## In Memoriam

Mitchell, Stan: In loving memory of Mitch and Dad who passed away one year ago, August 21, 1973.

He came into our lives  
And walked with us a mile,  
Then because of circumstances  
He only stayed a while.  
He served a need within the days  
That moved so quickly by,  
And then were gone beyond our reach  
And we are left to sigh.  
Again today we walk with you,  
Down through the years gone by,  
And though unseen we feel you near  
And we thank God we shared a smile.

Marj, Wayne, Gary, Vaughn, Darryl and the girls.

## On The Green

by Ruth Hagan

winners of the games were as follows: ladies high, Marg Gushart with two wins 15; second went to Mabel Wilson with one win 20 plus 4. Men's high went to Ted Dunnett with two wins 21 plus 1; second went to Tom Laidlaw with two wins 18. Its good to see Tom bowling again. Prizes were donated this week by Mr. Fred Keifer. Lunch was put on by the committee of Bonnie Vanni, Queenie Bush and Peggie Hyde. They served cookies, tea and coffee.

Last week I told you a little about "Starting The Game, Stance on Mat, Delivering the Jack, Movement of Bowls and Touchers." So I will tell you a little more about it this week. Marking a "Toucher":

A "toucher" shall be clearly marked with a chalk mark by a member of the player's side. If, in the opinion of either Skip, or opponent in Singles, a "toucher" or a wrongly chalked bowl comes to rest in such a position that the act of making a chalk mark, or of erasing it, is likely to move the bowl or to alter the head the bowl shall not be marked or have its mark erased but shall be indicated as a "toucher" or "non-

toucher" as the case may be. If a bowl is not so marked or not so "indicated" before the succeeding bowl comes to rest it ceases to be a "toucher". Care should be taken to remove "toucher" marks from all bowls before they are played, but should a player fail to do so, and should the bowl not become a "toucher" in the end in play, the marks shall be removed by the opposing Skip or his deputy or marker immediately the bowl comes to rest unless the bowl is "indicated" as a "non-toucher".

Action of "Touchers": "Touchers" may act on the Jack, and on "Touchers" in the ditch. Bowl Accounted 'Dead': (a) Without limiting the application of any other of these Laws, a bowl shall be accounted dead if it: not being a "toucher", comes to rest in the ditch or rebounds on to the playing surface of the rink after contact with the bank or with the Jack or a "toucher"; in the ditch, or after completing its original course, or after being moved as a result of play, it comes to rest wholly outside the boundaries of the play-

ing surface of the rink, or within 15 yards of the front of the mat or, in its original course, pass beyond a side boundary of the rink on a bias which would prevent its re-entering the rink.

(b) Skips, or Opponents in Singles, shall agree on the question as to whether or not a bowl is "dead", and having reached agreement, the question shall not later be subject to appeal to the Umpire. Any member of either team may request a decision from the Skips but no member shall remove any bowl prior to the agreement of the Skips. If Skips or Opponents are unable to reach agreement as to whether or not a bowl is "dead" the matter shall be referred to the Umpire.

Bowl Rebounding: Only "Touchers" rebounding from the face of the bank to the ditch or to the rink shall remain in play.

Next week I will tell you about Bowl displacement, "Line Bowls."

"Lawn Bowling for Health and Fun - Bring a Friend."
