Harvesters Play First Game May 24th

The Jarvis Harvesters will play their first league game at home on Friday, May 24th.

The first game will be against Caledonia. This is one of the new teams in the league this season but it is expected they will give a strong entry.

Hub Fehrman is going with a real brother act in the pitching department as he has Darryl, Marvin and himself to do the pitching. Hub will be able to pitch in the league games, but must

get approval from the O.A.S.A. before he can play in the playoffs. Hub was hoping he could get Ray Miller out to do some pitching, but as yet Ray has not given any word as to his plans.

There is still a need for players on this team and it is hoped that anyone interested will come out to practice. The team will be working out at the ball park on Monday, Wednesday and Fridays at 6:30. Four players that played

last year will not be back this year. Marty Wiely, Bob Kozak, Nick

Pantzouri and Gord Fearman. Fearman has signed with a Hamilton

team in the big four. Bryan Smith, Paul Kett, Paul Phibbs and Glen Hewson will be trying for Gordie's spot behind the plate. The one who does the catching will have to be versatile and be able to play one of the other infield positions. Other infielders out so far are Ted Phibbs, Fred McKeen, Ken Graham and Bruce Bigger.

Bill Prince, Terry Dosser and Dennis Craddock can play the outfield but the Harvesters will have to come with more players or they will be in trouble with the shift workers.

Right now the team is having a 50 - 50 draw and any one of the players have tickets for sale.

Clanbrassil W.I. Holds Hoss

President of Clanbrassil W.I., Mrs. Margaret Roberts, welcomed the nearly fifty progressive hoss players at the Legion Auditorium in Hagersville on Saturday afternoon, April 27. Money was raised for their W.I. group, with each member generously donating a supply of home - baked goods which was offered for sale following the hoss games.

Those who won the afternoon prizes were: Ladies' High Green (260)-Mrs. Edna Cowan; Ladies' Second (251)-Mrs. Mary Ford; Ladies' High (Yellow 244)-

Mrs. Hilda Atkinson; Ladies' Second - Mrs. Edna Hodgson (241); Hosses Green - Tied between Mrs. Frank Forbes and Mrs. O. Schwyer, with the former winning the cut from a deck of cards; Hosses Yellow - Tied between Mr. W. Brooks, Mr. M. Shildrick and Mr. Willson Herod, with the former winning the prize after cutting a deck of cards.

The much-patronized baking table, netted the ambitious ladies the sum of \$45.00 to add to their resources with all prize winners having the opportunity to choose one item of their choice from the table before the sale commenced.

Tennis Club News

by Philip Roth

By the time we start playing in earnest, the courts will be in top condition, even if the players are not. Now that we have the newly installed ten foot fence and the ends of the courts filled with crushed stone, the interested and potential members of the tennis club can really appreciate the amount of work that is involved in maintaining such facilities.

The first organizational meeting will be called shortly, so members are asked to consider serious intentions for the positions on the executive. Available positions include: President, Vice - President, Secretary - Treasurer, Maintenance Chairman, Membership Chairman. Also the post for Tournament Chairman and fund raiser must be filled.

Next years improve-

ments should include resurfacing the courts, improving existing lighting facilities and memberships as always.

Last Wednesday, for our first work part, we had an encouraging twenty members present to finish the work on one end of the courts. If the next few work parties produce the same enthusiasm in the courts as this one did, then we can be assured of an excellent session.

Memberships are to remain at the same price as last year's: \$20.00 for a family membership; \$10.00 for an adult pass; \$12.50 for couples and \$5.00 for students.

Tournaments are planned for later this month and mandatory membership to be enforced by the middle of May. Memberships can be obtained from either Philip Roth at 768-3436 or Ric Webber at 768 - 3090. Because of the costs, operating expenses and the need of other expenses, the use of the courts must be restricted to club members. "Tennis, anyone?"

Christian School Report

Caroline Dykstra and Reda Ballyns

"The rains have left the leaves and flowers are out galore".

We're proud of our grade 3 & 4's who are great baseball players as you possibly can tell from the results:

The Christina's vs. The Marylins - 14 - 8; The Ed's vs. The Marylins - 27 - 10; The Christina's - still in progress. The winners are to be announced later.

Our grade 6 teacher, Miss Van Alten and fiance Bert Loopstra were married on May

3rd, 1974. We wish them lots of happiness and may God's blessing be bestowed upon them.

Our annual Variety Night is to be held on May 10th starting at 7:30 p.m. in the Jarvis Community Centre.

The grade 6 Raiders will present us with a number from their band; the grade 8's a pantomime and other grades will present some activity.

Come and enjoy yourselves.

Some people in our school have problems expressing themselves, so one class is taking "Dramatic Arts". What is it? You act out your

inner self, doing what you want to do in your own way. During this course we hope to find the lost inner person and rid ourselves of the exterior carbon copy. So here we must tearfully say - Our good byes till next time."

Scout News

During the past month a great deal has been happening with the local scout troop.

Al Smith and Bob Little from Cayuga paid us a visit to discuss coming events such as Camps, jamboree, etc.

And also to invest Scouter Roy and Tony. Safety and Pioneer Badges were discussed by the boys along with physical fitness as the good weather is coming.

Several different games were played including Zip - Zap, Rally Rare and Iron Horse.

Plans are in the making for the May 24th Parade and possibly something extra for after the parade.

Last week several of the boys travelled to Sprucedale for swimming instruction, preparing for the use of their new canoe.

The Troop would like to thank everyone for supporting the chocolate bar and paper drives. They were a huge success. We are holding our next paper drive on May 11.

of Sierra Leone where she and her husband were missionaries for several years. On display were fine examples of tie - dyed materials and garments, as well as articles made and used by native people. During the evening, the girls entertained with songs, reports and skits, both silly and serious. The climax was the graduation of three seniors: Sharon Field, who has been president this past year; Susan Lindsay and Camille Weaver.

Susan gave the valedictory address in which she told what the five years in C.G.I.T. had meant to all of them; Madeline Thomson, their senior leader, presented each with a certificate. The finale was the forming of a circle by all present and the singing of Taps.

Among the highlights of the year's activities were a trip to the Ice Capades; the presentation of the Candlelight Christmas Vesper Service; carolling throughout the village; a visit to Christ's Church

Cathedral in Hamilton; the very successful Twenty - fifth Anniversary Reunion Tea and an all - day rally in Port Colborne.

Studies based on the Bible and the Global Family along with discussions concerning personal relationships provided serious food for thought. Of course, there was the Whatsit Sale which is the main source of funds for the group, and several outings. Crafts, too, were important and included making tray favours for the hospital and knitted squares to be put into lap robes for patients at an nursing home.

The C.G.I.T. Department is comprised of three groups, and this year Deb Vokes, a graduate of two years ago, was Junior Leader and also took responsibility for games each week. Her work is sincerely appreciated.

Assisting Deb was Karen Hobbs, last year's graduate. Madeline Thomson led the Seniors and Helen Snowden was Superintendent and Intermediate leader.
