SPORTS ROUNDUP

By PETE MYKE

Minor Hockey

Last Thursday the All-Stars travelled to Cayuga for four games. The Atoms got trounced 8 - 0 in the

first game. In the second game the Pee-Wees won their first game of the year. The score was 5 - 2. Tim Toloson carried the big stick scoring two goals and having two assists. Jeff Myke had a goal and two assists with Rick Veri. Anderson's goal was the winner. Dave Mayor and Roloson turned in great games for the winners. Chris McSorley was the best man on the ice for Cayuga as he was all over the ice and set up both goals the losers got. Tony Krpan and Kerry George scored the goals for Cayuga. The Hagersville Bantams also scored a

Flyers Split Games

The Hagersville Flyers split their two games played last week, losing to Norwich 7 - 3 before winning at home Sunday night by a score of 9 - 1.

Norwich 7, Flyers 3

"They Stunk the place up." That was the remarks of coach Ken Morrison after a lack luster performance in Norwich that cost the team a share of first place. Manager Bruce Campbell said "You don't expect the kids to win every game, but you don't expect an effort like they put out in Norwich either. I am just glad it wasn't at home." I was not present at the game so I won't elaborate on the outcome. From all reports, the boys just couldn't get up for the game.

Kirk had his first bad game of the year in goal and the defence played rotten, giving the puck away 30 times just in their own end. The Flyers outshot the Merchants 36 - 30 so they could not have been all bad as this gives them a territorial advantage in the game and with the erratic shooting of the team they must have had the puck in Norwich's end part of the game.

Jim Chalkey scored twice in the first period and Neil Palmer and Pat Sprague tied once to take a 4 - 0 lead. Glen Hewson picked up an unassisted goal before the period ended to make it 4 - 1. Dean Webb scored his first of two early in the second frame to make the game 4 - 2, then the boys just fell apart.

Palmer, Sprague and then Palmer again in the space of four minutes put the game out of reach for the Flyers. Webb got his second of the night with Tony Yacobino doing all the work on the play. Hagersville had 16 penalties and the Merchants scored five power play goals. At the opposite

end of the ice, Randy Hutchinson played a steady game and came up with the big saves when he had to.

Flyers 9, Waterford 1

Sunday night, the Waterford Tri-Cats came to town and it looked like the Flyers were going to waltz through another 60 minutes. Paul Townsend took a pass from Paul Fryett and Ross McKeen and put the Flyers on the score board. This seemed to wake everyone up. This was the only goal of the first period, with each team having two penalties apiece.

Hagersville scored four unanswered goals in the second period to make the game a runaway. Glen Hewson last year's top point getter for the Flyers, got two goals. McKeen and Winkworth had assists on the plays. Tony Yacobino was set up by Sandy Gibbons and Steve Otterman, before Townsend got his second of the night, with help from Wendell Martin and Paul Fryett. With the score 5 - 0 Bill Winkworth fired home two goals, before Yacobino got his second and Bob Powless

his first of the night. Don Brown, who played a solid game on defence, set up Powless for his goal, while Webb and Gibbons got assists on Tony's goal. Bill Ball spoiled Brown's bid for a shutout, when he scored at the 11 minute mark of the last period.

After watching Kirk work the first two periods, it seems hard to imagine him playing a bad game in Norwich. He was sensational in the first period and stopped Norm Booth on a clear breakaway. He also took a shot full in the face and it is easy to see why the mask has become a way of life for the goal tenders. At one point in the second period, Hagersville had three men in the penalty box, but the Cats could not score.

Hewson, Otterman and McKeen did a great job killing off the penalties with both McKeen and Hewson getting good scoring chances. This Sunday will be the big game of the year so far, as St. George comes to town holding a 2 - 1 win over the Flyers. This should be quite a struggle and there should be a great crowd on hand to watch.

Juveniles Have One Sided Win

The Hagersville Juveniles looked very impressive on Sunday in downing Six Nations by a lopsided score of 9 - 2. Wayne Huffman was the star of the show as he scored three times, including the winner.

Six Nations started like they were going to hammer Hagersville into the ice, but two quick penalties and two power play goals settled the teams down to playing hockey. Six Nations had six of the ten penalties called in the game and Hagersville scored on four of them.

Fraser Gibson scored two goals and had three assists for Hagersville, with Warren Jackson also scoring twice. One of Jackson's goals was a long slap shot from center ice that the goalie couldn't handle.

Darrell Watson, Craig McKeen and Dwight Watson played well together with McKeen and Watson getting goals. Danny Donato played a hustling game and earned four assists for his efforts.

Steve Miller and Frank Davis scored for Six Nations with Miller being the best man on the ice for the visitors. Hagersville travels to Cayuga for a game next Tuesday before coming home to play Ancaster next Sunday December 2nd.

Six Nations Take Four Games From Hagersville

The Six Nations Minor Hockey teams came to town and made a clean sweep of the Hagersville teams on Monday night.

In the first game, the Atoms lost by a score of 0 - 0. Kevin Sandy and Gene Johns shared the shutout for Six Nations. Curtis Hess scored twice. Randy LaForme

also scored two while singles went to Larry Hill and Todd VanEvery.

The Pee-Wees looked like they were going to make it two in a row for the first two periods, then the roof fell in. Larry Martin scored first for the visitors, before Jeff Winger tied it up with a determined

effort. Doug Slack then pushed one in with Winger and Veri having assists. Six Nations then scored eight - third period goals to run away with the game. Greg Henhawke and Larry Martin scored two each with singles going to James Hill, Scott Martin, Mark Hill and Jeff Reid.

The Bantam game saw Kim Smith score twice for Six Nations, with singles going to Mark Styres, Dale Henhawke and Curtis Styres. Kevin Smith scored for Hagersville to spoil Clarke Statts bid for a shutout.

The Midgets were outclassed by a smooth

team from Six Nations and went down by a score of 7 - 1. Wayne Martin Jeff Isaacs and Darryl Powless scored two goals each for the winners with Earl Reid getting the 7th goal.

Craig McKeen scored the lone goal for the Hagersville team to take away the shutout attempt by Glen Johnathan who used to play for Mike Salvatore who was asked to leave the bench for the remainder of the game. It seems Mike and the referee had a difference of opinions. The next hockey for the All-Stars will be next Monday when Waterford comes to town.

House League Action

(continued from page 7)

Flyers 13, Hawks 0

A five goal performance by Mark Wardell was the big story of the week as the Flyers overpowered the hapless Hawks 13 - 0. The Hawks resembled their namesakes before the arrival of Bobby Full. Barry Dougherty, Richerich and Mark Tobiocoe also scored goals as the coach was heard to remark that the boys were really moving the puck around. Salvatore, Webber and McKeen all looked good

ers just outclassed the Hawks.

Bantam Action.

Aces 6, Fisherville 3

Little Brian Salvatore scored twice to pace the undefeated Aces to their 6 - 3 win over Fisherville. Scott Webber, Peter McKeen, Kevin Phillips and Norm Tobicoe also scored goals as the coach was heard to remark that the boys were really moving the puck around. Salvatore, Webber and McKeen all looked good

for the Aces. Fred Nagel Robert Rue and Fred Nagel again were the goal getters for the Fisherville team.

Jarvis 4, Blues 3

The Jarvis Bantams hung on to defeat the Blues 4 - 3 in a close game. The Jarvis scoring was spread around amongst four boys to show the type of balance the team has. Jeff Payne, Wayne O'Shell, Mike Adamovich and Alan Campbell all scored for Jarvis, with Campbell's being the winner. Mark Hopper scored twice for the Blues and Henery Binek once for the losers.

After a scoreless first period Murray Winger put Garnet ahead with an unassisted goal. Jim Lamb tied the score with Rich Hamilton picking up the assist. Fred Montague made it 2 - 1 Garnet and that's the way the period ended.

Ralph Evans and Jim Lamb scored 40 seconds apart to start the third period and Selkirk never looked back after this. Marshall Lindsay, Evans, Lamb and then Lindsay and Evans again broke the game wide open. John Beischlag and Fred Montague, with his second of the night rounded out the scoring.

Minor Hockey

(continued from page 8)

6 - 2 win over Cayuga Bantams. Dennis Smith scored an unassisted goal to open the scoring for Hagersville before Larry Kett took a pass from Rick Swing to make it 2 - 0 after the first period. Cayuga made it 2 - 1 when Rick Otterman scored. Kett got his second of the night before Kevin Smith made it 4 - 1 with a solo effort. Otterman scored his second of the night with Peter Horvatis earning the assist. Mike Liscombe rounded out the scoring after being set up by Dennis and Kevin Smith.

The Midgets won 5 - 1 in a wild and woolly affair that saw 26 penalties called. Cayuga scored first with just seven minutes gone, but that's all they got. Wayne Fearman scored the

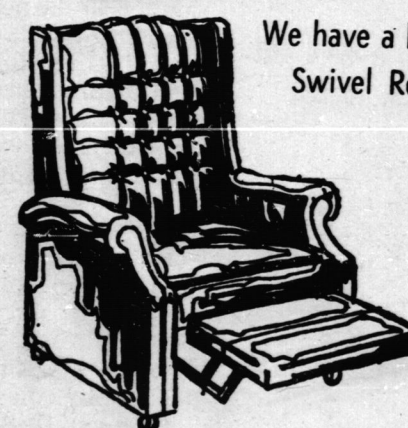

first Hagersville goal with Wayne Huffman and Wayne Fleming getting assists. Bob Thompson scored the winner after being fed the puck by Joe Roloson and Scott Cronk. Cronk had four assists as he set up all but one goal. John Montour scored, then, Thompson scored two more for his hat trick.

SELKIRK DOWNS GARNET 8 - 4

The Selkirk Kinsmen scored seven goals in the third period to break open a close game and grab a share of first place in the Hagersville Commercial League.

There was six penalties in the game with each team picking up three. With Cayuga and Binbrook Dropping out, the teams will play a full length game each Tuesday night and there will be just one game a night. This should make for a strong league and a good league, with plenty of good hockey.
