BELTED with STEEL—GLASS— or POLYESTER...

4 + 2 Belt-O-Steel

Big mileage-getter! 4 polyester plies, 2 steel belts. The same quality, when sold under manufacturer's own name at full list price! carries a 40,000 mile guarantee. Now, our Belt-O-Steel is half that list price, with 5-Yr. Road-Hazard Insurance, 44-Month, 44% Wear-Out Discount Allowance, instead of mileage-guarantee.

4 + 2 Glass-Belted

Costs 20% less and we think it's even better than Steel. 4 + 2 Glass-Belted is the strongest of all glass-belt constructions. Our 4 + 2 Belt-O-Glass Nylon and 4 + 2 Turnpike Wide Track Nylon are twice as safe. (See catalogue story: "Test that proved Nylon safer") 5-Yr. Rd. Hazard Insured; 44-Mth. Wear-Out Discount Allowance.

2 + 2 Polyflex

New breed of belted tire! Rides softer, more like a non-belt. Amazingly, it captures most the attributes of original Glass construction, has typical on-track steering, improved traction, and a record of excellent mileage. That we've learned by experience! 5-Yr. Road-Hazard Insured; 30-Mth. Wear-Out Discount Allowance.

(See catalogue for full particulars on Tire Guarantees)
