

## Friends 'n Neighbours

The BIC ladies held a Christmas party for their Auxiliary Group at Cheapside Community Hall last Wednesday night.

The rain and ice storm of Sunday night gave us a chilly feeling when hydro was off in the Selkirk-Cheapside Community from 12 - 8 hours. The cause was

from twelve hydro poles down west of Cheapside and five east of the village. Someone did overtime work to get everything back in running order before daybreak Tuesday morning.

Christmas lights are cheering the villages in this area of the City of

Nanticoke. We kind of like this glow of the season.

Some old faces and some new were guests at the BIC Church on Sunday. They were guests, relatives at friends who attended the Hoover wedding on Saturday.

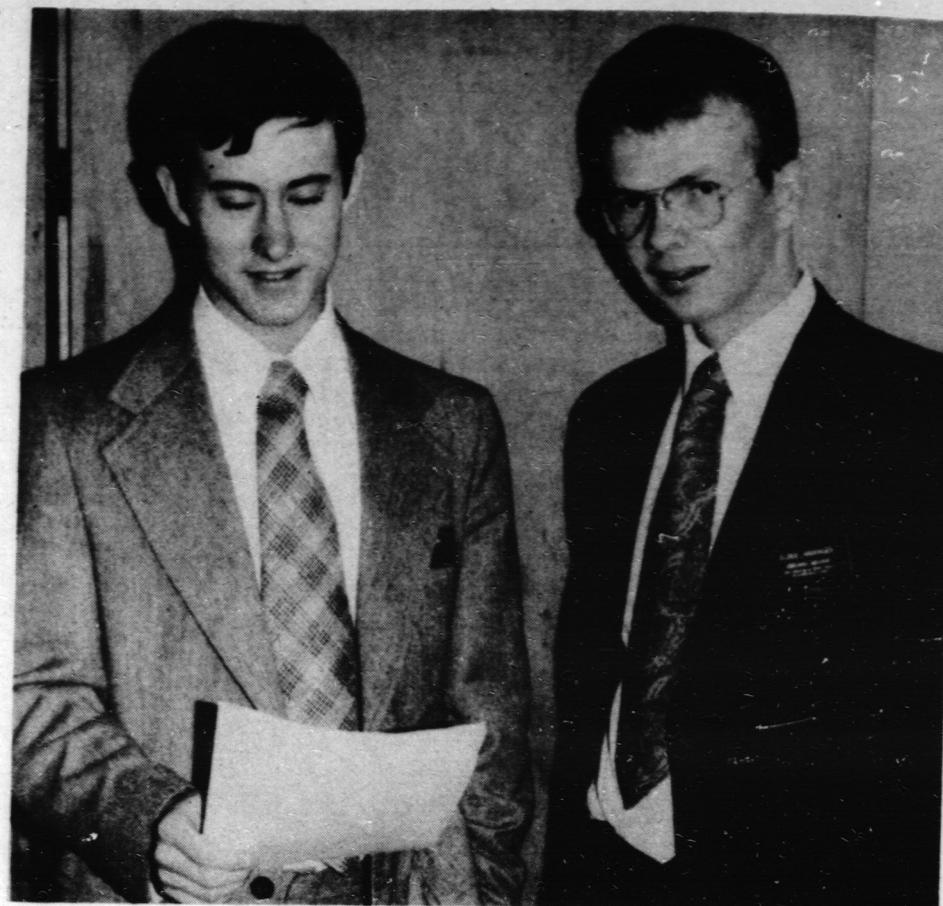

On Dec. 7th a Penny Sale was held by Dianne MacFarlane and Deanne Nelligan. Knocking down tin cans with balls and breaking balloons with darts were the games played.

Books, comics, presents for the family and toys were sold. The girls also had baked goods for sale. Quite a few kids came and found it fun.

A large stuffed Snoopy donated by Ron Smith was won by Bryce Hazlett. A cake was also drawn for and won by David Durrant.

Deanne and Dianne made approximately \$12.00 and Mrs. Nelligan and Mrs. MacFarlane said they would double what they made. The girls are donating to the Salvation Army.

Don't forget the Jarvis Lions Turkey Raffle and Draw at the Community Centre Saturday evening, starting at 8:30.

## Missionaries Won't Be Home For Christmas

The nostalgic strains of "I'll Be Home For Christmas" won't be played for two young missionaries of The Church of Jesus Christ of Latter Day Saints.

This year they will forego Christmas with their own families so that they might bring a special message to the residents of Jarvis.

The missionaries serving in the Jarvis area, Elder Andersen from Utah and Elder Thorpe from California, said, "We feel it is a privilege to be here during Christmas and to share a message testifying that Jesus Christ is the Son of God, that He was born nearly 2000 years ago, that He lived then, was resurrected, and lives today."

The residents of Jarvis have shown an interest in their message and both missionaries commented on the warmth and genuine friendship with which they

have been received. Elder Andersen went on to say, "The warmth that radiates during this season comes from the Spirit of Christ which is in the air. At this time, more than any other, people think of others and try to express, either in word or deed, their desire to make someone happy."

Elder Thorpe commented that Spencer W. Kimball, the living Prophet who stands as the President of The Church of Jesus Christ of Latter Day Saints, made the following statement: "Christmas is a fitting time to renew our desires and to strengthen our determination to do all that lies within our power to make real among men the message heralded by the angels when the Saviour was born. Let us glorify God by seeking the good, the true the beautiful! Let us strive to establish peace on earth by exercising that same good will toward one

another which God has shown toward us!"

The rapid growth of The Church of Jesus Christ of Latter Day Saints can be attributed in part to its vast missionary programme. There are 18,600 young men and women who are currently serving in most countries of the free world.

These young people, many of them under 21, voluntarily give up 18 to 24 months of their own time and pay their own expense to accept calls as missionaries for the Church. There is no professional clergy in the Church, therefore, education and training for future occupations is set aside until the completion of their missions which they consider to be a privilege rather than an obligation.

The Canada Toronto Mission, which includes most of the Ontario province, has within its boundaries approximately 200 missionaries that will forego Christmas at home this year to extend to each resident of area communities warm wishes for a very Merry Christmas and a most joyous holiday season by teaching the Gospel of Jesus Christ.

### Blood Donor Clinic

A Blood Donor Clinic, sponsored by the Simcoe Jaycees, will be held at the Simcoe Legion, West Street on Monday, December 16. Donations will be taken from 2:30 p.m. to 5 p.m. and from 6:30 p.m. to 9 p.m.

Numerous door prizes and refreshments will be given out. Also CHNR Radio Station will be there reporting on the donations and distributing records.

at 8 p.m.  
Tickets \$2.00 or parents and children \$5.00

## There Just Aren't Enough People Named George

Holly, mistletoe, twinkling lights, mysterious packages, carollers, laughter, blood shortage . . .

Blood shortage? Unfortunately, yes.

Because people are extra busy with holly, mistletoe, etc. they tend to postpone their visit to a Red Cross blood donor clinic until after the holidays.

But urgent surgery can't be postponed. And nobody can tell an accident to wait three weeks. Fewer donors plus increased needs means a blood shortage.

There is only one way to prevent it. Persuade more donors to take that half hour of time necessary to make a blood donation. Tell them how important it is. Tell them one blood donation can help as many as five people back to health. Ask them to share the joy of life.

How do you combat their "I'm too busy, let George do it" attitude? Maybe by telling people that in this vast and vibrant nation of ours, there just aren't enough people named George. A voluntary blood transfusion service needs volunteers - of all names.

So come Tom and Dick and Harry, come Jane and Alice and Mary, come Prancer and Dancer and Donner and Vixen - **GEORGE NEEDS HELP!**

Give blood this holiday season.

## Counter Clockwise

December 31, 1936

A motorcycle driven by Russel Pyle of Dunnville collided with a car, owned and operated by Robert Lysch Sunday night.

Mr. and Mrs. Thomas Brown celebrated their 40th anniversary last Wednesday.

December 17, 1936

Mr. and Mrs. John Butcher celebrated their 49th anniversary last Sunday.

Retiring Haldimand Warden Lea Marshall was presented with a gold watch from members of county council.

The tax collector's report shows 90 per cent of the taxes have been paid in Jarvis.

Mr. Bert Fitzgerald, who has been employed by D.C. Allen, in charge of his piggery has been ordered to take a complete rest.

Mr. and Mrs. A.A. Miller and Mr. and Mrs. J.A. Duncan and daughter Joyce Marie spent Sunday afternoon with Premier Mitchell Hepburn and Mrs. Hepburn at his farm in Elgin

County. While there they met George McCullough, editor of the Globe and Mail.

December 10, 1936

The 12th Merchant's draw was responsible for another packed hall Saturday night. Professor Rodgers of Simcoe completely captivated his audience with sleight of hand tricks for nearly an hour.

December 28, 1944

Mr. and Mrs. Moyes C. Honey, recently married, were the guests of honor at a community shower in the Jarvis Town Hall last Wednesday night.

December 28, 1944

Four strands of hair from the head of Mrs. Eva Such saved the lives of four soldiers in France. A lock her husband carried with him was used to sew nerves in the soldiers' heads after they were hit by shrapnel. Fire Chief W.J. Elliott tendered his resignation as head of the volunteer fire brigade.

## ON THE FARM FRONT

By Ontario Ministry of Agriculture and Food Cayuga

Pig feeders are warned that corn affected with a pink mold can cause health problems. Moldy corn is not advised for pig feeding. Excepting in unusual circumstances no problem is anticipated if the same corn is fed to cattle.

-oOo-

Current price for hay in Britain is \$140 per ton. According to the Department of Industry Trade and Commerce a trial shipment of 50 tons of

Canadian hay is being made to the British market.

-oOo-

Starting July 1, 1976, the U.K. will be able to import only certified seed of specified varieties in accord with Common Market requirements. Canadian growers sold over nine million pounds of grass and clover seeds to the U.K. in 1973-74. To maintain that market, apparently production of certified seed after 1975 will be required.

-oOo-

A crop production night

school course will start on Tuesday, January 7. Registration along with the other night course registration may be made at any of the Haldimand Secondary Schools or for the crops course at the agriculture office, Cayuga. Subjects to be discussed will include: Prospects for Profit in 1975, Soils and Fertilizers, Drainage, Tillage, Weed Control, Insect Problems, Varieties, Tillage and Harvest Equipment, Crop Storage and Handling Systems. Presentations will take into account recent changes in price of inputs, returns for the crop and in crop production.

technology. Early registration would be appreciated.

-oOo-

Some recently mentioned statistics:

- Canada's farmers make up less than 7 per cent of the population.

- In 1973 some 40 per cent of the jobs in Canada had to do with some part of the food system.

- The meat slaughtering and packing industry alone employed 31,293 Canadians in 1972. Dollar turnover amounted to \$35,551,000,000.

- Poultry processing in the same year employed 8,000 people and shipped \$359,000,000 worth of product.

- The 29,000 workers processing dairy products sold \$1,574,000,000.

- Some 10,500 workers who can Canada's fruits and vegetables handled \$53,000,000, while the freezing industry, employing 3,000 shipped \$108,000,000 worth of goods.

- Agricultural products made up 12 per cent of Canada's total exports last year.

- Canadians only spend an average of 21 per cent of their income on food.

- In most developing countries 65 to 90 per cent of the people work on the land.

## H-N Police Report

The following is the activity report for November, 1974 from Div. No. 2 of the H-N Regional Police.

November was a relatively quiet month for the personnel of Division No. 2.

There were 16 major and nine minor auto accidents reported with no personal injuries. Officers investigated 185 occurrences involving 54 general complaints, six willful damage reports, five motor-vehicle thefts, four thefts from motor-vehicles and one missing bicycle. Also, there were eight assault charges laid, three requests for assistance from other departments and three missing persons reported.

This division made 14 arrests and answered two requests for assistance from other police departments. Officers served 14 summonses, provided escort duties on three occasions

and assisted in nine property surveillance checks.

There were 34 charges laid under the Canadian Criminal Code, 27 under the Highway Traffic Act, 12 under the Liquor Control Act and three under other provincial statutes.

Police cruisers logged over 17,000 miles last month while patrolling their assigned districts.

### MESSAGE

The winter months will provide lots of opportunity for everyone's favorite sport. Snowmobiling is one of Ontario's fastest growing one. More and more, families are finding pleasure in winter through this recreation. HOWEVER, the LAW regulating snowmobiles and their operators is there to ensure everyone's safety and protection. All snowmobiles must be registered with the Ministry of Transportation, before being driven on a

highway. It must be registered with a number plate for the current year, insured properly, be in good working order, and the driver must be 16 years of age and hold a valid driver's licence.

The snowmobile is subject to all rules of the road, the same as a motor vehicle. Common sense must be used at all times.

PARENTS, please do not allow your children to experiment with possible death or serious injury. Take time to supervise their operation of these machines. If the machine is being operated on private property by children, have the throttle fixed in a low speed. Your local police department will be more than happy to explain the law governing this winter recreation, in the interest of public safety. Thank you.

Sgt. W.R. Burger  
Div. No. 2, Caledonia.
