HAGERSVILLE Highlights

Packed House At W.W.1 Veteran's Night

Mrs. Maxine Hickey, a recent new member of Branch 164, provided appropriate dinner music on the organ, which was loaned for the evening by Culver Appliances of King St., Hagersville. The event was the annual World War I Veteran's Dinner and evening of entertainment, hosted by Branch 164 members and Auxiliary, and was held in the auditorium, Saturday evening, November 10.

Greeting the guests at the door, was President of the Branch, Comrade Clarence Jackson, and Auxiliary President, (as well as Zone Commander) Mrs. Doris Taylor, who pinned a rose corsage on each of the ladies upon their entrance.

Chairman of the evening, Comrade A. Esselment extended a hearty welcome to all in attendance, after which everyone joined in singing "O Canada," and Legion Padre, Rev. A. Thomson said grace. The bountiful pot-luck banquet began with the honoured guests of World War I preceding the line-up.

A beautiful memorial cross was placed on the platform in Memory of William Dunn, veteran of World Wars I and II, who passed away several days ago. Mr. Dunn of Halifax, was the father of Mrs. Clarence Jackson.

First speaker of the evening, was Legion member and Reeve of the Village, Comrade Jack Kincaid. He expressed his sincere pleasure in bringing greetings on behalf of the entire village, but, stated, "it was also unique since this would be the last time that

such an opportunity would be forthcoming." This he said, "was due to Regional Government when we will be known as Regional Ward Four in this area." In his duties, serving as Reeve, he mentioned the support he always received whenever it was necessary from all Legion personnel.

Comrade Alex Mitchell, Past District Commander, likewise expressed his pleasure to be in attendance, and to pay homage to all World War I Veterans, their wives, or widows. He said "service" was one word in the English language that the

Canadian Legion stood for and explained how the Legion had laid the foundation to disregard colour, race or creed.

Comrade, Rev. A. Thomson, M.B.E., the Branch Padre gave several of his famous padre jokes and closed by reading the poem, entitled "New Patriot." Doris Taylor said how happy she was with the large attendance of First War Veterans. "Being Zone Commander," she said "gave her the opportunity to attend other Veteran suppers in the Zone, and this Branch always had the

Friendship Club

Mrs. Maxine Hickey accompanied at the piano for the singing of "O Canada," when the meeting of the Friendship Club was held on Thursday, November 1, in the Anglican Parish Hall.

Ten games of progressive hoss were played during the afternoon, with Mrs. Winnie Mattice being winner of high score and Mrs. Clara Winger - low score. Travelling prizes of the afternoon were won by Mrs. Erle Evans, and Mrs. Hilda Winger. Following the singing of grace, a brief business session took place, while at the same time lunch was served by the committee comprised of Mrs. Rhoda Drinkwater and Mrs. Ettie Doman.

President, Mrs. Hilda Atkinson, stated that at the next week's meeting, we must determine how many will be attending the Sprucedale Train-

ing School for a guided tour, followed by lunch to be held either November 19 or 22. A bus will depart from the local Post Office at 10:15 a.m., and we can expect to return to the Parish Hall for our regular weekly Friendship Club meeting, should the chosen date be November 22.

An announcement was made regarding the forthcoming "Luncheon Is Served," to be held Thursday, November 15 in the United Church.

Friendship Club members may receive transportation following the luncheon, if desired. Get well cards were passed amongst the members for signatures, to be sent to Mrs. Annie Moyer and Mrs. Bessie Gowland.

A letter was read from the United Senior Citizens of Ontario regarding Star Membership requirements. The second portion of the Summary of Community Services for Senior Citizens was read, which pointed out that transportation for the Senior Citizens all over Haldimand County is a most serious problem today. Those on the November visiting committee will be Mrs. Clara Winger and Mrs. Winnie Mattice.

One more member joined the Club recently, making the present membership forty-one, with more always being welcome, to attend each Thursday afternoon at 2 p.m.

Following the Mizpah Benediction, the meeting was adjourned until November 8th when another good time is assured all those, whether members of visitors.

Clerk-Treasurer.

Hamilton Brewing
Association

In this age when there are so many disquieting rumors as to the impurities of water, living germs and microbes: when the tea is so full of oxalic acid, it is a relief to turn to something that one can drink without the feeling that he is introducing a living menagerie into his interior. Regal Lager is brewed from the best of malt and hops and the purest of spring water, by the Hamilton Brewing Association, Limited. As a beverage there is nothing in the market to-day that can take its place; it is light, it is nutritious, and wholesome. For family use it has no rival, and it is specially recommended to invalids and people whose systems are weak and run-down, and which are in need of a tonic to build them up. Wherever Regal Lager is used "good digestion waits an appetite and health in both." Whenever you feel that your system needs a good tonic get Regal Lager. When you desire a satisfying beverage ask for Regal Lager. Any old time you are always safe in drinking Regal Lager. (What a sales pitch!)
