PETE MYKE

Arena Is Now Open

The Hagersville and district arena is open and being used two weeks earlier than at any time in the past. This is a pleasant surprise and for the Minor hockey team and coaches it is a real blessing. The coaches have been able to have several work outs for their teams before the league starts. In other years it meant only one

or two practice sessions before league play.

For the many new people in the area, there is free skating every Tuesday afternoon from 4-5 for public school children. On Wednesday afternoons from 1-2, there is free Pre-School skating. On Friday nights from 8-10 p.m., there is public skating for people of all ages with the same thing on Sunday afternoon from 2-4 p.m.

The house league will start this Sat. and until we can get the schedules printed in the paper, they are posted in the lobby of the arena. Most of the teams are also listed as well.

If your boy's name has been left off, please call the convener of the age group he is playing in and get it straightened out.

As we said earlier, the ice was ready earlier than anyone expected so some of the conveners were not prepared. They are doing the best they can but mistakes will be made.

Flyers Split Games With Norwich

The Hagersville Flyers played two games with the Norwich Merchants last weekend, winning one and losing the other.

Friday night the Flyers went to the new Six Nations arena to play hockey and came up with a solid skating performance and an 8-2 win. Coach Ken Morrison had Anthony Yacobino playing between Dean Webb and Bill Winkworth and the line came up with five goals. Yacobino also had four assists to go with one goal as he set up Webb and Winkworth for their two goals apiece.

Terry Fryett, Glen Hewson and Bob Powell scored the other goals for the Flyers. Neil Palmer was the only Norwich player to score, as he picked up both goals for the Merchants. Kirk Brown and Bill Burke shared the goal tending job, with Palmer showing no favorite as he scored against each net minder.

On Sunday, the teams

Commercial League
Starts Tuesday

The Hagersville Commercial League has formed a new executive and will start league play next Tuesday, Nov. 6th at 8 p.m.

The Hagersville Hawks will make a return to the league after two years absence and will host the Garnet Plowboys in the first game with Cayuga, playing Selkirk Kinsmen in the second game of the evening.

The Haldimand Association
for the Mentally Retarded

invites you to the

MONDAY, NOV. 5,
8.15 P.M.

SPEAKER: Miss M. Skelton
Staff Member of O.A.M.R.

SUBJECT: "The Law and The Mentally Retarded
Wills - Guardianship - Insurance

Parents and Friends Plan to Attend

returned to the Norwich arena for a return match with only the Merchants putting out any real effort. When the game was over, Norwich had a well earned 3-1 win.

Glen Hewson scored the first goal of the game at the 6:10 mark of the first period, with Ross McKeen and Terry Fryett picking up assists. Burke was in goal for the Flyers and shut out the Merchants for the first 30 minutes. He was replaced in net by Bill Downey half way through the second period and Downey kept Norwich off the score sheet till the 18 minute mark, before he was beaten by Doug Zimmer. After two periods the teams were tied at 1-1.

With just five minutes gone in the third period, Palmer got the winning goal. Five minutes later Palmer put the icing on

the cake with his second goal for the night and the 4th in two games with the Flyers. He will stand watching this season.

Next Sunday night Nov. 4th, the Flyers will open the new season at home against Ancaster with game time 7:30. The Hagersville High School band will provide music between periods. It is hoped they will have a good beat as our mayor steps to centre ice to drop the first puck for the opening face-off.

Manager Bruce Campbell expects the league to be real tough this year, with all teams putting out just a little more to knock off last year's league champions. He hopes the Flyers will finish in the top three.

Norwich looks like they will be tough again

this year, as will St. George which already has an 8-3 win over Waterloo in their first league game. It took a period of overtime before Norwich beat Ancaster 6-5 in their first action so it looks as if the Shamrocks have improved.

The Flyers seem ready for the start of the season but Ken Morrison feels the one weak spot is on defence. Two of the five defence-men work shift work and this will put a real strain on the rookies. Ken says this was apparent in Sunday's game when he inserted some new faces into the game and they just don't have the same drive as some of the boys on Friday night.

Keep the date in mind November 4th at 7:30 for the first home game of the Flyers.

M. Payne Installed At Rebekah Lodge

District Deputy Martha Howe and Installing Staff of Uplift Rebekah Lodge, Port Rowan installed the officers of Silver Star Rebekah Lodge for the term 1973-74 on the evening of October 23rd.

There was an attendance of 21 members from Port Rowan, six from Port Dover and 46 from Jarvis, making a total of 73 present. We are always pleased to welcome back Mrs. Jean Butts and Mrs. Gertie Smith from the Niagara area. Miss Helen Sheppard, Assembly Warden

of North Bay was an honoured guest.

Prior to installation the business of the evening was presided over by Noble Grand Hilda Awde and Vice Grand Margaret Payne. Only one officer was absent from the roll call.

The Vice Grand gave her report as convener of the Sick and Gift Committee which showed a very busy year.

The annual Oyster Supper is November 15th at the Community Hall, Jarvis.

District Deputy Martha Howe and her installing staff, attired in lovely blue gowns installed Noble Grand Margaret Payne, and Vice Grand Kay Mitchell as well as all supporting officers in their respective chairs in the usual efficient manner.

The District Deputy outlined the President's

Programme for the year 1973-74. Assembly Warden Helen Sheppard commented very favourably on all proceedings of the evening, stating she was most happy to see our younger members taking offices.

Dorothy Walker, Past District Deputy President, presented Hilda Awde with her Past Noble Grand's jewel and Barbara Phillips Past Noble Grand gave her a gift as a token of remembrance from her two supporters. Mrs. Nellie Stawood welcomed Hilda to the Past Noble Grand's Club and gave her a gift on behalf of the club.

The Assembly Warden received a beautiful crystal bowl as a gift from the district.

Uplift Rebekah Lodge, Port Rowan conducted the closing exercises after which refreshments were served under the convensorship of Mrs. Eileen Munro.

Rockford Personals

Communion service was held on Sunday, October 28, at the regular service which begins at 10:15.

Trevor Marsh of Welland spent the weekend with his grandparents Mr. and Mrs. William Lemery.

Mr. and Mrs. Don Chambers attended the funeral of their cousin, Mrs. Alta Carrington in Sarnia on Monday.

Gordon North visited on Sunday and Monday at the home of Mr. and Mrs. Eldon Porter of Sarnia and also attended the funeral of Mrs. Carrington.

Mrs. William Johnson is convalescing at home following throat

surgery in Brantford Hospital last Thursday.

Mrs. Stanley Anderson and Mrs. Armour Beckett of Stoney Creek have returned from an eight day bus tour to the United States. They visited Williamsburg, Lake Placid and other places of interest.

Mr. and Mrs. Bud Priest and Mr. and Mrs. Doug Priest were entertained at a family dinner on Sunday at the home of Mr. and Mrs. Stanley Dawson of Simcoe.

A large number of people attended the County Ploughing Match on the farm of Keith Edwards on Saturday. About one hundred attended the banquet at the church in the evening when awards were given and trophies presented.

This Week In Ottawa

U.I.C. Payments Down
Unemployment insurance payments in August totalled \$145 million - down \$10.5 million from the previous month and \$9 million below the August 1972 total.

Oil Diversions
Energy Minister Donald Macdonald has sent a telegram to major oil companies protesting

the reported diversion to the U.S. of Canadian-bound oil from the Middle East.

The diversions are being ordered because Arab states have cut short oil exports to the U.S. for its support of Israel in the Middle East war. Oil exports to Canada have not been curtailed.

Canada Offers Aid

Following the news of a Middle East ceasefire, External Affairs Minister Mitchell Sharp said in the House of Commons that "the Canadian government would look sympathetically at any request from the UN Secretary General for additional Canadian officers" should the United Nations need to

expand its supervisory forces in the Middle East.

"We are prepared to consider participation in such a force if we are requested by the parties concerned and if we are satisfied we can play a useful role."

Energy Committees

Following a meeting between Energy Minister Donald Macdonald and U.S. White House energy adviser John Love, the minister announced that the Canadian and American governments will create several joint committees in order to exchange energy planning and to co-ordinate co-operative approaches on specific projects.

Exports Up 14.3%

Canada's exports for September stand at \$1.73 billion - an increase of 14.3% over the year before.

World Food Reserve

Otto Lang, federal minister responsible for the Canadian Wheat Board, said Canada is prepared to support a world food reserve.

At the world grain seminar sponsored by the Canada Grain Council in Winnipeg, Mr. Lang suggested that "discussions on this subject should advance quickly, involve as many nations as possible and be co-ordinated by a committee of the appropriate international organization."

Discussions at the seminar primarily dealt with food supplies. International food experts reported that there would not be any world food shortages this year but food reserves would be taxed.

Dried Flowers Make Summer Beauty Last

Your summer crop of beans and corn has probably been consumed by now, or is put away in the freezer to brighten a midwinter meal. But what about flowers and garden plants? Many can be dried and used for winter arrangements or as home decorations, says Russ Gomme,

horticultural specialist at the Ontario Ministry of Agriculture and Food. Dried flowers and plants may not have the vibrant color or fragrance of summer, but they do have a special beauty of their own. This fall's weather conditions have accelerated the drying process for most common garden flowers and plants.

Straw flowers make excellent indoor dried displays. Bells of Ireland, corn flowers, and honesty are other popular choices for drying. Ornamental gourds and Indian corn are other choices.

Most annual flowers

can be effectively dried by tying branches or stems together and hanging them in a well-ventilated room for about three weeks. Because of their moisture content, gourds take a longer period of time before they are thoroughly dried out.

Gourds should be washed in soapy water and rinsed with a household disinfectant before they are hung up to dry. It's also important to make a pin hole at one end of the gourd to assist the drying process. Plants that can be artifi- cially colored after they have been dried include teasel, and milkweed pods.

Trimmers
Meet

The third meeting of the Lambs' Corners 4-H Club was held at the home of Sharon Field on Saturday, October 20, 1973 at 2:00 p.m. The meeting was opened with the 4-H Pledge and O Canada.

The minutes of the second meeting were read by Peggy Marshall. Each girl then answered the roll call: "The accessories I have chosen to make."

The name of the club was decided to be Lambs' Corners Trimmer.

For Achievement Day, we will be putting on a skit entitled "Selecting Colours For the Bedroom," using all members.

The next meeting will be held at the home of Joanne and Mary Lou Nixon on Wednesday, October 24, 1973 at 7:30 p.m.

Mrs. Verboom and Nancy demonstrated how to make bias strips and corded bias piping.

Each member made a sample of bias strips from plain paper. Ruth Hobbs thanked Sharon for the use of her home.

Union
Library
News

A display of crafts was sponsored by the Walpole - Rainham Library Board in the Selkirk Centennial Hall last week. A great variety of work including needlework and many types of handicraft, all by local people, made a most interesting and attractive display.

The Library Board would like to express their thanks to every one who exhibited their work and helped to make the show a success.

"The Law And The
Mentally Retarded"
Discussion Planned

The Haldimand Association for the Mentally Retarded is planning a meeting of special interest to parents and friends of the mentally handicapped children and adults in our County, to be held at the Haldimand School, Cayuga, on Monday, Nov. 5th at 8:15 p.m.

A subject of concern and interest will be discussed by Miss Moira Skelton, of the staff of the Ontario Association of Toronto. Her theme will be the "Law and the Mentally Retarded" as it pertains to Wills;

Guardianship; Insurance etc. At the conclusion of her address there will be a discussion period, when Miss Skelton will try to answer some of the questions which are uppermost in the minds of parents of mentally handicapped children.

Some of the children from the Haldimand School will be participating in the programme.

Please accept this invitation to attend this very important meeting, and enjoy a social time together after the meeting.

ATTENTION

LADIES MOST WELCOME!

Guide Leaders
Needed In Selkirk

Selkirk is in need of a second leader for the Guide Company. With the present Lieutenant moving, captain Mrs. C. Williams needs a new Lieutenant, or the Company will close. This would be extremely unfortunate for the girls involved who want to be Girl Guides.

Guides are aged 10-14 years old, and a leader doesn't need to have been in the Guiding Movement before. The main priority for a leader is that she be interested in girls. She can learn about the Movement and the programme through books, trainings and District meetings held for the leaders in the Hagersville District, which includes Selkirk, Jarvis and Hagersville.

The aim of the Guiding Movement is to help the girl become a happy

useful citizen and this is achieved through fun and test work and challenges geared for the child's age group. An international feeling enters into Guiding, since it is found in so many countries and since there are four World centres of Guiding - in England, Switzerland, Mexico and India.

Lord Baden-Powell's Guiding programme is based on the Promise and Law. When a girl or leader is enrolled, she promises to do her best, to her duty to God, the Queen and country, to help others and to obey the Guide Law which incorporates loyalty, friendliness, honour and a love of nature among other things.

The gains to be found in Guiding are many, either for the girl involved or a leader. One of these gains is new friends. Anyone interested in helping with the Guide Company in Selkirk is asked to call 776-2075.

Pollution
Fighters

Don't burn your garden debris - compost it. That's good advice from Burke McNeill, horticultural specialist with the Ontario Ministry of Agriculture and Food.

To make a compost pile, gather all the vegetative materials from garden clean-ups, including pea vines, corn stalks and leaves. Pile these materials in a convenient spot in six- to eight-inch layers. Between each layer sord an activator to aid the decomposition process.

Barnyard manure or a fertilizer, such as 33% ammonium nitrate, make excellent activators. There are also commercially prepared products available.

Once the pile is complete, top it off with a six-inch soil layer. Make a shallow depression in the top of the soil layer to catch and hold moisture.
