

Pee-Wee League

Bill Cowan and Jim Caudle scored three goals apiece as the Aces downed the Sabres 10-2. Barry Lintch, Kevin Conway, Owen Hill and Clint Henisey had single goals. Roger Cambell scored both goals for the Sabres.

Tim Roloson and Fred Nagel traded goals in a 1-1 tie between the Canucks and the Flyers. However, the Flyers ended up winning this game because the Canucks used some all-star players and this is against the rules.

David Woolley scored two goals to lead the Kings to a 5-2 win over the North Stars. Joey Slack, Steve Rachar and Scott Webber had a goal apiece. Richard Marshall and Michael Omara scored the Stars' goals.

The powerful Hawks won a wide open high scoring game when they pumped nine goals into the Flames net. Robin Pepper, Donald Carpenter and Garry Herkimer scored two goals

Kings Down Sabres

by Jack Lakey
Two shorthanded goals late in the second period enabled the Jarvis Kings to take a 5-3 decision from Walpole Sabres in Hagersville Bantam League play.

Alex Davidson opened the scoring for Jarvis at 3:45 of the first period with Brian Veldhuis drawing the assist. Dale de La Fosse's rink long rush made the score 2-0 at 4:04 of the first. Dale, the leagues leading scorer, had to be helped from the ice midway through the second period with a damaged knee cartilage and appears to be out for the remainder of the season.

Jarvis widened the margin to 3-0 with Brian Veldhuis' power play goal at 9:35, assisted by de La Fosse. Walpole got on the scoreboard at 13:10 with Jamie Buckborough's power play goal and at 14:45, Scott Mayor's breakaway goal narrowed the gap to 3-2. Walpole's Rod Winger tied the score 3-3 at the 18:00 minute mark after a defensive lapse by the Kings.

Both teams were more interested in the penalty box than the net until late in the second period when Wayne O'Shell scored the game winner for Jarvis with teammate Sam Druff serving a crosschecking penalty at 16:35. Druff put the game on ice for Jarvis with the King's second shorthanded goal at 19:25. The game was extremely rough with referee Doug Nopper assessing over 40 minutes in penalties to the two clubs.

apiece. Brian Salvatore, Wayne Buckbrough, Terry Herkimer and Norm Tobicoe rounded out the scoring. Dave Phillips was the big gun for the Flames. He scored the hat trick. Todd Saunders and Mark Austin had one apiece for the losers.

Pee-Wees Eliminated

Hagersville Pee-Wees played their finest hockey of the season on Thursday night, but still lost a heartbreaking game to a determined Waterford crew by a score of 3-2. This was a fast and exciting game with both teams having plenty of chances to score.

Bruce Fleming was in high gear for this game and scored the first Hagersville goal to offset a goal by David Flowerday in the first period. Bruce continued setting up several of his teammates throughout the second period, but they couldn't put the puck in the net.

Early in the third period, Fleming carried the puck over the blue line and fired it at the Waterford net. The rebound came out to Tim Saunders who flipped it into the net for a 2-1 lead. This looked like a big goal as the I.G.A. boys had been playing good hockey up to this point. Ron Jepson, in particular, had played a tremendous game in goal and kicked out some sure shots.

Waterford took advantage of a 30 second lapse on the part of the entire Hagersville team and popped in two quick goals. The entire season went down the drain in these few quick seconds. However, the boys bowed out of the O.M.H.A. playdowns in proud style. If Ron Mayor and Mike Nelligan could have got this type of mileage out of the boys all year, they would have been fighting for first place.

Last Year Was Third Best

The value of Ontario's mineral production in 1972 dropped by \$32.6 million from the 1971 total, natural resources minister Leo Bernier announced recently. Preliminary figures compiled by Statistics Canada show the value of minerals produced in the province last year was \$1.52 billion - the third best year in history.

The shortfall may be attributed mainly to the reduced price for copper and lowered sales of nickel brought about by the decision of several major consumers to reduce their stockpiles.

Copper production was cut back from 604 million pounds to 576 million pounds and the value was reduced from \$317.52 million in 1971 to \$291.56 million last year. Nickel output was reduced from 431 million pounds to 378 million pounds with a corresponding reduction in value from \$583.94 million to \$513.30 million for a loss of \$70.64 million.

Although increases were reported for eight of the 15 metallic minerals produced in Ontario the total for the whole group was less by about \$40 million. Biggest gains were re-

ported in the production of zinc (up by 88.5 million pounds for an increase in value of \$34 million) to bring the production total to nearly 820 million pounds worth \$156.37 million.

Iron production showed an increase of more than one million tons to 12.8 million tons for a total value of \$161.28 million.

Gains were also registered for cadmium, cobalt, lead, silver and tellurium.

Reductions in both quantity and value were shown for bismuth, gold, magnesium, the platinum metals and selenium.

The production of uranium was up from the previous year but the value of the output was not made public.

There were increases in six of the ten non-metallic minerals produced in Ontario for an overall improvement of about four million dollars to a total of \$47.54 million. The

principal non-metallics are salt, asbestos, nepheline syenite, sulphur, quartz and gypsum.

Structural materials overall were slightly more productive than in 1971 with an increase in value of about five million dollars to \$215.36 million. Gains were registered by cement (\$71.61 million in 1972), sand and gravel (\$60 million) and stone (\$39 million). Clay products (\$28.9 million) and lime (\$1.59 million) were somewhat less than in the previous year.

The output of natural gas and petroleum were both reduced in 1972. Gas (less by \$1.12 million) was valued at \$5.21 million. Petroleum, valued at \$2.51 million, was less by \$208,000.

Friendship Evening

Silver Star Rebekah Lodge, Jarvis held their annual Friendship Evening on Tuesday, February 13th. We were honoured to have two distinguished guests in our presence, Sally Laidlaw, Past President of the Rebekah Assembly of Ontario and Peggy Evans, District Deputy President.

Many of our new members brought special gifts with them for the evening. They introduced and presented their guests with a small token gift of the evening.

A substantial profit from the Grand Master's Banquet on February 5th was announced by the trea-

surer. A letter of acceptance from Silver Lake Port Dover was read to confirm the Initiation Degree in Jarvis on Feb. 27th.

Plans were completed for the annual Fireman's Banquet on February 24th. A Valentine Party, featuring "Court Whist," was held in the banquet room, and concluded with an enjoyable lunch.

Courtesy was extended by Peggy Evans D.D.P. to our Noble Grand for arranging this "Friendship Evening" and to the entertainment and refreshment committees for the Valentine Party.

Lambs Corners W.I. Meets

The February meeting of Lamb's Corners W.I. met at the home of Mrs. George Bassindale on Monday afternoon. The President, Mrs. Clayton Weaver, was in the chair and agreed to look after the report as the Press Reporter. Mrs. Bertley Brown was unable to act this month.

Acting secretary-treasurer was Mrs. Wray Dennis. There were 12 members present. Correspondence included notice of the Spring Conference to be held at Springvale on March 12. A delegate at large will be sent to the Officers' Conference to be held this year at the University of Waterloo instead of the Guelph University as in former years. Leaders for the 4-H Project - "Vegetables and Fruits" will be Mrs. Lloyd Fess and Miss Diana Ver Boom. They will attend training

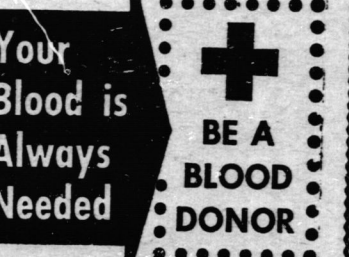

school on Feb. 22 at the Agriculture Centre, Kohler. A donation was made toward the Summer Camp for Retarded Children.

A subscription will be sent for the Consumers' Report.

Mrs. Jack Atkinson convened the program. There were two contests. The Valentine Contest was won by Mrs. Weaver, the President, and "Know your Flowers" was won by Mrs. Helen Steele.

Mrs. William Lamb demonstrated an artificial floral arrangement. Mrs. Osborne Lamb made the courtesy remarks.

The next meeting will be on the afternoon of March 19 at the home of Mrs. Helen Steele.

"Luncheon Is Served" At St. Paul's In Jarvis

by Jessie Miller

About 100 ladies and a few men from Jarvis, Nanticoke, Port Dover and Hagersville enjoyed a noon luncheon in the Anglican Parish Hall on Thursday last when a delicious meal was served which demonstrated "What's new at the food markets" in the line of Canadian prepared foods.

Following the tasty luncheon for which all present had placed their tickets in the container - Kay Peacock gave a run-down of the nature of all foods served and drew attention to the colorful recipe books and coupons which had served as place cards. She also explained the trade names of all items and other ways

in which these might be served, also where they might be purchased. Samples of all products on display were drawn as door prizes. These were very generous, and half of those present received samples - "All made in Canada" products. Demonstrations of this type are very profitable to local organizations sponsoring them. The luncheon is a friendly get together at a reasonable price, bringing everyone up to the minute in "What's new and what's good." It is also a means of promoting Canadian food sales, indirectly benefiting the manufacturer, the poultry raiser and the farmer generally.

To Attend Seminar

Forty persons from the Jarvis and Hagersville area have indicated that they will be journeying to Woodstock this Saturday to attend a two-day seminar in community service sponsored by Jehovah's Witnesses.

The event, which will be held in the College Avenue Secondary School, is to place emphasis on delegates serving the spiritual needs of others in their home communities.

Final makeup of the delegation was announced by Mr. Clifford, presiding overseer of the local congregation.

Mr. Clifford will be serving as one of the head attendants for this assembly and is one of two area delegates who will assist in the administration of the convention.

In discussing the assembly, Mr. Clifford said, "the programme will help the Witnesses to meet the current challenges in a changing

world. Emphasis will be placed on training methods for starting home Bible Studies." He cited the need for greater availability of personal spiritual assistance by way of free home Bible study courses.

The climax of the program, which is expected to attract 1,000 persons comes Sunday with the discourse by L. Gray, "Decide Now For Divine Ruleship."

Final makeup of the delegation was announced by Mr. Clifford, presiding overseer of the local congregation.

Mr. Clifford will be serving as one of the head attendants for this assembly and is one of two area delegates who will assist in the administration of the convention.

In discussing the assembly, Mr. Clifford said, "the programme will help the Witnesses to meet the current challenges in a changing

Letters To The Record

Dear Jarvis Record

Workers,
Thank-you for showing us around the Record. I liked the special camera best. I really liked it all. When I was on the way I was very excited. I still like it. I wish I could go again because I like school trips.

Karen Wilson

Dear Jarvis Record

Workers,
Thank you for showing us how you make the newspaper. You showed us how to make the negatives. I took my newspaper home.

Patti Phillips

Dear Jarvis Record

Workers,
Thank-you for showing us the stuff that you had. I like how the type-writer is work by electric.

David Campbell

W.H.G.H. Auxiliary Meets

by Mrs. Ruth Mounk

Thirteen members of West Haldimand General Hospital Auxiliary Executive met Feb. 7th at 1:30 p.m. in the Hospital Board Room. The meeting was opened by Mrs. Julia Nauman.

Mrs. H. Gowan, secretary, took the roll call and then read the minutes of the last meeting. They were approved by our President, Mrs. Helen Snowden.

Mrs. Barb Held read the treasurer's report and moved it be accepted.

It was moved by Mrs. Leona Slack and seconded by Mrs. M. Montague that the bills be paid.

Mrs. Betty Martin, coffee shop convener, read the report and moved it be accepted, seconded by Mrs. Ruth Mounk. The price of pop will be 20¢, instead of 15¢.

After house cleaning and painting the coffee shop, it has a bright and clean appearance.

Mrs. Betty Martin will see about getting white saucers for extra cups. Everyone is to sign the pink slip whether they count the money or not.

Morning shift takes the envelopes to the office. Sewing Convener, Mrs. Joyce Bray, is in need of articles for the peg board.

Public Relations, Mrs. Ruth Mounk, reported that a baby book was given to Mrs. Charles Jones, for the first baby born in the New Year at the W.H.G.H. Several pictures were taken and are ready to be put into the Album of the Fall Convention, Crystal Ball and the New Year's baby.

Volunteer Convener, Mrs. Julia Nauman, reported that Springvale and Caledonia are looking after the extra shift.

Fisherville Unit is having a pegboard shower at the next meeting March 15th. It is a luncheon, \$1.50. They are unable to get caterers for the Annual Dinner.

Hagersville Unit's March meeting is the installation of Officers. Cayuga Unit's white elephant sale in January was very successful.

They are having a comic book shower next meeting - May 15th "Luncheon is Served."

Caledonia Unit: Mrs. Flowers spoke at the last meeting on the comparison of nursing today and earlier years. They hope to have Mr. Bolan, Administrator of W.H.G.H. at the next meeting.

Springvale Unit showed slides, "Time to Give," at their last meeting. They finished

making a quilt and will sell tickets on it. They are chartering a bus to the Ice Capades.

It was moved by Mrs. Vera Slack and seconded by Mrs. Betty Martin that a nurse, who receives a Bursary from the hospital and does not fulfill her obligations, will pay back part of the bursary.

President, Mrs. Helen Snowden, read a couple of the constitution by-laws and notice of these will be sent to each unit.

It was moved by Mrs. Eleanor Munroe and seconded by Mrs. Ridley that we obtain a bicycle (that is "used in bed") for Physio-Therapy.

It was moved by Mrs. Leone Slack and seconded by Mrs. Julia Nauman that money from the current account of the main executive be transferred to the coffee shop savings account.

April 10th and 11th, 1973 is a conference in Toronto, "Institute for Auxiliary Personnel."

The Annual Dinner (if all goes well) will be held at Caledonia. Tickets will be \$3.00 a person. Each unit is to contribute \$5.00 in door prizes and any other donation will be accepted as a prize.

It was moved by Mrs. Barbara Held and seconded by Mrs. Helen

Brown that we have three cash draw prizes of \$3.00, \$2.00 and \$1.00.

Mrs. Helen Doyle volunteered to make tickets for the draw.

Mrs. Helen Snowden, Mrs. H. Gowan and Mrs. Ruth Mounk are responsible for entertainment at the Annual Dinner.

President, Mrs. Helen Snowden, adjourned the meeting till March 7th.
