Jarvis P.S. Report

by Sandra Druyff and Kris Rungts

To start our late November report; on Halloween night the pupils of Jarvis Public School collected the sum of \$65 for UNICEF. We would like to thank all who contributed to this worthy cause.

The girls at school have organized a volleyball team to participate in the coming tournament to be held at the Hagersville Secondary School on December 14.

The grade 7 and 8's hope to make their school trip worth remembering this year, with a trip to Ottawa. Each individual will have to pay \$55 which will cover the bus ride to the train station in Brantford, the train to Ottawa, hotel reservations and

amusement. One thing the \$55 does not include is our food. We will be leaving in May on a Wednesday afternoon and arrive in Ottawa in the late evening. We will leave Friday in the late afternoon and be home very early Saturday morning (about 1:00 a.m.).

Mrs. Hall, the grade 7 and 8 teacher, will be leaving at the end of December. We will have a hard time replacing her, considering she is not only a qualified teacher, but a music teacher for the school as well.

Mrs. Goddard is leaving the end of this year also. She teaches grades four and five.

We will be sorry to see them go!

The Cayuga branch of the Caledonia Community Credit is scheduled to open its doors on February 1, 1975. Cathie Laidman, who is present manager of the Hagersville branch will be opening the Cayuga office. Eva Awde has been promoted to the manager of the Hagersville branch.
