4-H Provides Opportunities

4-H Agricultural Clubs are for young people - both boys and girls aged 12 to 20 and living on farms and in rural areas. Whether or not your plans for the future include agriculture, 4-H has something for you.

Basically 4-H is an opportunity for people to learn to work with other people who have similar interests. The motto of 4-H Clubs is "Learn To Do By Doing." This is a challenge for you to become interested and active in your club, your community and your country.

As well as regular club activities 4-H members participate in judging competitions, field trips and 4-H exchanges to other parts of Ontario. Last year, there were exchanges to Manitoba and the State of Indiana as well.

A successful 4-H program requires active members, loyal leaders and interested parents. The 4-H program is planned to a great extent at the community level.

This year the following clubs will organize at the following places, dates and times:

* Haldimand 4-H Field Crops Club - Haldimand Agricultural Centre, Kohler, Wednesday, March 14 - 8:00 p.m.

* East Haldimand 4-H Horse & Pony Club - Kinsmen Hall, Dunnville (beside Dunnville Public Library) - Saturday, March 17 - 10:00 a.m.

PLEASE NOTE - that Dairy and Beef Calf Clubs will organize in 1973 as one 4-H Calf Club.

* Caledonia and Onondaga 4-H Calf Club - Seneca Municipal Office, York - Tuesday, March 20 - 8:00 p.m. Hagersville and Jarvis 4-H Calf Club - Jarvis & Walpole Municipal Office, Jarvis - Wednesday, March 21 - 8:00 p.m.

N.D.P. Spent \$2400

The Haldimand-Norfolk NDP held their annual meeting in Simcoe on Saturday March 3.

President Chester Faulkner summarized the previous years' activities in his annual report. Mr. Faulkner in his analysis of the 1972 Federal election, felt that the lack of workers, the lack of money and poor communication added to the problems of the NDP in our constituency.

Mrs. D. Lawrek, official agent for Mr. Edie Pos in the last

election, presented her financial statement. New Democrats spent \$2,400 on the 1972 Federal election campaign.

Chester Faulkner was re-elected President by acclamation. Also elected to the executive were Bob Kuslucky, vice-president, Lola Shea, Treasurer and Ed Kogalski, Secretary.

A dance in the Simcoe Kinsmen Hall followed the annual meeting of Haldimand - Norfolk NDP Riding Association.

Springvale U.C.W.

Twenty members of Springvale U.C.W. met at the home of Mrs. Otto Crone Thursday evening, March 1 for the monthly meeting. President Mrs. Clarence Harvey opened the meeting with a poem, the reading of Psalm 95 and the Purpose of the U.C.W.

Roll call was answered by giving a donation for the coming fall bazaar. Secretary Mrs. Wray Buckborough read the minutes of the last meeting. The offering was received.

It was announced that the Erie Presbyterial Executive meeting would meet in our church April 2 at 1:30 p.m.

Mrs. Arthur Harvey gave information on supply work and asked that we make up four baby layettes to send soon.

Mrs. Arthur Winger gave several "Stewardship Thoughts."

Since eight members attended the Erie U.C.W. Presbyterial at St. George United Church in St. George on Feb. 26, we repeated the "Worship Service" that was given at the Presbyterial which was entitled "The Christian Citizen at Home and Abroad."

The scripture reading of Ephesians 1: 22, 23 and 4: 13, 16 with meditation taken by leader and responses by the members were taken from the typed copies which we brought home with us. Each told of highlights of the program.

NEW VALUES FOR A CLEAN CAR

It's another method of pest control. Cars are washed by Agriculture Canada's Plant Protection Division in Port Aux Basques, Nfld., before they board the ferry to Sydney, N.S. The washing is to prevent golden nematode and potato wart disease from invading the mainland via soil on cars.

Used vehicles entering Canada from overseas must also be washed to meet import regulations.

On The Farm Front

The Haldimand-Holstein Club bus trip to Ontario County takes place on Monday, March 19. Reservations will be arranged until March 15 with John Reid, Hagersville, J. C. Beattie or Kenneth Smith, Caledonia.

The afternoon of Wednesday, March 28 has been reserved for a meeting on Income Tax Filing for farmers. All Haldimand farmers interested in explanations on farmers' income tax are invited to meet at Haldimand Agricultural Centre, Kohler, starting at 1:30 p.m. Assisting with the presentations will be Lyall MacLachlan, Farm Management Specialist and Mr. F. Patterson of the Department of National Revenue, Hamilton.

The next sale of tested boars at the Waterloo test station will be on March 22. Average

price at the February sale was over 401 dollars. The two highest selling boars at 700 and 640 dollars, had the best performance records of any in the sale with backfat thickness of .65 and .66 inches; age at 200 pounds 130 and 136 days; average daily gain on test 2.14 and 2.03 and feed conversion of 241.

A U.C.O. source at Chatham proposes for the 1973 crops that "Prices for soybeans are more likely to remain at comparatively higher levels than corn or wheat."

Those growing soybeans for the first time are alerted to gain all the information possible about growing the crop. Soil and Crop Improvement Committee chairman, Don Campbell, Dunnville, advises that a special soybean meeting will be held at Canboro on April 11.

Sunshine Club

by Mrs. J. H. Preston

With twenty - four members and two visitors, the Senior Citizens Club met on Thursday, March 8. Vice-President Nellie Stallwood presided, with Jessie Cripps at the piano. We sang "God Save the Queen." The secretary read the minutes which were approved. There was no business, so Hoss was played.

Winner were: Ladies High - Jessie Cripps; Ladies Low - Olga Church; Men's High - Roy Mitchell; Men's Low - Freeman Fields. A door prize was donated by Mr. Malen Milkens and won by Olga Church.

A lovely lunch was served by Mrs. G. Swing, Mrs. H. Preston and helpers.

We are still looking for more members. Come on out Senior Citizens and enjoy yourselves.

From several sources, the suggestion has been made that farmers should order 1973 fertilizer supplies early. Supplies this spring should be sufficient for those who know what they need and place the order soon enough.

The average performance record on over 4,000 boars tested in 1972 showed .82 inches backfat thickness, 154 days to reach 200 lbs. and a loin area of 5.0. Purchasers of boars should aim for a figure better than average, particularly where improvement in the herd is needed.

The domestic 1973 wool clip is expected to sell at an increased price. The price of wool to Canadian users of wool is reported to have increased by 250 percent over the last year.

Knox Afternoon Groups Meet

by Jessie Miller.

Mrs. Lillie Miller kindly acted as hostess for the Ladies Aid and W.M.S. on Tuesday afternoon March 6.

Mrs. Wallace Mitchell, presiding for the Ladies Aid, opened the meeting with a Prayer which was followed by the Hymn "Oh Master Let Me Walk With Thee." The Scripture reading was taken from Paul's letter to the Corinthians. Helen Miller was in charge of minutes, roll call and correspondence.

A discussion regarding routine repairs was not completed. Mrs. Cora McKenzie will look after same.

The offering was received and dedicated and the meeting closed with the Lord's prayer repeated in unison.

Immediately following the Ladies' Aid, the officers of the W.M.S. took charge. Mrs. R.A. Miller opened with a

poem and told the story of the "Blue Lily of the Nile" which was the ancestor of the Onion in our own gardens.

Mrs. Herman Fess, secretary - treasurer, read a letter from the Presbyterial W.M.S. congratulating the Jarvis group on the financial response of 1972 and setting the allocation at the same level for 1973. The Presbyterial was also interested in the fact that the W.M.S. was completing its 80th year in Jarvis and suggesting recognition of this anniversary. No decision was reached.

Mrs. Cora McKenzie was program convener, reading from Scripture Matthew 14-30. She read a thought provoking article asking "Does the world owe us a living, or do we owe the world our best efforts?" The value of work was emphasized; quoting illustrious workers throughout the ages.

She also read about Dr. John Buchanan and his family from the early years of the century who worked among the Bhil people of India. He helped with diseases which beset them and their livestock and crops.

Hymns were "Come to the Savior" and "Sing them over again to me." Mrs. Charles Powell led in Prayer. The death of Pearl Buck was a subject of comment and her great contribution to the world was spoken of at some length by those present.

The President closed with the benediction, after which Mrs. Powell acted as auctioneer and a dainty lunch was served.

An invitation was accepted from the Christian Reformed Church to be their guests on the evening of March 29th in the basement of the Christian school. The speaker will be the Rev. Peter Brouwer.

Helen Miller will entertain for the April meeting at her home. Program convener will be Mrs. Powell.
