

# Harvesters Drop To Last Place

The Jarvis Harvesters lost a game to the Tillsonburg Merchants by a score of 9-5 and the loss dropped them all the way to last place in the eastern division of the Tri-County League.

The Harvesters have not won a game since their coach Hub Fehrman was suspended for four games so he should be back this weekend.

The Merchants scored their runs in bunches of three, getting three in the 1st, 3rd and 4th innings.

Darryl Fehrman started for Jarvis and was the victim of some terrible support as the

Harvesters made seven errors with three of them coming in one inning. Darryl was a long way from his best in this game but with some support could well have looked a lot better. He was responsible for seven of the Merchants runs as he was touched for five hits and only two strikeouts. He did not walk a batter in the four innings he worked. Marve Fehrman came on in the fourth and gave four hits and struck out four. The win for Tillsonburg gives them a record of eight wins and only one less in the western division and they now lead second place Simcoe by a full two games. Jarvis tried

to make a game of it in the first and two more in the second. Their first three innings as they picked up a run final two runs came in

## Montour Brilliant In Losing Effort

Roger Montour worked six innings on Sunday in what was his best effort of the season, but he came out on the short end of the score.

Roger struck out 11 men in the six innings he worked and gave up three hits without walking a batter.

Caledonia led 3 - 0 at this point and coach Denny Wilson elected to remove Roger for a pinch hitter.

The Hagersville bats were quiet in this game as Dan Galbraith was real effective with his little roundhouse curve. Montour felt if the boys could have gotten him some runs he might have stayed in the game and maybe pulled it out in the late innings.

Pat Martin worked the last three innings and was touched for two runs and three hits.

The team continues to make errors and they always prove to be costly ones. Coach Wilson remarked after the game that other teams make more errors than Hagersville but it never shows up on the score board whereas when Hagersville boots one it costs them runs.

The scheduled game for this Sunday will not be played as the team is entering a tournament in Sarnia with 16 teams from the United States and Canada taking part. The boys should look real sharp in their new uniforms.

the 7th when Tillsonburg led 9 - 3.

Dennis Craddock led off with a single for Jarvis in the first inning and went to second on a passed ball. Bill Prince came through with a single to chase Craddock home. In the second Terry Dosser singled and Bruce Biggar walked with both runners moving up on a passed ball. Brian Smith then produced a single scoring both runners.

In the 7th Fehrman and Craddock walked to open the inning and they moved up on an infield out. Marve Fehrman came through with a single to plate both runners.

The Harvesters now face a busy schedule over the next week and will have to get most of their players out for these games.

On Thursday, June 27th they will be at home to Port Dover.

On Saturday night Tillsonburg will come to town with their ace pitcher, Bob Todd. Todd has pitched every game for Tillsonburg this season.

On Sunday June 30th the Harvesters will play a doubleheader against two different teams. They host Six Nations at 1.30 and then Norwich at 4 p.m. This will be a good time to see most of the Tri-County teams in action so lets get down to the park for plenty of weekend action.

The Jarvis executive would like to thank all the people who showed up for their dance that was held on Saturday night and helped to make it a success.

Burlington was suspended from the league for the balance of the season and a new schedule has been released for the rest of the season.

## Blues Hold First Place

The Hagersville Blues still hold down first place in the S.C.B.A. Senior League after the weekend action.

Hagersville romped to an easy 12 - 0 win over the Simcoe Barons for their 7th win of the season giving them 14 points in the standings.

The Blues jumped on the Simcoe starter Mitch King for 10 runs in the first inning and that was the ball game. Tony Yacolino and Frank Vecero got two hits each in the big inning with Butch De-Mille and Paul Kett adding one each. Jim Cote had a single in the second inning to drive in two more runs and a 12 - 0 lead.

King worked the last five innings giving up only one hit and that was to Danny Forbes. Lack of control in the early innings put King in trouble as he issued 13 walks while striking out five.

Cliff Chrysler started for Hagersville and worked the first five innings allowing two hits and six walks while hitting one batter.

Rumor has it that Denny Wilson will sign with the club which would give the team another real good bat.

The scheduled game between Nanticoke and Hagersville for this Thursday has been rescheduled for a later date.

# new feed grains policy

The federal government's new Feed Grains Policy becomes effective August 1, 1974. Whether you are a producer or user, the new policy is designed to meet your needs by:

- providing a fair and equitable base price for feed grains across Canada;
- encouraging growth of grain and livestock production according to natural potential;
- maintaining order and stability throughout the grain and livestock sectors.

### MAIN FEATURES:

- farmers will have direct access to feed grains in all parts of Canada; buyers are free to shop for the best bargain, sellers are free to find the best price for their crops;
- a nation-wide information system through the Canadian Livestock Feed Board will keep everyone informed on selling prices across the country;
- the Canadian Wheat Board will continue to be the sole buyer and seller of feed grain for export market;
- prairie producers have the choice of selling their grain to the CWB or to others on the domestic market;
- cash advance payments and initial payments, similar to those provided to Prairie grain producers for many years, will be extended to growers across the country to encourage feed grain production;
- a new storage program, costing the federal government \$40 million a year, will be instituted to provide for security of supplies for Canadian markets; it will also lead to additional grain storage on the West Coast, in inland terminals, on the Great Lakes and the St. Lawrence and in the Maritimes;
- steps will be taken to bring into balance freight rates between meat and grain; this will progress according to trends in grain and livestock prices, and the degree of regional self-sufficiency in grain production.
