

## HAGERSVILLE Highlights

### Community Decoration Day Held

The Western Ontario All Star Band provided the music for the parade and service at the cemetery on Sunday June 10, when Community Decoration Day was observed at the Hagersville Cemetery.

Leaving the Community Centre at 2:30 p.m. the parade proceeded down Main St. and King St. West, to John St., where buses were waiting. The service at the cemetery was held adjacent to the Legion Plot and commenced at 3 p.m. with Rev. A. Thomson, Padre of the Legion giving the call to worship and the invocation. He stated "how appropriate to stop and take time to remember for a few moments on such a day as this, with the blue canopy of heaven above us, and God's great and glorious sun beaming rays of brightness."

Following the singing of O Canada, words of welcome to all present, were given by this year's Decoration Day Chairman, Harold Bray. Wreaths, in Memoriam were placed by the following: the Village of Hagersville, Reeve Jack Kincaid; Canadian Legion and Auxiliary, Marj Garmon and Clarence Jackson; Oddfellows and Rebekahs, Yvonne Shoup and Charles Kersey; Ma-sons and Eastern Star, Robert Shoup and Mrs. C. Paylor; Lion's Club, Dave Banks; Brownies, Girl Guides and Rangers, Kim Fess, Lucille Poirier and Sandra Personnic; Firemen, Doug Thomas; Knights of Columbus, Anthony Pierroz.

Last Post and Reveille were played by Andy Sabola with a minute of silence being observed

### Sunday Fire Call

Hagersville Volunteer Firemen answered a call on Sunday morning, June 17 at 11:45 a.m., when a barn belonging to Mr. Jack Laidlaw, R. R. 3 Hagersville was ablaze. It was necessary for some of the firemen to leave special Father's Day services at their respective churches, in order to answer the call on No. 6 Highway North.

Fire Chief McClarty stated "upon arrival at the scene, they believed it may be possible to extinguish the flames, however such was not the case, and the frame barn was a complete loss." The fire was believed to have started in the hay mow, with the cause unknown at the present time.

in memory of those gone on before.

Everyone joined in singing the Lord's My Shepherd to the tune Crimmond, after which the Old Testament lesson, taken from Psalm 121 was read by Rev. Thomson. A prayer of dedication and thought was given by Rev. C. L. Warriner, closing with the Lord's Prayer.

The reading of the New Testament Lesson was given by Rev. Martin Rule, as taken from Paul's first letter to the Corinthians, Chapter 13, ending with "the greatest of these is Love." Rev. Thomson spoke briefly on behalf of Father Wubbles and Father Raymakers who both regretted their inability to attend this service of worship due to former engagements.

The address of the afternoon was given by Rev. Donald Eustace of the Anglican Church, who commenced his message by stating "how pleased he had been that the Prime Minister of Canada had in this past week, awarded bravery awards to various citizens - whose acts of bravery are not always headlined and known to others." He mentioned several cases of this highest recognition made by Mr. Trudeau. Stating further "that perhaps acts of bravery are not always known by a great many people, but are always known by God Our Father." Rev. Eustace said "this day's service for remembrance is for all who have laid to rest someone well-known and loved by each one." In closing he said "we all must pass from this earthly place so let us have hope and love for all brethren - pray for them but also let us pray for ourselves who are left here on earth behind."

The final hymn of the service was O God Our Help In Ages Past and Rev. Thomson before pronouncing the Benediction, stated "many times he had stood in the extremely hot sun with degrees of 100 and sometimes more. This beautiful sunny day reminded him of such circumstances," he said. Also in the colour parade were colour parties from Port Rowan Legion, Branch 379, Teeterville Legion Branch 526 and Waterford Legion Branch 123 as well as Legion Branch 164 and Auxiliary.

### District Lions Visit Nanticoke G. S.

Nearly 90 Lions and guests from Blackheath, Cayuga, Oneida, Hagersville and district visited the Ontario Hydro Nanticoke Generating Station at Lake Erie on May 22.

A bountiful cafeteria type dinner was served at 7:15 p.m. after which movies and slides were shown in the auditorium.

Mr. Colin Hendry on behalf of Ontario Hydro Public Relations explained that Niagara Falls supplied all the province's electricity until the year 1950 - now it supplies only one-third of our requirements. He explained when this generating station is completed at Nanticoke, it will be the largest in the world and will use 1400 tons of coal per hour as well as 2 million gallons of water a minute.

A most interesting question and answer period followed and through this media it was learned December 27, 1972 was the date more hydro power has ever been used previously. This resulted in being within one per cent of the total production of electricity.

Hard hats were donned by the visitors, and they were taken on a conducted tour of the 20 storey building, which is one-third of a mile in length. Plant operation was viewed by the group, including turbines, generators, control rooms, coal furnaces burning by closed circuit T.V., as well as the computers. Bob Bennett Jr. was the winner of the "200 Club Draw."

### Northview Travels

Students of Hagersville's Northview Public School have recently taken part in and enjoyed school trips to various interesting places. On Wednesday, June 13, Grades 7 and 8 together with several pupils from the Special Education Class travelled to the Niagara District. The trip included a stop-over at the Welland Canal in Thorold, Old Fort George at Niagara - on the - Lake (formerly Newark), the Niagara Glen and some time at Niagara Falls for sight-seeing and souvenir

shopping. Teachers in charge of this most adventurous day were Mrs. Loughheed, Mrs. Young and Mr. Heinrichs.

On Friday June 15, Rooms 4 and 5, taught by Mrs. P. Fearman and Mrs. J. Smith, travelled to Storybook Gardens in London, Ontario. This trip was thoroughly enjoyed by the little ones, providing a true adventure into the land of nursery rhymes. A number of mothers accompanied on this trip, to assist in looking after such a large group of interested children.

### Indians Accept Business Aid

A pilot program providing free assistance in business management to Indian businesses on the Six Nations Reserve has drawn the interest of the elected band council.

Recently after hearing a presentation on the Indian Business Assistance program, the council has agreed to have a study done on the operation of the Lady Wellington Nursing Home on the Reserve. The program, which is being offered to any existing business owned and operated by Indians,

### Friendship Club

Due to the "Luncheon is Served" being held in the Parish Hall on Thursday June 7, the Friendship Club were somewhat later in starting their weekly time together.

Visitors included Mrs. Brokenshire, Mrs. Murdoch and Miss Florence Duxbury who stayed following the luncheon. Present were nearly 30 for the progressive hosiery during the afternoon, when eight games were enjoyed.

The meeting opened with the singing of O Canada, after which President Mrs. Madeline Young welcomed each one to the afternoon of fun, especially the visitors. Following the singing of the prayer, lunch was served by the committee comprised of Mrs. Elizabeth Smith and Mrs. Eva Simington.

The final meeting until September, was held on June 14 and will commence with a pot luck dinner at 12 noon. An invitation has been received from the Fisherville Senior Citizens to attend their gathering on the afternoon of June 21 - hopefully many will be able to attend. Prize winners for the hosiery were - Mrs. Sadie Aude with high score of 270 and Mrs. Stanley Lint with low of 182.

Nancy A. Miller, daughter of Mrs. Laird Miller and the late A. L. Miller, graduated on June 1st from the University of British Columbia with the Degree of Bachelor of Science in Nursing. She has accepted a position with the Metropolitan Vancouver Health Unit.

### On The Farm Front

A serious shortage of industrial milk in Ontario is a problem for the whole dairy industry. To help correct the situation the Hon. Wm. A. Stewart, Minister of Agriculture and Food, has announced an extension of the Guaranteed Loan Program for Industrial Milk and Cream Producers that was introduced a year ago. Under the revised program it is intended to forgive part of the loan according to the increase in production and performance of a herd. In this case if the farmer's milk production objective for a year is met, then 20 per cent of the annual repayment of principal will be refunded.

In addition the present program that provides for loans on purchase of cattle and market-sharing quota will be extended to provide for construction or renovation of milk-houses and dairy barns

and for the purchase of fixed equipment such as bulk milk tanks, milking equipment, etc. Details of the revised loan plan for industrial milk producers are to be available at the county agriculture office soon.

Plans for the pork barbecue to be held at Haldimand Agricultural Centre, Kohler, on July 14 have been confirmed by the Centre Committee. Joint sponsors of the 1973 event are the Haldimand Pork Producers. Last year's beef barbecue attracted almost 500 people. Tickets at \$3.00 for adults are now available from committee members. Included in the evening's program will be a pork cutting demonstration and auction to be arranged by Bob Kohler of the Ontario Pork Institute. Haldimand Junior Farmers are arranging for a

dance to round out the evening's activities.

A ceiling on the amount of capital grant payments to farmers was announced recently by the Hon. Wm. A. Stewart, Minister of Agriculture and Food. The program will continue until March 31, 1979 and until we are advised otherwise grants will be available as before for Farm Drainage and Structures, Field Enlargement and Farm Water Supply, Farm Vacation Hosting, and Removal of Dead Elm Trees.

However for 1973 and subsequent years the intention now is to defer payment of grants until the following year as soon as the annual 10 million dollar allocation is granted. Applicants whose payment is deferred would receive first consideration in the next fiscal year.

### Birth

ELLINGTON - Charles and Paula of Hagersville are pleased to announce the birth of their daughter on June 17 at West Haldimand General Hospital, Hagersville, a sister for Mark and Jo-Anne.
