

Lions Club Thanked For Heading Campaign

The regular meeting of the Jarvis Lions Club was held on Monday evening Sept. 25th.

The correspondence included a letter from the Ontario Society for Crippled Children, thanking the club for heading up the Easter Seal campaign locally. Following each campaign one-half of the net proceeds plus any

balance from the previous campaign is sent to the provincial headquarters.

The remaining one-half is kept for local needs. This year a total of \$908.21 was sent to the Ontario Society for Crippled Children.

A letter was read, from the President of the McPherson, Kansas, Lions Club. Their ex-

change student, who spent two weeks locally, spoke at their club meeting. She reported that her visit had been a wonderful experience, and presented the President with a Jarvis Lions Club pin.

Plans are proceeding for a Children's Halloween Party, the Remembrance Day Service and the 20th Minstrel Show.

A guest at the meeting was the Rev. Douglas Perry, rector of St. Paul's Church, Jarvis and Christ's Church, Nanticoke who moved here from England during the summer. Lion Max Bowyer introduced the speaker of the evening, the Rev. Clifford Waite, who is head of the English department at Port Dover Composite School.

Although his address included much humor, he gave a great deal of food for thought. His talk was based on the importance of people and he stated that we should find happiness in the things and opportunities we have around us.

He touched on a few of the difficulties life can present. There is a lot of living between the lasts we so often confuse with real love, and the Golden Wedding Anniversary.

His references taken from the Bible and the Apostles Creed showed us how important and helpful the teaching of Jesus Christ, and the Church, can be in our lives.

The speaker was thanked by Lion Tom McBride and presented with a gift.

Erie Personals
