

SPORTS ROUNDUP By **PETE MYKE**

Redmen Scalp Harvesters

The Six Nation Redmen went on the warpath at Ohsweken on Thursday night and when the dust had settled, they were solidly in first place in the east of the Tri-County league.

The Redmen and Jarvis were tied going into the game but after the first inning left little doubt who was the better team of the night.

Playing coach Hub Fehrman was on vacation, this time of his own free will and his brother Darryl was working. This left the kid brother Marve to do the pitching.

The first batter set the stage for things to come as with a two strike count and two balls it looked like the next pitch cut the plate. But it was called ball three and the batter walked on the next pitch.

Two more batters later and the bases were full. Tony Van Every who has played baseball all his life says "that soft ball looks as big as a watermelon on a hot day" hit the first pitch thrown to him for a triple and scored three runs ahead of him. Tony then trotted home on a single by Rich Anderson.

Jarvis tried to come back in the top of the second. Jim Lamb was safe on an infield out. Fred McKeen stroked a single. Both runners moved up on a passed ball and scored on Marve Fehrman's single. This was the only scoring for the Harvesters all game. Dennis Morgan was not all that sharp as he struck out only one and walked three along with the seven hits he gave up.

The Redmen made only three errors while Jarvis made five and this was the big difference. Anderson hit a homerun with no one on in the third and the winners scored two more in the fifth when they chased Fehrman.

Ted Phibbs came on in relief and gave up two runs on four hits and two walks while striking out two. It was a tough loss for Jarvis as the win gave the Redmen first place and leaves the Harvesters in second place. Jarvis will be at home this Saturday night against the Caledonia team who has former Jarvis hurler Johnny Edwards on the hill.

Game time is 8:30 so lets get out to the park and give the team some support.

Blues Squashed By Giants

The Simcoe Giants lived up to their names on Sunday when they squashed the Hagersville Blues by a score of 14 - 4.

This is the first time this year that the Blues have been the victims of the leagues new mercy rule that states

if a team is 10 or more runs behind in the 7th inning the game will be called and awarded to the front running team. The Giants scored in every inning but the third and put the game out of reach with a big second inning that saw them score seven times. Coach Vince Petracca

started Cliff Chrysler who was touched for a run in the first inning. Chrysler, followed by Ross McKeen and Paul Kett all in the second inning, were all hit hard. The hardest hit ball of the game was a towering home run by John Tatarka who hit a Kett fastball high over the

centre field score board. Jim Bruder, who beat the Blues last week in a thrilling 2 - 0 game, was not as sharp in this game but did not have to be as the Hagersville team did not have it right from the beginning. Maybe it was the hot weather. We will chalk it up to this as the

Blues are as good as any other club in the league.

Bob Lickers worked the 5th and 6th with Harold Taylor coming in for the last inning as the Giants pounded out 16 hits. Taylor is probably talking to himself wondering why he came back from a honeymoon to take part in this beating.

still carries one of the best bats in baseball hit for a double and single as did Robbie Stewart. Cliff Chrysler and Dan Forbes picked up the other hits.

The Blues had a full bench for this game and it looks like they have the makings of a baseball team in town for many years to come.

The next action for Seniors is this Sunday. It is hoped the boys can get back on the right track as first place is still within reach.

Curran Pitches 4-0 Shutout

Randy Curran, who has had to take a back seat to some of the big men on the pitching staff, came up with the best pitched game of the season on Thursday night when he shutout the Paris Juveniles by a score of 4 - 0.

Curran, who does not have an overpowering fast ball or a great

curve, was in complete control of the game, allowing just five hits.

Curran has good control as proved by the two walks that he gave up which is two more than he usually allows. Randy struck out eight men in seven innings and only the lead-off batter Ken Lane got more than one hit. Lane touched

Curran for a double and was the only single and was the only Paris batter to reach third base in the game.

Paul Fryett and Jim Vanni led the Hagersville team with three hits apiece; all singles. Glen Hewson had two hits with Pat Martin picking up a double and Dean Webb getting the other hit. Hagersville scored

two runs in the first inning when Webb reached on an error. Vanni singled and Hewson followed with a single with Webb being called out for tossing off his helmet. Fryett then brought in the winning run with a single. Pat Martin's double scored Vanni with the third run in the third inning. Craig Vanni walked and scored on Vanni's third hit for the final run in the 6th inning.

The win puts Hagersville in the second place with the schedule half over. Manager Don Richardson says the team must finish first or second so they do not have to play off for the last playoff spot.

The team that finishes first goes into the O.B.A. playoffs in the 'B' category and the second place team will be classed as 'C'.

The Juveniles are capable of playing good sound baseball as they have proved this year. All it takes is a little hard work and some hustle.

Atoms Win Twice

The Hagersville Atoms won both league games played last week by big scores.

In the first game they trounced the Fisherville team by a score of 29-5. Hagersville put the game out of reach in the first inning when they scored five times.

They added seven in the second, three in the third, six in the fourth and eight in the fifth inning.

Dennis Smith led the attack with two home-runs, a triple and single. Chris Webber and Stan Jackson hit triples with Billy Esselment adding a double. Stan Jackson picked up a single to go with his triple and John Almas had two singles.

Almas pitched the whole game and allowed eight hits with Hamilton and Culver getting three apiece. Almas had little trouble with the rest of the team and only in the third inning did Fisherville score more than one run in an inning. In the second game

played last week before a noisy crowd, the home team came out on the winning side of 26-13 slugfest.

Cayuga scored three times in the first inning and it looked like a runaway but Hagersville came back with 11 runs in the bottom half of the inning. Stroud could not find the plate and in all he and reliever Bradt walked a total of eight men.

Bradt was one of the few to get a base hit off the offerings of Dennis Smith and Trevor Smith. The Smith twosome allowed only four hits but gave up 14 bases on balls in six innings. Dennis Smith has proved if he can throw the ball over the plate the opposition will not get too many hits, but the walks sure cause problems.

Stan Jackson paced the Hagersville attack with a homerun, two triples and a single for a good nights work. Dennis Smith cracked a homerun, three dou-

bles and a single. Gerry McCarthy had two triples and Wayne Fess had one to go along with two doubles by Trevor Smith and one by Scott Johnson.

Pat Meahan, Bill Esselment, John Almas and Johnson all hit singles. This is the type of game that gives the coaches grey hair as they continually paced the sidelines wondering what the boys would do next.

The next game will be played Friday night at 6:30.
