Ball Meeting Attendance Poor

With the ball season being only two weeks away only six persons showed up at the minor ball meeting. Two teams came up with coaches but two others were left with no one to look after them. If some boys have no place to play this year maybe some of the parents will take a little more interest. Nat Salvatore will coach the Bantam team with practices being held every Wednesday night until the season starts. Every boy of Bantam age is welcome to come out and try for this team. The Tykes will be working out next Wednesday night at the Hagersville Secondary School grounds at 6.15 p.m. Any boy who was 11 or younger after Jan. 1, 1972 is invited to this practice. The Hagersville Juveniles are holding regular workouts in preparation for their opening game this weekend when they travel to Walsingham for a Sunday afternoon game. Thursday May 25 will see the first game of the year at home when Langton comes to town to play the Intermediates. The Jarvis Cheviots still have problems getting workouts in as the weather won't cooperate. There first game will be Saturday May 27 in Waterford.

Makara Wins 'Story Book' Finish At Speedway

CAYUGA - Jerry Makara of Westland Michigan drove a story book race Friday at Cayuga Speedway before a near capacity crowd when he passed Andy Brown with seven laps remaining in the feature 25 lap Pepsi Cola Championship race. Both Brown and Makara driving Chevies lead a field of 25 cars at an average speed of 102 miles per hour. Brown charged into the lead on the second tour after starting sixth, Makara closed the gap when Howie Scannell spewed oil over turn one and caused the race to be stopped for a restart. Brown and Makara, running inches apart at speeds of more than 130 on the back straight of this 3/8 mile paved oval, held the fans in suspense until the checked flag. Brown was passed when Makara edged into the inside forcing the NHL Detroit net minder to the outside high on the turn. Finishing third and fourth respectively and making it a clean sweep for Chevies was Harold Brown of Brantford, and Brian Snetterington of Wheatly, Ont. In fifth driving a Camaro was Billy Rafter who earlier spun when Scannell dumped oil on lap four. The Pepsi Championship standings show Makara with 57 points, Bill Rafter second with 54 points, Harold Brown with 53 and Brian Snetterington with 47 and in fifth spot is Hockey Star Andy Brown with 45 points.

Pee Wees At Ancaster

On Saturday the Pee-Wees travelled to Ancaster and took part in two games. The one being a makeup game after an error in scheduling. The first game ended with the Hawks winning 4-0. Dwight McLeod shared the goal tending chores with Troy Robbins and another boy could be faulted on any of the goals. The North Stars were without one of their centers as Rick Anderson is out with injuries.

Playing their second game in the same day proved to much for the Hagersville North Stars as they went down to a 7-1 defeat. Trailing only 2-1 after the first period the boys ran out of gas as the Blues rapped in five unanswered goals over the last two periods. Mike and Pat Neilligan turned in a fine effort on defence with Tim Saunders being the best up front. Tim scored the lone goal for the home team.
