap book, brought African

life in general, a little closer to those present. Mrs. Earl Murray will be hostess for the meeting on March 21, at 1.30 p.m.

Many Attend Ice Capades

Many local Hagersville residents and surrounding area friends, attended the Ice Capades at Kitchener Memorial Arena on Saturday evening, for the 8 p.m. performance. Three chartered buses supplied by Heaslip Motors, with two being arranged by the Hagersville Triple F Group, and the other by Laidlaws made the trip. All buses were filled, and all spectators returned full of enthusiasm after witnessing, one of the greatest shows on ice.
