Diamond Anniversary Cheapside UCW

Mr. and Mrs. Earl Benn of 32 Sherring St. N., Hagersville celebrated their 50th anniversary at the Cove Room in Port Dover Friday, Oct. 6, 1972. There were 25 of the immediate family present.

The brides maid of honour of 50 years ago, cousin of the bride, Mrs. Beatrice Smith, of Hagersville, was in attendance.

The groom's brother Gordon R. Benn, from Vancouver B.C. who was best man for his brother, was also present.

Mr. and Mrs. Benn the former Helena Stark, daughter of Mr. and Mrs. Robert Stark of Nelles Corners were married Oct. 4, 1922 by Rev. E. S. Moyer of Methodist church.

Mr. and Mrs. Benn have one son, James, of Hamilton, and a daughter Betty Lou Huffman who resides with her husband and family on the Benn homestead, which has been in the family for over 128 years.

After the dinner, all were invited back to the home of Mr. and Mrs. William Huffman and family where Mr. and Mrs. Benn had farmed all their married life until retirement in 1966.

There they were greeted by all their

nieces and nephews and a few friends for dancing to the music of the Haldimand County Ramblers.

Around 11 p.m. Dr. and Mrs. David Marshall called to congratulate the happy couple and presented a congratulatory certificate from Prime Minister Pierre Elliott Trudeau.

Then about 90 guests enjoyed a buffet lunch of salads and fancy cakes in which the table was centred by a lovely three tier golden wedding cake made by the bride.

Guests were present from Hagersville, Jarvis, Selkirk, Kitchener, Hamilton, Burlington, Brampton, Cayuga, Bloomsburg and Vancouver B.C.

Mrs. Ivan Whitford secretary, read the minutes and correspondence. Some thank you notes were read, several items of business were discussed and it was decided that we would invite the men of the church to accompany us on a trip to Mrs. Emery's glass display.

Mrs. Arvil Nie was in charge of the worship service which was on Thanksgiving, the hymn "Immortal, invisible, God only Wise was sung

Garnet WI

The Garnet Women's Institute began the October meeting with a tour of the McMaster Medical Center, which proved very interesting.

A short business meeting was then held in the Garnet United Church. A report was given by the Sick Committee and Kay Varga spoke on attending the Fall Rally.

Mrs. George Abbott presented the study chapter on African problems in a very interesting way.

Mrs. Merrill Nie made the courtesy remarks.

Think Big.

We finally did it.
We finally changed the looks of the Bug.

For openers, open the door.
And Wham-O:

"What's a nice big interior like you doing inside a Volkswagen?"

There's plenty of leg room up front. There's lots of head room.

The windshield is curved and pushed away from your nose. It's 42% larger. (That's the windshield, not your nose.)

The padded dash is completely redesigned and easier to read (for those of you who like to read dashes).

The seats are more comfortable, curved and contoured to your body.

Inertia-type seat belts buckle up as standard equipment.

And wonder of wonders, it is now much easier for passengers to get to the back of the Bug.

With all the newfound room, we had to find a new ventilation system. Which we did. And it's so good that, now, even the side windows can be ventilated and defogged.

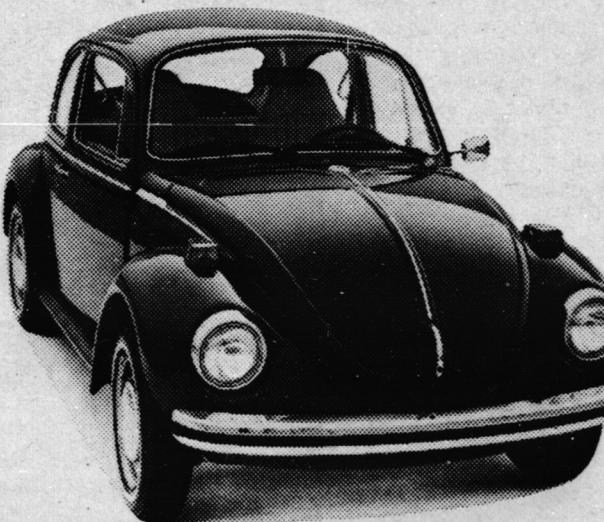

As for outside improvements, they're

mostly hidden. (Although the taillights are nearly twice as large as ever before.)

Altogether we made 20 improvements in the Super Beetle for 1973.

But without a doubt, the biggest improvement of all is the feeling you get when you get inside.

Take it for a test sit today.

1973

Few things in life work as well as a Volkswagen.
