On The Farm Front

Gary Stephens starts as assistant agricultural representative in Haldimand on May 6. Gary is in the 1974 graduating class at the University of Guelph. He comes to us with a Lambton County dairy and cash crop background. He has been a 4-H calf club member and with a Lambton background, will also be familiar with clay soils.

-oOo-

The 1974 Dairy Policy of the Dairy Farmers of Canada includes the statement that requirements of the Canadian Consumer for milk and milk products should, with few exceptions, be met from Canadian production. It would be the worst kind of

mistake to sacrifice regular and dependable supply for imagined and highly uncertain benefits from reliance on imports.

Ontario Minister of Agriculture and Food, the Hon. William A. Stewart, in reference to the above, recently reminded the legislature of the tragedy resulting from an import policy that led to the demise of the Ontario sugar beet industry. In less than ten years the wholesale price of sugar has increased 450 percent.

-oOo-

Haldimand Beef Improvement Association is planning a bus tour to the Guelph area on

June 6th. Places of interest include United Breeders and the Research Station at Elora. Details can be obtained from Bob Thompson, Caledonia, or John Von Hugo, Cayuga.

-oOo-

The Health of Animals Branch has sent the following information regarding Health Requirements for Cattle Exhibited at Class A & B Fairs: All cattle being exhibited at the Show will require a negative test for Brucellosis conducted within 60 days of the opening day of the fair except--

- (1) official Brucellosis vaccines under 24 months of age.
- (2) bulls and heifer calves under 8 months.
- (3) steers
- (4) animals originating from Brucellosis Free Listed Herd.

Commissioner's Pin Has New Home

Hi! I am a spanking new Commissioner's pin who has a new home. Coming from Girl Guide Headquarters in Toronto, I was recently presented to Mrs. Bonnie Vanni by Mrs. A. Sabiston, Warren Division Commissioner. Bonnie now wears me on her Girl Guide uniform so that I can tell all the Brownies, Girl Guides and their leaders in Hagersville, Jarvis and Selkirk that Bonnie is their new District Commissioner.

Bonnie's new job is mainly administrative - relaying information from the Division level of Guiding (the old Haldimand County and

part of Norfolk) to the local leaders for use in each unit. She also helps leaders overcome any arising problems.

Bonnie has been active in Guiding in Hagersville District as Public Relations Adviser for many years. She has also worked in this capacity at Division and Area levels.

As well as Guiding, Bonnie's activities include teaching Sunday School and working for the Project Group at All Saint's Anglican Church in Hagersville.

Bonnie and her husband Jock and their two children live in Hagersville.

We wish you much success, Bonnie.
