

Tasty imported Holland cheese dip is the surprise filling for this Santa Bowl centerpiece.

Festive Holland Santa

An imported Holland Edam ball and a few marshmallows are the basic ingredients for this eye-catching Santa Bowl. Use as a centerpiece for your party table, accompanied by crackers and fresh vegetable sticks.

1 imported Holland Edam cheese (1 lb. 14 oz. size)
1/2 cup chutney
1/2 cup mayonnaise
1/4 teaspoon curry powder

Cut a two or three inch diameter slice from top of Edam ball; do not remove wax coating from slice or ball. Scoop out cheese from ball, leaving 1/4 inch all around to form shell. Put the scooped out cheese through a food chopper, using fine blade. Gradually blend cheese, mayonnaise and remaining ingredients in a mixer at medium speed. (Or place cheese and mayonnaise in blender at high speed until

smooth, then gradually add remaining ingredients.) Mixture should be smooth and spreadable. Stuff the mixture into the shell and cover with top.

Form eyes and eyebrows from slices of marshmallow. The sticky side of the marshmallow will adhere easily to the wax coating. Use a fat candied red cherry for the nose and slices of candied green cherries for the centres of the eyes. The beard is cotton batting stuck to the wax by poking the top edge with a pointed pick. Outline sliced off portion with cotton and place marshmallow in the centre to form the tassel of Santa's cap. Keep in refrigerator until one hour before serving. Place Santa on a pedestal. Surround with crisp crackers and fresh vegetable sticks.

FOR CHIP DIP: Use more mayonnaise to make softer mixture.

Explorers Meet

Due to much sickness, the weekly attendance of the Hagersville Explorer Girls was down to only 15. Leader Mrs. Rule called the girls to order following some lively games in the Christian Education Wing of the Hagersville United Church, on Wednesday Nov. 22.

President Cindy Atkinson presided over the business section of the meeting, while Karen Rule and Susan Willard were responsible for the worship service, reading the Scripture and closing prayer.

Treasurer, Karen Esselment received the offering and presented the total \$1.30 to the President for banking.

Films were shown during the afternoon program, both of them dealing with learning to share, selfishness and families getting along together. Much discussion took place,

during a question and answer period following the films.

Roll call for the meeting was answered with each Explorer explaining their favourite subject at school.

Next week's roll call will be answered by telling something that was learned from the films that were shown to the girls.

Tuberculosis is down but not out. In 1945, there were 5,559 TB deaths in Canada. Twenty-five years later in 1970, the death toll was 527, and last year there were 3,943 new active cases, according to the Norfolk-Haldimand TB and RD Association, the Christmas Seal people.

On The Farm Front

CAYUGA - Haldimand Pork Producers' Association reminds county producers of the special boar bonus of 1972. A bonus of \$50. is to be paid by the Association to each of the six Haldimand Pork Producers who have purchased the top indexing boars during the year. Minimum index to be considered is 115. Applications with proof of purchase and index may be made to the secretary, Elgin Lattimer, Box 1108, Caledonia or at the agriculture office, Cayuga.

Preparations are now being made for a night school course to be presented on Tuesday evenings beginning Jan. 9, 1973, on the subject Farm Machinery Management. A detailed announcement will be mailed to Haldimand farmers soon.

Also to be held is a series of meetings on Estate Planning and Tax Management for Farmers. Tentative date is Jan. 12, 1973. Details will be forwarded along with the night school announcement.

Beef producers now have available a Carcass Appraisal Service. The service provides producers with individual carcass information including weight, grade, area of rib eye and fat measurement.

Information on the necessary tags and procedure can be obtained from Livestock Yards or from the Canada Department of Agriculture, 160 Springhurst Avenue, Toronto 165.

An article in the Nov. 16 issue of the Western Ontario Farmer advises farmers to "speak up". As the number of farmers is

reduced it is more important for those remaining to be heard.

Another most successful Corn Night is now history. Winner of the High Yield Corn Competition for 1972 with 139 bushels per acre was Wilfred Dick-out, Dunnville. High standing in the weed control section was awarded to Otto Crone, Hagersville.

The Novice award to the first time competitor went to Frank Buigrok, Canboro. Highest standing in 4-H section went to Wayne Burgess, Hagersville. Dunnville Chamber of Commerce was a most excellent host. Speaker of the evening, Dr. Donald J. Blackburn, University of Guelph, held the attention of all in attendance with his presentation on Rural Youth - Aspirations and Attainment. Chairman for the evening was Maurice Yager, Selkirk, from the Haldimand Soil and Crop Improvement Association. Harry Wilson, Dunnville Chamber of Commerce, represented the host organization.

On The Green

by Ruth Hagan

The Hagersville Lawn Bowling Club held its second winter meeting on Nov. 25 at the home of Mr. and Mrs. John Bush with 22 members present.

We played Hoss and the winners were: Ladies high went to Agnes Laidlaw and the low went to Alvia Almas. Mens high went to Russell Miller and the low went to Clint Strome.

Our next get together will be the last Saturday in January. This meeting will be held at the home of Mr. and Mrs. Fred Keifer in Cayuga.

250 At SCBA Banquet In Langton Saturday

The Southern Counties Baseball Association held its windup banquet in Langton on Saturday night with 250 people in attendance.

This is the first time in several years that a banquet has been held to wind up the season. With the success of this event it will probably be an annual affair.

Langton Lions Junior team were the hosts for this dinner and should be commended for the very enjoyable evening. Head table guests included M.P. William Knowles, Sec.-Treas. of the S.C.B.A. Eddy O'Donnell, who introduced the guest speaker of the evening Spud Chandler. Spud has been the president of Southern Counties for three years and gave a very informative talk on the year's performance.

The one statement that carried the most impact was the fact that this was the first year the S.C.B.A. had not won an Ontario championship in any category. This came as quite a shock for as little as five years ago Southern counties

was known as the home of champions.

Trophies were handed out after the dinner with Simcoe Pros receiving the Simcoe Reformer Trophy for being the League winners for the eighth time in 12 years. Langton Juniors won the Stelco Trophy for winning the playoffs, the first time a Junior team has done this.

John Tatarka won the most valuable player award. John was a fair pitcher, hit .485 for the year and led the league in home runs with seven.

John Leask was chosen the top manager of the year with his coach Don Ward being top coach. The All Star team was also chosen with the following players being picked. Pitchers: Jim Brudner and Bob Peden; catchers, Bruce Leighfield and Doug MacDonald; first base, Murray Harvey, second base, Rick Desjardis; third base, Wade Underhill; shortstop, Bob Hodges; outfielders, Roby Johnson, Jim Gallagher, Larry Boughtner and John Tatarka.

Corvairs Take Second Place, Down Simcoe

The Caledonia Corvairs took over sole possession of second place on the weekend by capturing three out of a possible four points in two games against the Simcoe Jets.

On Friday night, the Corvairs built up a 3-0 lead only to see it dwindle and finally disappear because of sloppy defensive play and settled for a 3-3 tie with the Jets. The game was played before 700 fans in Caledonia.

Sunday's night's contest in Simcoe before 800 fans saw the Corvairs score two unanswered third period goals for a 3-2 win over Simcoe. The victory gives the Corvairs a season record of 5 - wins, 1 - tie, and 1 - loss, and two more points than third place Simcoe.

The Corvairs next game is against the first place New Hamburg Hahn's on Friday, Dec. 1 in New Hamburg. Caledonia's next home game is on Wednesday, Dec. 6 against New Hamburg. Game time in Caledonia is 8:15 p.m.

Flyers Win Third Game, Down St. George

The Hagersville Flyers won their third straight game on Sunday night by squeezing past St. George by a score of 7-6. This was a fast, well played game that had the crowd off their hands urging the boys on.

This type of noisy crowd is good for the boys and makes them put out just a little harder. Glen Hewson, who was chosen for the first star of the game, fired home three goals for Hagersville with two of them coming in the first period.

Terry Fryett set up both goals just two minutes apart. Fryett was to pick up four assists before the night was over.

Jim Lamb, Bill Nagel and Bill Winkworth scored second period goals with Ross McKee, Steve Otterman and Fryett getting assists. St. George kept pecking away to stay within two goals as Tom Pate scored three goals for the visitors.

Tom Taylor and Ken Brown pulled the Lions even for a short time in the second period only to have Hewson and Fryett combine for the third time in the game to give the Flyers the lead.

With only two minutes gone in the third period, St. George pulled even with the Flyers on a goal by Logan Folseter.

This set the stage for John Kincaid to be the hero of the night as he scored the winner with 10 minutes left in the third period. Some good sound checking kept the visitors off the score sheet with Kirk Brown making the saves when he had to.

A pushing match at the end of the game could prove costly for Hagersville as Fryett will have to set out the next game for his part in the fracas.

The next home action for the Flyers will be

Library Guild

The Hagersville Library Guild will hold a general meeting at the library at 8 p.m. on Thursday, Dec. 7, for the purpose of electing a new slate of officers for the next year. Since this is an important meeting, we would like to have a good turnout.

Discussions will also be held at this meeting regarding new projects which the guild might take on in the coming months. Do you have any suggestions? We would like very much to hear them.

VOTE FIELD

FOR

COUNCILLOR
IN THE WALPOLE TOWNSHIP ELECTION

MONDAY DEC. 4

I feel my years of experience as council member can continue to be valuable to the Township electors and respectfully solicit your support on Election Day. Blake Field.

OPEN LETTER TO ALL ELECTORS IN THE TOWNSHIP OF WALPOLE

Realizing that I will not be able to personally meet with everyone in the Township of Walpole prior to Municipal Election Day, December 4th, I felt it was important to our community to write to you about myself and also explain my hopes if you are kind enough to support me as your Deputy Reeve in the two years ahead.

My roots are very deep in the Township, having arrived in this area in 1928. I grew up and lived as a semi-permanent resident in the rural area of Walpole. Even as a child I planned for the time when I would build a home and make Walpole Township my permanent address.

I became a full-time resident in Walpole six years ago. For many years I was engaged in the manufacturing field and also sub-division development in Hamilton.

I attended secondary school in Hamilton, Ridley College, in St. Catharines and graduated in Business Administration and Accounting from Park Business College. By the time I was twenty-one, I was an Office Manager and an Executive Director of two diverse businesses in the city.

I am engaged in business with my wife as I have been for many years in the manufacturing field. Our business is designing and manufacturing of lighting equipment for the Interior Decorating Trade in southern Ontario.

I am age 44, married, with three children who have attended school in South Walpole and Hagersville.

Over the years I have observed the developing changes in Walpole -- mainly with pride, but also, on occasion with alarm.

I feel that there must be better communication between the elected Township Council and the area residents. I believe and am very concerned that Walpole has not had uniform representation to enable Council to properly consider and express with certain legislation the aspirations of many of the taxpayers in Walpole.

I am in favor of more opportunity for citizen participation in community affairs. I would encourage more citizen involvement at the municipal level and whatever form Regional Government takes in our area in the near future. I feel that Regional government should be phased into our area gradually as future development patterns make it necessary.

I believe that I am a qualified candidate and would like the opportunity to serve all the citizens in Walpole Township. I am anxious to assist with the challenges in planning and desire to help bring about the smooth implementation of the many and exciting changes that are coming into our area.

I am in favor of orderly development and will fight for fair play for all the citizens in Walpole if I am elected.

I humbly ask for your support at the polls in our Township on Monday December 4th, 1972.

Your Sincere Candidate,

Howard Nicklin
FOR
DEPUTY REEVE
IN
WALPOLE
