and Hamilton Red Wings.

They requested Nanticoke support a motion stating "That the Corporation of the Region of Peel strongly protest to the Ontario Hockey Association the apparent lack of control and physical violence allowed at the O.H.A. Junior B Final first game between the Bramalea Blues and the Hamilton Red Wings;

And further, that this council request the Ontario Hockey Association as a measure of support for fair play and good sportsmanship and as an example to minor hockey throughout the Province, to hold a special league inquiry into this episode and take the necessary steps to stop violence on or off the ice in hockey arenas;

And further, that the Ontario Hockey Association be requested to set up a suitable Arena Rules Committee for Teams and Supporters, so that suitable rules might be drawn up to effectively make known that any partisan support that leads to brawls or injury to players, managers or supporters of the opposing team may be reflected on the team from which the

Forthcoming Marriage

Mr. and Mrs. William Grant Lindsay of Selkirk wish to announce the forthcoming marriage of their daughter, Rosemary Joan to Mr. Brian Robert Mackid, son of Mrs. Allen Mackid and the late Mr. Mackid of Burlington, Ont. partisan support led to that injury;

And further, that the Ontario Hockey Association take as its responsibility the provision of adequate police protection and security of players and management of teams in their leagues;

And further, that this Region recommends to its constituent area municipalities the closest cooperation with the Ontario Hockey Association in the solution of these problems;

And further, that we recommend to the Regions and Area Municipalities of Halton, Durham, York, Metropolitan Toronto and Hamilton - Wentworth that they cooperate with The Ontario Hockey Association to end violence on and off the ice;

And further, that we support an inquiry by the Province regarding the Ontario Hockey Association Junior B Finals first game between Bramalea Blues and Hamilton Red Wings, and violence in hockey in general;

And further, that we deplore the decision of the Ontario Hockey Association....."

Ward 2 councillor John Roxburgh explained the Bramalea team pulled out of the series because of threats and they have been suspended pending an O.H.A. hearing which is being held.

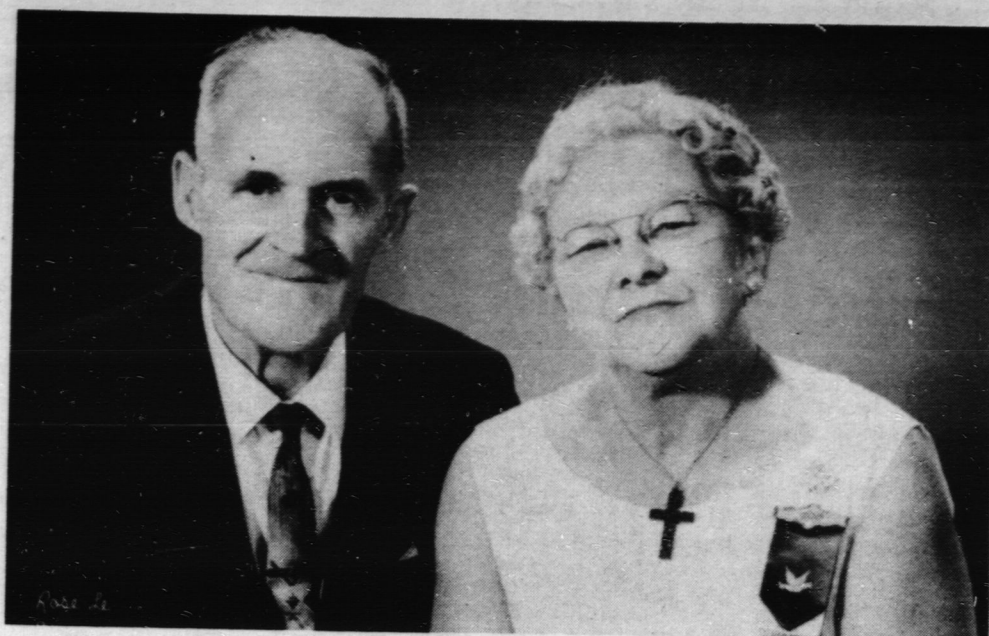

He said he would agree with the resolution if he knew whether the facts are correct or have just been blown out of proportion.

He pointed out the O.H.A. has said it is not a policing body and he feels if they have to assume policing for every team, there wouldn't be any association.

Ward 1 councillor Bruce Meehan agreed hockey is "definitely rougher" and he would heartily support a motion restricting itself to the issue of hockey violence.

However, he felt the Peel motion was trying to solve the problems of two teams and this should be left up to the O.H.A.

Deputy - mayor Gordon Miller suggested attention from elected officials might carry some weight.

Mr. and Mrs. G. Walter Mills of Jarvis, Ont. will be celebrating their Golden Wedding Anniversary on June 2, 1974 when they will happily welcome all friends and relatives at Open House at the home of their son - in-law and daughter, Mr. and Mrs. Tom Robinson, R.R. # 3, Caledonia. Mr. and Mrs. Mills were married in 1924 by the Rev. James MacFarlane in Hamilton, Ontario.

Renton Women's Institute Meets

The May meeting of the Renton W.I. was held at the home of Mrs. Lewis Iliffe with seventeen members and five guests in attendance.

Owing to the illness of the president Mrs. Kloet, the second vice-Mrs. O'Dwyer took the chair. The meeting opened in the usual manner. The Roll Call "My Favourite Use of Cheese" was well answered. The minutes of the last meeting was read by the new Secretary Mrs. Van Kessel.

During the business plans for the bus trip on June 6th were completed. Mrs. O'Dwyer gave her report of the Officers' Conference, of which she was a delegate. Mrs. Weismar gave a report of the District Annual held in Mount Zion Church.

Mrs. Walker gave a very interesting reading of the various cheese factories in this vicinity many years ago.

The guest speaker for the afternoon was Mrs. Jensen of Simcoe who gave a talk on how various cheese is made and

also had several kinds on display and served with lunch. Mrs. Iliffe presented her with a gift. The June meeting will be held at the home of Mrs. R. Andrews in the evening. The meeting closed with the Queen; after which lunch was served and a social half hour spent.
