SPORTS ROUNDUP

Hagersville Minor Hockey

On Monday night the Hagersville Minors won one game and tied another in their best showing this year against Port Dover. For the Novice team, it was their first point of the season. They skated to a 4-4 tie with the Dover crew.

Paul Derocher and Jeff Winger scored 2 goals apiece. With the steady net minding of Dave Montour, the boys held on for a well earned tie.

Robert Luke, Donnie Erwin, Brian Lampman and Brian Wolley scored for the visitors.

The Pee-Wee game at Port Dover handed the local team a 5-2 setback in a well played game. Mike Adamowich scored from Tim Saunders and then Tim Saunders scored from Mike Nelligan.

Ed Templeman was the heavy shooter for the Dover team. He scored 3 goals and had 1 assist. His teammate Howie Howick scored 2 goals along with 2 assists.

The Bantam game was a one sided farce with Port Dover scoring whenever they felt like it. They skated off with a 12-1 win. When the score reached double figures, the local team showed some very poor sportsmanship by taking runs at the visitors instead of playing the puck. Some idiots that sit in the stands seem to think referees can make up 12 goals. If the boys want to play this type of game, they should go out on a pond somewhere where they won't be seen.

The Midget game was the best game of the night with the home team coming out on top by a score of 4-2. This was a wide open game with both teams having plenty of chances to score. The difference was in the goal tending of Bill Downey. He made several big saves. Wayne Johnson had 2 goals and Warren Jackson and Danny Donato had one each for Hagersville. Chris McQueen and Rick Mummery scored for Port Dover.

Jarvis Downed In Last Two Games

The boys have a lot to learn about skating two ways in a game and shooting to hit the net - which scores goals.

The Jarvis boys went down in defeat to the Walpole Seals on Dec. 27 by a score of 3-0.

The boys must of had too much Christmas turkey for they skated sluggish and couldn't find the net. The penalties Jarvis picked up were no help to the team. The boys are going to have to learn to stay away from that box.

On Jan. 3, the boys again fell short to the Hagersville Sabres who seemed to dominate the whole game even though the score at the end of the 1st period was tied 3-3.

Crawford picked up two and Verri one for the Sabres while Duxbury, De la Fosse and Velhuis picked up those for Jarvis.

The second half seemed to be all Hagersville's as Speller scored with only 45 seconds gone and Fearman picked up a hat trick to round off their scoring. De la Fosse scored two for Jarvis and Velhuis scored the last one for Jarvis. Jarvis did everything possible to score in the last few seconds but couldn't get the puck in the net.

Jarvis again picked up most of the penalties in the game and Hagersville took advantage of this fact. The boys haven't learned yet - they can't win games sitting in the penalty box.

Dale Vaughn, Brian Velhuis, Dale De la Fosse and Rudy Dykstra played a steady game for the Jarvis crew. Goalie Walker had to stop many shots and came up with key saves when they were needed.

Juveniles Split Games

The Hagersville Juveniles split their 2 games played last week. They won in Waterford 6-0 and then lost in Langton on Sunday 4-1.

In the Waterford game, Sandy Gibbons put on a one man show by scoring 4 goals. Paul McCarthy and Tiger Schweyer scored the other two goals for the biggest one sided win of the season for Hagersville. It looked like the Jarvis boys were really up for this game. Robby Stewart turned in the shut out game.

At Sunday's game in Langton, the boys appeared more interested in watching their girl friends than they were in playing hockey. They came out on the short end of a 4-1 score.

Ray Huffman scored the lone goal for Hagersville. Steve Petracca, just back from the Juniors, played goal and looked very shakey on 2 of the goals. Steve had not played in almost 3 week and had not practiced in 2. It is hoped that by playing more regularly with the Juveniles, he can regain his form.

Hagersville Merchants Hold Third Place

The Hagersville Merchants took a big step towards a playoff berth last week when they picked up a win and a tie in two outings.

Last Tuesday night, Caledonia came to town and came out on the short end of a 5-4 score. This is the first time this year that Hagersville has managed a win in three tries.

After a scoreless first period, the Merchants came alive. Gord Fearman was set up by Ted Phibbs and scored the first goal of the game. Five minutes later, while playing shorthanded, Dennis Craddock stole the puck from Wayne Wilson and shot it past the Caledonia goalie before he could move.

Before the visitors got back to full strength, Craddock fed a perfect pass to Dean Webb who gave Hagersville a 3-0 lead. Larry Simon gave Butch Hill a perfect pass to make it 4-0 in the best offensive period of the season.

Russ Tweedle finally got Caledonia on the score board with Wayne Wilson picking up the assist. Gary Davey made the score 4-2 before the end of the second period.

The Merchants seemed to go into a shell for the start of the third period and it did not take Caledonia long to score a goal from the stick of Gary Olgive. This picked the home team up and they played good hockey till the 18 minute mark when John Williamson stole the puck behind the net and tied the score at 4-4.

Hagersville was not dead yet. Paul Depasuale let go a slap shot from the blue line for the winning goal with just 50 seconds left.

Reeve John Kindaid pulled the winning ticket for the Merchants 50-50 draw and the lucky girl was Miss Sandy Goss of Hamilton who received $200.00. Miss Goss was one of the sky divers who put on the display at the school last fall.

The boys travelled to St. George and were lucky to come home with a 5-5 tie.

They all skated like they had lead in their boots for the first 2 periods and trailed 4-1 after 2 periods of hockey. Jerry Jonckers scored 2 goals for the home team and Jerry Pullen had another with Dennis Craddock getting the lone goal for Hagersville.

When the Merchants came out for the last period, they decided to play hockey and soon took a 5-4 lead on goals by Craddock, Doug Walker, Paul DePasquale, and Ted Phibbs. They clung to the one goal lead till there was just 50 seconds left in the game. Brian St. Almond scored the tieing goal for the St. George crew.

This was a 4 point game so the tie meant 2 points for Hagersville. Jim Herkimer picked up 2 assists during the night and Glen Simon again turned in a fine performance.

Next Tuesday the 16th, Ayr comes to town for a 4 point game and a win in this one should pretty well give the Merchants a shot at the playoffs. Come out and watch some good fast and exciting hockey.

Flyers Remain Hot

The Hagersville Juniors continued their winning ways in the past week by picking up 2 wins. They beat the Delhi Flames at home on Thursday by a score of 7-2 and then followed that up with a 7-2 win over Waterford.

In the Delhi game, Danny Forbes and Bill Winkworth scored 2 goals apiece. Fryett, Spies and Yacobino picked up singles. Anthoney was top point man for the night. He had 3 assists to go along with his goal. Ted Dertinger scored both goals for the visiting Flames.

On Sunday night, Jim Lamb was the big gun. He scored his first hat trick of the season. John Kincaid picked up an assist on all 3 goals. Roger Spies also had 3 assists. Ross McKeen had an unassisted goal. Yacobino, Paul Phibbs, and Bill Winkworth also got one each. Winkworths goal proved to be the winner.

The Waterford Tri-Cats goals were by Terry Bowen and Bryon Cloet.

It seems that more than Bobby Hull went to Winnepeg. Glen Hewson has only scored 2 goals since New Year's. For the teams top scorer and top goal man in the league, Hewie will have to shape up or the management will have to work out a trade with a western club.

The next action for the high flying Flyers is this Sunday when they host the St. George Lions, who are in first place.

She read an article on how helpful the rocking chair is and how it is such good exercise. Mrs. Merrill Nie gave the topic on causes and treatment of obesity.
