Flyers Announce Training Camp

The Hagersville Flyers will be opening their fall training camp at Hamilton's Triple Rinks in preparation for the 1973-74 season in the Southern Counties Jr. D hockey league. Flyer's coach, Ken Morrison said camp would start on Wednesday, September 26th with a team meeting at the Hagersville Legion at 7:30 p.m. At that time, prospective players will meet the Club's management and coaching staff, as well as discuss the upcoming season and club policy. The team's first ice workout would take place on Friday, September 28th at the Triple Rinks at 8 p.m.

"Any player who wishes to try out is welcome," said Morrison. "We're going to judge people on their training camp performance and not on last year's performance. We expect everyone to come to camp in shape, and to this end, we've sent out pre-season exercises in our invitations. Anyone who didn't receive an invitation but would like to try out and wants a copy of the exercises is asked to contact me at 765-6672, and we'll make sure they get them."

Concluded coach Morrison, "The people who come into camp prepared will obviously look better in the early going, and that could be the difference between making and not making club. We intend to make our first cuts by the second and third practice, so it's imperative to be in shape and keep

Billy Winger "Mr. Clutch" In Win

Coach Nat Salvatore said, "It was the greatest bit of clutch pitching I have ever seen" and with this statement went a lot of praise for Bill Winger who turned in one fine performance in Orono on Saturday.

The Hagersville Legion Bantams advanced into the Ontario Baseball Finals by winning in Orono by a score of 5-3. This was a great come from behind win as Orono led at one point 3-1. Errors kept Winger in hot water throughout the game as the centre of the infield made six errors and 11 in two games.

This was a good hitting team in Orono, but could not match Hagersville's 13 hits. The 10 hits the home team got, along with two walks, show the type of pitching Winger had to come up with in the clutch to keep them from scoring more than three

runs. Winger struck out 13 men, with two of them coming with the bases loaded.

The coach and manager felt there had been a good team effort turned in by all the players, but they felt Winger was the difference in the two clubs. Orono went in front with single runs in the first, fourth and fifth innings. Two of the runs were unearned, as the second baseman and shortstop couldn't find the handle on the ball.

Hagersville finally got a run in the top of the 4th to make it a 2-1 game. They then scored two in the 6th to make it a 3-3 tie. In the 8th, Darrell Watson walked. Phil Nie got his third hit of the game to send Watson to third as he ended up at second. Ralph Aude singled for his second hit of the game to score the winning runs. Wat-

son and Mike Montour had two hits apiece, with singles going to Richard Salvatore, Randy Strohm, Terry Crawford and Mike Tataric. The Legion Bantams will now play in the O.B.A. finals, but their opponent has not been

decided as yet. Watch the board on the corner and for posters as to when the next game will be. This is the last Hagersville team in the hunt for an all Ontario championship so lets go out and give the boys some support.

Lose In Semi-Finals

The Jarvis Bantams went all the way to the semi-finals before blowing their biggest game of the year to Rodney by a score of 16-11.

Rodney won the first game by a score of 10-9, with Jarvis winning the second 16-9. In the first game Jarvis took a 2-0 lead on hits by Dale De la Fosse and Sam Druyff in the first inning. They added three more in the 4th, with Dale Vaughn and Dennis Graham getting hits along with walks to Wayne Fleming and Mike Adamowich.

R. Fess, Graham and Fleming combined for a run in the 5th. Graham, Fleming, Vaughn and Smelser hit safely in the 9th to score three more times as Jarvis left runners on second and third in the 9th.

The second game played in Jarvis saw the home team come up with a well played and well earned 16-9 win. De la Fosse survived a four run first inning to go on and pick up the win. Seven of the runs that Rodney got were home runs as the big catcher got three of them. McPherson, the catcher, and Padfield, the pitcher had five homers between them. Jarvis got three in the first inning, one in the

4th, six in the 6th, and three in each of the 7th and 8th innings. Smelser had three hits to pace the Jarvis hitters, with Fess getting two and Graham two. Adamowich, Veldhuis, Fleming, Davidson and Druyff all hit safely in this game.

The third game saw Rodney come to play, and bat around in the first inning to score six times. They added two in the 3rd and six more in the 6th when they put the game out of reach. The final two runs came in the 7th on four hits. In all, Rodney banged out 23 hits.

The centre fielder for Jarvis ran miles chasing down batted balls and played an outstanding game. Vaughn, who worked in relief, turned in a good game and handled five chances himself while pitching. Fess got some sort of revenge when he got to bat as he cracked a home run and three singles for a good night's work at the plate.

Dale Vaughn had four hits, with De la Fosse and Graham getting two each. Fleming and Veldhuis had two hits apiece, with singles going to Smelser, Davidson and Druyff. Adamowich hit a triple and two singles and turned in a steady game at second base.

To Attempt 15 Car Jump

Bob Gill - "The World's Champion Motorcycle Jumper" will attempt to jump 15 cars this Sunday September 16th at Dragway Park, Cayuga.

Bob Gill and his Kawasaki are safety conscious. During all his jumps, Gill wears a full set of dress goatskin leathers, full coverage crash helmet, gloves, and special inserts in his boots.

His Kawasaki motorcycle has special frame and suspension modifications in order to withstand the landing impact. Bob Gill is the only motorcycle jumper in the world to perform without the aid of a landing ramp. It's much more difficult to land on the ground, but it's much more exciting to watch.

W. J. Heaslip Ltd., Kawasaki Sales & Service, Nelles Corners, will be giving away a MTI Kawasaki mini bike

to some lucky person attending this event.

Wheelstanders "Wild Bill" Shrewsbury and his "L.A. Dart" and Roger Words "Mustard Cutter" will also be performing at this race. Children under 12 admitted free if accompanied by an adult.

Juveniles Sloppy In 13-4 Loss

Both coaches and the manager of the Hagersville Juveniles agreed that the inability of the players to hit a little round house curve cost the team a chance to win the O.B.A. championship.

This was all Al Colquhoun from Clinton threw on Sunday and it kept the Hagersville hitters off balance so that they picked up only three base hits, all singles.

Dean Webb, Randy Curran and Darrell Watson were the only ones to hit safely.

Watson, being up from the heavy hitting Bantam team, played well in the field and showed a lot of hustle on the bases. Watson scored the first run for Hagersville by getting a single in the second and going to third on a wild pitch. He came home when Wayne Johnson grounded to short.

In the 6th Craig McKean and Danny Donato walked. Paul Fryett grounded out, with both runners moving up. Watson then hit a ball to third that the fielder threw into right field, allowing two runs to come home. Watson then came home on a sacrifice fly to Curran. This was the last time

the boys threatened in the game.

Clinton scored two runs in each of the first two innings. Walks, errors and two hits let in four runs. An error, two walks and a single gave Clinton two more runs in the 5th. A double, walk, single and a towering home run over the left field fence made up four more runs in the 6th and this put the game out of reach for the home team. Clinton added three more in the last inning off Randy Curran.

Eight Hagersville batters looked at "called" third strikes as they seem bewildered by a curve. Umpire Bill Helka, who did a fine job behind the plate, said after the game that the thing was only breaking about four inches.

Good control and always being around the plate made Colquhoun look very effective.

With only two umpires present, Doug Scott had one of his best games - making the right call on about six close plays.

Larry Atkinson, Denny Wilson and Donald Richardson did a real job with the team this year and deserve a lot of credit. As one player said after the game, "I

didn't get to play too often this year, but the coaches taught me a lot just sitting on the bench." If all the players had this outlook on ball Herby, it would be no problem to coach or manage a winner.

The boys would like to thank the Branch 164 of the Hagersville Legion for the support they received this year. They would also like to thank the arena board for opening the arena and making the wash-room facilities available to the public.
