

## Hurricanes Week Away From No Loss Season

The Hagersville Hurricanes are one game away from an undefeated season and the Zone '11' championship. Last week they looked very impressive as they shut out Smithville 50-0 in their last regular season game. Last week we thought the boys might let down with a nothing game at stake but I guess big Tom Styres taught the boys well as they really turned it on. Danny Donato and Danny Forbes along with Jim Williamson scored two touchdowns apiece to lead the Hurricanes in the one sided win. Anthony Yacobino had a touchdown plus a single. Kirk Brown kicked five singles and scored a safety touch for the Hurricanes 50 points. With Brown leading the defence the team scored its fourth shut-out of the season. On Friday the Hurricanes travelled to Cayuga to play the first game of their two game total point series for the Zone 2 championship. It was a great come from behind win for the

Hagersville team. The Hurricanes scored two last period majors to take a two touchdown lead into the last game this Friday against the tough Cayuga Warriors.

Cayuga jumped into an early lead when Gary Anderson blocked a punt and fell on the ball in the end zone for a six point lead. Hagersville came back on a Forbes to Townsend pass that covered 27 yards to tie the game at 6-6. Warriors' quarterback Joe Timson fired a pass to Fred Anderson for the lead again, only to have

## Flyers Open Season

The Hagersville Flyers won one and lost one in their first two games of the season this past weekend. The Flyers travelled to Norwich on Friday to take on the Merchants and lost a close 6-5 game in overtime. The Flyers lost little time getting on the scoreboard as John Kincaid scored with just 5-1 seconds gone in the game. Kincaid was put in the clear by Jim Nagel. Jim Chalkey tied it up a minute later on a pass from Rick Buck.

Kincaid made it 2-1 again being set up by Nagel. Glen Hewson gave Hagersville a 3-1 lead before the period ended with Roger Spies and Terry Fryett getting assists.

The Merchants went to work in the second period and fired three goals by rookie Steve Petracca. Sprague, Buck, and Palmer were the marksmen for Norwich. Hewson fired his second of the night to make the score 4-4 after two periods with Fryett and Ross McKean earning assists. Both teams traded third period goals. Alexander scored for Norwich and Kincaid getting the hat trick for Hagersville. Hewson and Spies got assists on the tying goal with seven minutes left in regulation time. Neil Palmer fired the winner after only one minute gone in the overtime to make the score 6-5.

Playing in front of their home town fans for the first time this season the Flyers turned the tables and picked up a 6-5 win over Norwich on Sunday night. Sunday seems to be the right night as over 400 fans turned out to see the team in action. They were not disappointed as Glen Hewson became the second player on the team to score three goals. Hewson's hat trick was the real thing as he scored the last three goals for the Flyers. Terry Fryett skated miles in this game killing pen-

alties and still found time to score a goal and pick up three assists. Anthony Yacobino playing his first game of Junior didn't look out of place and scored a goal plus two assists. Bill Nagel scored the other goal with Hewson and Mark Steel drawing assists. Palmer was the only player to give Kirk Brown troubles as he fired home three goals. Two of these came in the last three minutes when it looked like the boys were going to blow it. Hutchison and Nickerson got the other goals for Norwich.

The visitors out shot the home team 56-48 to prove how well Brown played in net for the Flyers. Twice while Hagersville was a man short Hewson scored goals to give the boys a real lift. With Yacobino back on the line with Hewson it gives Hagersville two-thirds of the big line that played together as midgets. The third member of the line Jim Vanni is making it playing Junior 'A' for Chatham. Coach Ken Morrison is still juggling lines hoping for the right combinations.

The Flyers play this Thursday night at home against Delhi at 8 p.m. than again on Sunday at 7:30 with Ancaster providing the opposition. Lets keep the arena filled all winter as it was Sunday, it sure helps the boys play better hockey.

The All Star minor teams have been having try-outs all week in preparation for their first home games on Monday night. Waterford will be in town for a full slate of games starting at 8 p.m. Would all parents look in their closets and store rooms for sweaters that belong to various teams. These sweaters are donated to the teams and are not the property of the players. It is hoped they will all be returned to the arena so other boys might have the use of them.

## Baptist

Continued From Page 1  
convictions that the five year abolition of the death penalty "has failed to give evidence that capital punishment no longer serves as a deterrent to persons contemplating homicides and other acts of violence."

On abortion, excluding cases where medical indications are clearly defined, the convention resolved to pledge itself to "stamp out and to prevent this heartless and sinful slaughter of the innocents."

The convention felt that "life is sacred and not to be sacrificed through unjustified abortions, on the altars of convenience, emotion and family economies."

The final resolution stated that gambling has been recognized by governments

as a practice which undermines the moral strength of the participants and tends to involve the poor of society. With this in mind, it was resolved that the convention protest against "all use of the lottery by private organizations and especially the governments (of Canada) in that it is detrimental to our citizens."

Wreaths were laid by Reg Leatherdale for the Province of Ontario and by Bruce Miller, president of the Jarvis Lions Club on behalf of the club. Rick Skinner, a Grade 13 graduate, ren-

## Intermediates

## Continue Workouts

The Hagersville Intermediates are continuing workouts getting ready for their home opener on Tuesday Nov. 21 with game time 7:45. St. George will be the first team in town and this should be a crowd pleasing hockey.

## Corvairs Skate To 3-2 Win Over Woodstock

The Caledonia Jr. C Corvairs skated to their second win of the season against no losses with a 3-2 decision over the Woodstock Navy Vets before 700 fans last Sunday in the Caledonia arena.

Joe Timson, Daryl Martin and Rich Anderson were the goal-scorers for Caledonia. Only some sparkling work in the Woodstock nets by Glen Chalkley

prevented the score from going higher in Caledonia's favour.

Corvairs out shot Woodstock 35-22 on the night.

The Corvairs next home game is Friday, Nov. 10 against the Kitchener Rangers in Caledonia Arena. Caledonia came away with a 7-4 win and a 2-2 tie against Kitchener in pre-season exhibition play. Game time on Friday is 8 p.m.

to Hamilton, Burlington Oakville and on to Toronto.

The proposed corridor swung north from Middleport to Acton, Kleinburg and over to Pickering.

## Study

Continued From Page 1  
whether they will be released even in time for the municipal elections.

"This is making it very hard for municipal councillors I'm sure," said Mr. Grove. "Right now it is not known whether they will be released office for a year or for a full two year term."

"We have expressed the desirability of releasing the documents as soon as possible and Mr. Allan (James A. Allan, Haldimand-Norfolk MPP) has also been expressing this view. However, it is up to the minister and the cabinet."

Mr. Grove said it was quite likely both documents would be released at the same time.

"They are linked together," he said. A new town is apparently proposed in the land use study and this will have a bearing on the political structure, the subjects of the other study, he said.

"One way or another, I would anticipate a busy year next year," he said.

## Hydro Hike

Continued From Page 1  
to municipal commissions was made on July 1. But no increase was made to the large industrial customers, whose contracts run from Jan. 1 to Dec. 31, or to rural customers," he said.

Mr. Gathercole said that after a "long period of rate stability, spiralling inflation has begun to effect electric costs and rates. Interest rates on borrowed capital, wages and salaries and the price of property, supplies and materials have been rising faster than savings resulting from rising consumption per customer and other economy measures."

Hydro is also faced with rising demand for power, thus being forced to build more thermal generating plants, he said. "Here Hydro is faced not only with rising fuel prices, but also costly anti-pollution measures."

## Hagersville Library News

We are happy to announce the continuation of the weekly Story Hours for 3 to 5 year olds. Mrs. Donna Christianson will be at the Library every Wednesday from 10 a.m. to 11 a.m. for an hour of stories and games, beginning on Wednesday, Nov. 18, 1972.

It is hoped that in the not too distant future, we will be able to plan some sort of a similar hour on Saturday mornings for an older age group, perhaps 6 to 10 year olds. If anyone is interested in helping with this project, please let it be known to Miss Roulston, Librarian.
