Mr. Slack told board members that "our hospital had its in-ception in the need and came as no surprise to H.S.S. principal,
Derek Bishop. "I expected it would happen," desire to perpetuate the areas tradition of patient-centered care, a philosophy that stems from the ready availability of the physician." He declined to comment on the reason for

firing Mr. Tunney but said it was his responsibility. The school And, he noted that board acts on the area physicians had assumed the responsibility of twenty - four hour coverage of the Emergency Department. The number of patients treated in the epartment increased

from 3,945 in 1971 to 5,062 in 1972. Hospital Administrator, Benedict Bohan told the Record that this jump was indicative of nationwide trend. However, he added that an increase in area

population and the doctor's care of the See Page 6, Col. 3

## The need for "regional planning" for continued growth at the West Haldimand General Howital was stressed by W. R. Slack at the hospital board's annual meeting Monday. Mr. Slack, acting chairman, said internal planning for the building, medical care, adminismedical care, administration and finance of the hospital will be expanded with an emphasis on regional planning and continued

### **Engineer Hopes Stelco** Starts Building In '74

Ross Robertson, newly appointed liaison engineer for the Steel Co. of Canada, appeared before Haldimand County Council Friday to introduce himself and answer questions.- all but one that is.

Robert Gordon, deputy - reeve of Caledonia, immediately asked when Stelco would begin construction in its Lake Erie greensite area in Haldimand County.

He pointed out that a need for regional gov-Haldimand - Norfolk area by 1975 had been closely linked with Steel Company plans in the

"I should have anticipated that question," Mr. Robertson said. "That's the only one I don't know the answer to." It will come from the executive level.

However, "in engin-eering we're hoping old buildings out we'll struction in '74 because

our marketing projections demand "that we start then so that we'll be in operation in 1977, he said.

Walpole Reeve Gordon Miller asked when Stelco planned to begin its landscaping and cleaning up program.

He said there has been considerable reaction from people in the town-ship about weeds and old buildings on the property.

Mr. Robertson answered that their "prime concern" is to get some trees started. There will be a presentation in Port Dover highschool at the el of this month on the

"landscaping we plan." He said a budget had been put in to the company for funds for this work and it would be discussed at a board of director's meeting in
