

## Richardson Heads Baseball Association

When Don Richardson was elected President of the Hagersville Minor Baseball Association, he feared his age would hold him back in making decisions involving all the teams. At this early date Don has picked up a strong executive and they appear eager and willing to work.

At a meeting held in the council chambers, all the Minor teams had coaches appointed and nights for the ball diamond were allotted to the various teams. Norm Crawford will be in charge, making sure

that there will not be more than one team using the school facilities at one time this year. If you are connected in any way with soccer, baseball or softball and want to use the school property, contact Norm and get your say in. This is a must according to the school board.

There will be seven teams playing baseball in town this year, starting with the Tykes and running up through to Senior. All the minor teams will participate in the "run the bases"

programme that went over so well for the Tykes and Bantams last year. It is hoped it can be run off sometime during the July 1st weekend.

The Juveniles will be practising this Thursday night at the Ball park with the Seniors holding a work out on Sunday. On Monday the Seniors will again practice at the High School at 6:30.

With baseball, Gerry McCarthy and Pete Myke are running an excursion to Montreal on August 24th and 25th to see the Expos and Cincinnati play ball. The men are offering a package deal to fly down and back plus tickets to the games and hotel accommodations. For further information call either one of the above fellows for details.

## Jarvis U.C.W. Meet

Twenty - one ladies of the Wesley U.C.W. met in the Church Parlour at 8:15 p.m. on Tuesday, April 16th.

The Committee in charge of the program was Mrs. James Doughty, Mrs. Mark Reeves and Mrs. Don Howden. During the worship period the Easter Story as written by Charles Dickens was read by Mrs. Reeves.

Mrs. Don Duxbury, president, presided for the business meeting. Minutes were approved and correspondence read. The committee responsible for selecting and making kitchen curtains and drapes for the vestry were thanked by the president.

The Group decided to go on a bus trip to

the Botanical Gardens, Hamilton on Tuesday, May 28th.

Donations were made to the Five Oaks Camp Committee and to a Camp Fund for money to be divided among our own young people who wish to attend a church camp.

Miss Mary Miller resigned as U.C.W. Treasurer because she has accepted a position and she felt she could not fulfil her duties. Mrs. Don Howden volunteered to act as Treasurer.

Miss Judy Doughty, who had toured Europe for eight months recently, delighted the group with a very interesting travelogue, illustrated by pictures.

Bill Duffy was a prize winner at North Walpole's Science Fair held last Thursday night. (staff photo)

**Bolens**  
QT-16 Tractor

The irritating noise and vibration are gone. The rugged workpower remains. Powerful 16 horse, twin cylinder engine. Precise, uncomplicated controls. A power-locking collar clicks attachments in line with just fingertip pressure. One treadle-pedal controls speed and direction. Attachment clutch and hydraulic lift are flip switches, not arm-wrenching levers. Someday, all tractors will be this sophisticated. Why wait? Bolens. A good yard ahead.
