Paris Wins Novice, Pee Wee, Bantam

The Hagersville All-Stars travelled to Paris Friday night and got a lesson in how to play hockey. The Mid-gets were the only team to escape with a tie as Paris won the Novice, Pee-Wee, and Bantam games.

NOVICE 1 PARIS 5
Jim Oliver was behind the bench for the first time with the Novice and after just two work-outs the boys dropped a 5-1 decision. David Slote and Chris Martin shared the goal tending chores for Hagersville and did quite well for their first effort. Eugene Sawyer scored the lone goal for Hagersville to prevent the shutout.

PARIS 10 PEE-WEES 1
The Hagersville Pee-Wees ran into a red hot team from Paris and came out on the short end of a 10-1 score. Bryan Webber scored the only goal for Hag-

Delhi Beat Flyers 5-2

The Hagersville Flyers went dead against the smooth skating Delhi Juniors and dropped a 5-2 decision last Thursday at home. Delhi hung in three goals before the period was 12 minutes old to take a 3-0 lead. Ted Dertinger, Paul Dertinger and Brad Drinkwater fired pucks past Hagersville goalie Kirk Brown.

Drinkwater's goal proved to be the winner as Delhi coasted through the last two periods. Steve Petracca took over for the Flyers in the second period and was beaten by David Keleher for the lone goal of the period.

Mark Steele finally got the home team going at the five minute mark of the third period. Ross McKeen and Roger Spies drew assists on the play. Three minutes later Delhi made it 4-1 as Ted Dertinger got his second of the night.

Glen Hewson got the final goal of the game after taking passes from Terry Fryett and Tony Jacobino. Ted Vandendriesche played great goal for the visitors and made several key saves early in the game when a goal might have given the boys a lift.

Referee Rick Kowalski called a steady game handing out 22

Flyers Drop Game To Ancaster 3-2

The Flyers dropped a close 3-2 game to the Ancaster Shamrocks on Sunday night.

Playing in front of a large home town crowd the Hagersville team put on a real crowd pleasing game only to come out on the short end of the score. For once this is a game the boys should have won as they completely outplayed the visiting Shamrocks.

In the third period alone they cut shot the Ancaster team by a 21-4

Intermediates Open Nov. 21

The Hagersville Intermediates will open their season on Tuesday Nov. 21 at 7:45 p.m. in Hagersville against the team from St. George. The team will be called the Merchants as many of the local merchants in Jarvis and Hagersville are helping out financially.

Manager Larry Atkinson is hoping to ice a strong team but many of the boys are trying out for various teams in the area.

As soon as all contributions are in we will publish a complete list as well as some of the players. This should be good fast hockey and we just hope we are not in over our heads.

margin. Ross McKeen, Glen Hewson and John Kincaid all hit posts. The game was only eight minutes old when Ray Miller was caught holding and went to the penalty box. It took Ancaster only 50 seconds to go ahead 1-0.

Mike Hoar picked up a pass from Brent Bond and tucked it behind Kirk Brown. Roger Spies got that one back for the home team when he was set up by Kincaid and Mark Steele.

Shortly after this goal, Steele was helped off the ice with an ankle injury and missed the last two periods.

The loss of Steele either upset Ken Morrison's lines or he decided to do some juggling. Most of the lines were mixed up and only in the last of the third period and the overtime did the Flyers show any real teamwork.

Brian Zimmerman gave the visitors a 2-1 lead after two periods when two defencemen failed to clear the puck out of their end. Hagersville got the tying goal when Bill Nagel returned to the ice after a penalty and picked up a pass from Kincaid and Hewson to send the game into overtime.

Mike Radigan, the Ancaster goalie, made some unbelievable stops in the first few minutes of the overtime and held his team in the game until they finally got a break and scored the winning goal with just 48 seconds left on the clock.

The game was 15 minutes late in starting when one of the officials was late for the game. Referee Rick Kowalski summoned Paul Kett out of the crowd to work the first period.

Kowalski handed out 11 penalties with the winners picking up eight. The next action for the Flyers will be Sunday at home when they host the Waterford team at 7:30 p.m.

Juveniles Battle Cayuga

In the first game of the season for the local juveniles they battled to a scoreless tie against Cayuga on Sunday afternoon at home. Referees Paul Kett and Bryan Smith had their hands full as the teams felt more like playing football than hockey.

The penalty box was kept full for most of the game with Dean Webb and Richard Everett being the only ones to pull down majors. A total of 27 penalties were called in a very rough game.

Robbie Stewart playing his first game in goal picked up the shutout and this boy could well be a sleeper in the minor hockey program. Glen Stallwood was in the net for the visitors and earned the shutout for Cayuga.

Dean Webb had the best chance to score when he hit the post with just 30 seconds left in the game.

Museum Board Meets

On Wednesday evening the members of the Haldimand County Museum Board met at the home of Mr. and Mrs. John Duffy at Erie. Mr. Duffy is on the Board. James Dickout is the newly elected curator of the Cayuga Museum and log cabin. Mrs. Irene Howland is assistant curator. Mrs. Alice Last, secretary. Mrs. Edwin Parsons, Chairman. Rev. and Mrs. Earl Sider, curators of the Wilson MacDonald Museum. Edwin Parsons and Mrs. Duffy joined the meeting as guests.

Regular business consisted of discussion relative to the new Historical Museum which is almost completed on the Court House grounds adjacent to the Log Cabin.

Mr. Duffy gave a brief review of the Fleming Homestead, the especially fine old brick mansion they now occupy. He referred briefly to Sir Sanford Fleming who had spent a short time in the area with his uncle.

A tour of the home was conducted.

Cheapside UCW

The U.C.W. of Cheap-side United Church met at the manse on Thursday evening Nov. 9 for their regular monthly meeting with Mrs. Arvil Nie presiding, opening the meeting with the verse Who so ever findeth me findeth Life.

Two of the hymns from the new hymnbook Joyful, Joyful We Adore Thee and Jesus is the Man were sung with Mrs. George Abbott presiding at the piano, followed by a prayer of reconciliation by Mrs. Nie with the theme salvation.

The roll call, a verse telling what God expects of us, was answered by 12 ladies.

Mrs. Nie read an article on Remembrance Day. One minute of silence was also observed. Mrs. Melvin Bartlett read the minutes, thank

you notes and correspondence, a number of business items were discussed.

There is to be a Christmas gift exchange at the December meeting with the gift not to exceed one dollar and to be wrapped, giver's name inside and long string attached. Mrs. Abbott presented the slate of officers for 1973.

Mrs. Melvin Bartlett was in charge of the worship service using the verse A New Commandment, I give you love one another as I have loved you, and hymn 498 More Love O Christ to Thee and prayer. She chose Math. 5:43-48 as the Scripture verses for her meditation.

The offering was received and dedicated. Hymn 488 Come Let us

Sing of a Wonderful Love, verses 1, 2, 4, was sung and prayer closed the worship service.

Mrs. Harold Marshall

took the opportunity to thank the ladies for baking and helping while she was a patient in hospital before she gave a very fine talk on Stewardship, stressing how people helping one another makes life so much happier. The meeting closed by singing the hymn What a Friend we have in Jesus and prayer.

Why we're asking \$3750* for a Volkswagen.

That's a Volkswagen?
That's a Volkswagen.

The 1973 Volkswagen 412. Our luxury family sedan. With more room and comfort and power and—yes, more doors (four) than our little Beetle.

But more built, our new VW 412 is one of the most sophisticated motor cars in its class, ever built.

Because it's the only car in the world built with all these features as standard equipment:

Starting with a fuel-injected engine, the 412 quickly stands apart from nearly every other car.

For, only a few prestigious European cars have electronic fuel injection.

Which is an ingenious system that measures precisely the amount of fuel the engine needs at all times.

And not even Europe's thoroughbreds have the 412's timed preheating system.

Just turn a knob on the dash and the 412's interior is warmed up for you in winter. (Without you running the engine.)

Equally astonishing is the way the 412 rides. With the quickness of a sports car. And the smoothness of a big car. You see, each wheel is independently suspended, with progressive action coil springs and telescoping shock absorbers.

And the rear suspension features something usually found only in very expensive sports cars: a trailing wishbone double-jointed rear axle.

Instead of ordinary bias ply tires, the 412 rides on steel-belted radial tires.

Instead of ordinary bucket seats, you'll ride on reclining, form fitting bucket seats.

Instead of ordinary undercoating, the Volkswagen 412 has factory-bonded PVC undercoating.

Of course, if you really want to see how beautifully the 412 rides, drive the 412.

You'll find the magnesium alloy engine responsive. And economical. The front-disc brakes very sure.

But one of the best recommendations for the 412 is that it is a Volkswagen.

Which means it's built with all the quality and all the precision of a Volkswagen.

And covered by the longest warranty this side of a Rolls Royce: 24 months/24,000 miles.**

So you see, when we ask more money for a Volkswagen, it's for a good reason:

We give you more Volkswagen for the money.

The Volkswagen 412

*Maximum suggested retail price F.O.B. East and West P.O.E. Provincial taxes and shipping charges extra. **All of the terms of this warranty are clearly defined in the owner's manual and will be explained by any authorized Volkswagen dealer in Canada.
