a one man show and scored no less than seven goals as the Leafs swamped the Canadians 12 - 0. The seven goals is more than his dad scored in a season. Dennis Smith chipped in with three goals, but had to settle for second star in this game. Tom Hill and Chris Webber scored single goals as Brad Marshall earned the shutout.

Rangers 4, Bruins 3
In a battle of big guns, Scott Johnson came out on top as he fired home four goals to sink the Bruins 4 - 3. Gerry McCarthy scored three times, but in this game it was just too much Johnson.

Atom Action
Wings 3, Canucks 0
Kevin Saunders, David Nixon and Dave Cambell scored a goal apiece as the Wings shutout the Canucks 3-0. This was a well played game with both teams having the same amount of chances, but the Wings cashed in on theirs.

Sabres 2, Hawks 1
The Hawks played their best game of the season, but still came up on the short end of a 2 - 1 score. Jeff Cambell and Tom Clause scored for the Sabres with Clause's being the winner. Tom Bain finished off a three way passing play to give the Hawks their first goal in three weeks.

\$15 Billion Expansion Planned

Ontario Hydro estimates it must expand its province - wide power system by 92 percent to 31.5 million kilowatts during the next eight years, "in order to meet the requirements of the people of Ontario for electrical energy."

Total estimated capital expenditures for the period 1974 - 1982 in the order of \$15 billion are foreseen.

Hydro's written submission to the first of a series of hearings which start Monday before the Ontario Energy Board states that Hydro "also anticipates that in order to meet its rising costs and maintain its financial integrity it will be necessary for its rates to increase in order of at least 10 per cent per year over at least the next three years.... these increases will be the subject of detailed

shutout the Stars 1 - 0. This was a real good hockey game for this age group. Brian Hartwick scored the only goal of the game to earn the win.

Bantam Action
Jarvis 1, Fisherville 1
In a close struggle, the two teams played to a 1 - 1 tie. The score indicates the type of game and it was fitting that it ended in a tie. Andrew Mehlenbacher scored for Fisherville and Allan Cambell replied for the Jarvis Lions.

Aces 7, Blues 2
The Aces took on the Hagersville Blues and came out on top by a score of 7 - 2. Coach Ron Mayor had his big line in high gear and they came up with all seven goals. Rodney Winger scored four times, while linemates Scott Mayor and Jamie Buckingham scored three more. If any team is to beat this crew they will have to stop the big three. Gregg Scott and Jeff Stewart scored the goals for the Blues.

examination at subsequent hearings...."
The hearings, open to the public, were established by authority of the Ontario Energy Amendment Act of July 17, 1973. The Act provides for the first time establishment of a mandatory public review process in respect of any rate change to take effect on or after January 1, 1975. The Board was also empowered to review Hydro's generation program, its financial policies and objectives.

The submission says, "There are at this time predictions of both runaway inflation and of severe economic recession, due in the opinion of some, to the energy crisis."

"There is no reason to believe that the turmoil of these times will be of only short duration. The next 20 years will face Hydro with challenges equal to and perhaps surpassing any it has faced in the past."

Hydro's first submission deals with the system expansion program planned by the provincial utility for the period of 1977 - 1982. Later, at a date to be announced, the Board will examine Hydro's proposed financial policy and next May Hydro will make its submission for a rate increase to be effective January 1, 1975.

Hydro's submission says, "Ontario Hydro regards this series of

Juveniles Coast To 6-4 Over Six Nations

The Hagersville Juveniles coasted to a 6 - 4 win over the Six Nations Juveniles in a game played at Ohsweken.

The home team picked up 10 minor penalties to Hagersville's two and this paid off with three powerplay goals for the winners.

The teams traded goals in the first period with Hagersville drawing first blood. Craig McKeen scored with Chuck Anderson picking up the assist. Adrian Jacobs got that one back for Six Nations before the period ended. Roger Martin set up this goal as he did the next one for the home team.

Chuck Anderson put Hagersville ahead early in the second period and the boys never trailed after this point. Darrell Watson scored with the assists going to Dave House and Dave Smith. Maurice MacDonald scored for Six Nations with Roger Martin adding another.

Dave Smith scored the winner for Hagers-

ville in the third period just before Steve Miller scored for Six Nations. Fraser Gibson was set up by John Montour and Watson with Dave Smith adding the last goal of the game.

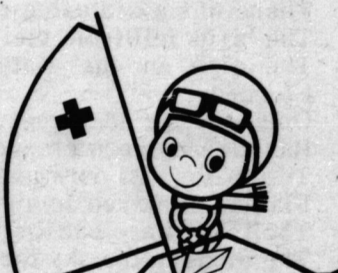

Smith had his best game of the season when he was needed most. He scored two goals and had two assists for a fair days work against a tough Six Nations crew.

The game between Hagersville and Langton on Sunday was rained out as ice made the roads poor for travelling. This game will be rescheduled at a later date.

Winter Safety Tips

Ice-boating on lakes and rivers needs a very strong ice surface.

When cross-country skiing be sure ice-covered ponds have a 4-inch ice depth.

What's Wrong With The Flyers?

The most often asked question in the past two weeks is "What's Wrong with the Flyers?" It is only five words, but no one seems to be able to come up with an answer.

This is the same team that was fighting for first place as late as New Years day. After a four game losing streak, the team now is looking behind them to see if they can hang on to second place. Two teams are only two points behind and unless the Flyers shake their slump they could drop all the way to 4th or 5th in just a couple of games.

Time has not allowed this writer to view the last three games so we will not attempt to make excuses or put blame for the poor showings anywhere. By next week though it is hoped I will have talked to management, coaches and players to see if any one has any ideas of where the problem lies. If it is just a slump, all well and good, but if the problems lie deeper than this, playoffs are only a couple of weeks away.

The period ended 2 - 1 for Delhi with Hagersville sitting out four of the six penalties called. Both of the goals scored were powerplay goals by the Flames. Delhi was a man short at the time of the Flyers goal as well.

Delhi was two men short when Hagersville

Midgets Tie With Port Dover

It took a third period goal with just four minutes left in the game for the Port Dover Midgets to tie the Hagersville crew at 1 - 1.

This was a well played and exciting game, with plenty of action at both ends. Hagersville picked up six penalties to one for Port Dover.

After a scoreless first period, the visit-

Next Week Is Minor Hockey Week

Next week is minor hockey week across Canada and Hagersville will hold its minor hockey night on January 27th starting at 6 p.m. Two teams will be chosen from the Saturday morning, Novice league and they will play an all - star team from the house league. This game should be interesting as none of the boys seem able to put the puck in the net.

The girls worked hard last year and it was a real success. With your co operation, we hope the results will be even better this year. When you take your boy to the arena, shove an extra couple of bucks in your pocket so you can take home a souvenir. You won't be sorry.

Hagersville Downs Cayuga

The Hagersville Bantams scored two unanswered goals in the third period to defeat Cayuga 5 - 3 in Hagersville on Monday night. Hagersville started the game by scoring three times in the first period and looked like they were going to run away with the game.

Larry Kett scored the first goal with assists going to Kevin Duxbury and Bruce Fleming. Dennis Smith made it 2 - 0, with Mike Liscombe and Kevin Smith passing the puck to him.

Cayuga cut the margin to one goal before the period ended with Pete Horvatis pulling the trigger. Pat McFarlane and Rick Calder set him up for this goal.

Cayuga scored the only two goals of the second period as the home team seemed to lay down. McFarlane made it 3 - 2 with Todd Stewart and Horvatis assisting. Jack McSorley tied the game with a nice goal finishing off a neat three way passing play with Mike Haslam and Mike Baird.

Mike Liscombe scored the winner at the five minute mark of the last period. Kevin Smith let go a long slap

shot from the point that Marvin Munson stopped, but Mike pounced on the rebound and drove it past the goalie. Kevin Smith wrapped up the scoring with less than two minutes left when he scored from just inside the blue line. Dennis Smith set up the play along with Richie Swing.

This team showed more balance in this game than we have seen most of the season.

The line of Kett, Fleming and Cronk more than held their own and had several good scoring chances. If they can continue to play like this it will sure make the line of Smith, Brown and Liscombe more effective.

The Hagersville teams have received word that they will meet Waterford and Six Nations in the first round of the playoffs. Nothing definite has been set up as yet, but more than likely it will be a round robin affair as the boys have till March 3rd to declare a winner. With Waterford not having a Juvenile team, the Juveniles will play Six Nations with the winners moving on to play Pelham in the next round.
