

FRIENDS 'N NEIGHBOURS

by Jessie Miller

Please remember the Community Chest—those who have not been called on—and to those who have already given—Thank you.

Mr. and Mrs. Lloyd Chisholm spent the weekend at Mrs. Chisholm's sister's, Mr. and Mrs. Keith Campbell at West Hill. On Sunday afternoon Mrs. Chisholm, her niece Mrs. Willis Davidson of Whitby and Mrs. Campbell attended a bridal shower in honor of Mrs. Chisholm's granddaughter, Miss Kim Hewitt, who is being married to Mr. Clarence Sutherland on June 1st.

The Erie Lakeshore Ministerial met on

Tuesday a.m. at the B.I.C. Church, Cheapside for their monthly meeting. Rev. David Byrd pastor of South Cayuga and Kohler United Churches gave the message to the group.

Mrs. Charles Townson spent last weekend with her sister in Sudbury.

Mrs. Stanley Mitchell left on Friday to attend the International Lions' Club Memorial Necrology service in Memory of her late husband John Stanley Mitchell at Sudbury.

Mrs. Harry Belbeck attended the Weight-Watchers convention in Ottawa over the weekend also enjoyed the tulips for which Canada's capital is noted for.

Those from Jarvis attending the District Annual W.I. meeting at Garnet were Mrs. S.R. Church, Mrs. Wallace Mitchell, Mrs. Harry Belbeck, Mrs. R.A. Miller, Mrs. William Blake, Mrs. Earl Stallwood, Mrs. Robert Smuck, Mrs. J. A. Duncan.

Highlights of the meeting were the opening exercises by the Rev. Mark Reeves and his happy leading of community singing.

Friday night the Cheapside B.I.C. Young People sponsored a group of 40 young and old who were given a tour of Nanticoke Hydro plant.

Mr. and Mrs. Harry Preston returned home

on Sunday after spending the past week with Mr. Hector Varrin in London

A carload from Cheapside, consisting of Mrs. Dorothy Loft-house, Mrs. Bertha Helka, Mr. and Mrs. Arthur Marshall and June and Keith Loft-house drove to New Hamburg on Saturday to attend the Menonite Sale. Several quilts, one a flower quilt, were made and donated by the ladies. Of worthy mention were several crocheted doilies by Mrs. Lanson Jones, two hand made hooked rugs and several pairs of embroidered pillow cases done by Mrs. Ida Heise in her 87th year. Busy hands are a quality of their character.

At 3:30 senior students filed into the kindergarten room with slicked back hair and dark sunglasses to give and twist to the hits of the fifties and early sixties.

Gus Rungis had a match stick hanging out of his mouth "to be tough" like they did in the sixties. He said he got his "Greaser Day" ideas from TV and the high school.

Terry Smelser explained further that high school students also had a greaser day. Although it was fun to imitate the dress of Happy Days for a few hours, he said he wouldn't want to dress like that all the time.

Tim McKenzie, with his hair greased back with Score, agreed television's revival of the 50's gave the kids their dress inspirations.

Janice Wilson added that her parents told her

Bobby socks, saddle shoes, pleated skirts and rolled up blue jeans were the "In Thing" to wear to school Friday. Jarvis P.S. students dressed up like their parents did "in the olden days" for the school's first "Greaser Day". A film showing of Walt Disney's "Rascal" and an after school dance were all part of the day's events to raise money for school activities.

Neil Higgins and Maureen Cassidy were judged best "greasers" at Jarvis P.S. Friday. (staff photo)

"what they wore in the olden days".

During the dance teachers Marilyn Hall and Joyce Evans picked the best dressed boy and girl greasers - Neil Higgins and Maureen

Cassidy. Janice Wilson won the album "American Graffiti" in a draw. The day's events were sponsored by the school's student council.

Greaser Day At Jarvis P.S.

Press Will Not Be Barred From H-N Committee Of Whole

The press will not be barred from H-N Committee of the Whole sessions.

At a meeting in Cayuga last Thursday, regional councillors voted 10 to 8 in favor of a procedural bylaw amendment stipulating the public, other than the press, will be excluded from the council chambers while council is in Committee of the Whole. These sessions cannot be reported. The original clause in the bylaw did not make any specific reference to the press.

Councillor John Roxburgh introduced the amendment saying specifically the press

should not be excluded, while Mayor Alfred Judd, Chairman John McCombs and councillor John Casselton spoke in favor of the motion.

Councillors Robert Causyn, Catherine Smale, Jerome Van de Slyke, Fred Peacock, Basil Long, Roy Whitehead and Clare Huffman supported them in the vote.

Councillors Keith Richardson, Keith Shay, Jack Young, Charles Lundy, Dave Peirson, Gordon Miller, Lorna Miller and Jack Maytham voted against the amendment. They did not want anyone in closed meetings.

Councillor Lyle Furry was absent.

Also at council:

* Council agreed the Regional Engineering staff, Ministry of Transportation and Communications representatives and Needs Consultants should review and present updated current physical and financial needs for Regional Highways.

This information is to show the Province the need of the Region to obtain greater financial assistance - 100% Provincial funds - to meet current and immediate future requirements.

* The Engineering Committee accepted a Norfolk Communication Ltd. Radio Communication tender in the amount of \$52,023.25.

* A charge of 15 cents per 100 words will be made by the Clerk for copies of documents requested from his office by any person. Exempt from this charge are Municipal Agencies, Government Agencies and the Press.

* A Joint Committee of four elected members and four non-elected members be formed as an advisory committee to Regional Council on matters pertaining to agricultural and environmental problems. The four groups recognized will be the Local (Jarvis) Organization of Christian Farmers Fed., Norfolk Field Naturalists, Haldimand Federation of Agriculture and Nordfolk Federation of Agriculture, together with a Representative of the Ministry of Agriculture and Food.

* The Director of Planning and Development has been authorized to approve, in his discretion, applications regarding the Minister's orders under the following circumstances:

(I) In strictly farm areas where severance and lifting the Minister's order is required to provide a lot for house construction where

(a) the farm has been sold;

(b) there is a need for severance to provide for housing for a member of the immediate family pertaining to continuing farming operations provided this does not result in continued proliferation of ribbon development.

(11) Approval by the area municipality has been received.

* David Rowe has been hired as Planning Technician at an annual salary of \$9,000.

Letters To The Editor

Dear Editor:

One hundred years ago, Alexander Graham Bell invented the first telephone in Brantford, Ontario. We are remembering this historical event by celebrating in many ways throughout this Bell Centennial year in our city.

The Staff and Community - School Organization of Graham Bell School, Brantford, will celebrate during this Bell Centennial year by holding a reunion for all former students and staff members, on Saturday, June 8, 1974, at 2:00 p.m. in the school.

Since our school has

been recently renovated, we will therefore have our official opening on the same day. There will be an opportunity to meet former friends and visit the classrooms where you may renew acquaintances.

We would appreciate hearing from our former students and staff members and correspondence should be addressed to:

Reunion Committee, Graham Bell School, 56 Grand Street, Brantford, Ontario N3R 4B2 Canada.

Sincerely,
Dennis A. Foster,
Principal.

Dear Editor:

It was with great pleasure that I read your column on "The Old Days of the 1930's". It was so nice to read about some of the boys I played Baseball with. I would like to say what a great bunch of sports they were! We came close to winning the Ontario Juvenile Championships -- giving a good account of ourselves playing against tough teams from Dunnville, Niagara Falls and Hamilton. I am sure we couldn't have accomplished so much without the help from wonderful people like Laird Miller, Cliff Walker, Herb Peacock and Fred Reichold who were always ready and willing when we needed them.

I would like to add to the comments mentioned in your article concerning the Trotter, Lee Hanover owned by Joe Owens of Jarvis. Lee Hanover went on to be the first 2 - minute trotter in Canada in 1938.

Again, I would like to thank you for the memories.

Sincerely yours,
Morley Leatherdale.

Haldimand Needs Families For Children With Special Needs

The Family and Children's Services (Haldimand) announces a temporary suspension in the acceptance of new applications to adopt healthy, problem-free children under six years of age. This decision was reached following an assessment of the present adoption situation which reflects a marked decline in infants needing adoption homes, and a lengthy waiting list of registered adoptive applicants for such children.

The Agency's focus at all times must be to find homes for available children. Currently, families are needed for

children with special needs. These include older children, sibling groups, mixed race as well as children with physical, emotional and learning difficulties, or a combination of any, or all, of these factors. Registrations will be taken only for couples showing a definite interest in older or handicapped children.

Federation News

BY OTTO CRONE

Over the past number of years there has been controversy over the Feed Freight Assistance program and the establishment of a feed grain policy for Canada.

O.F.A. is concerned with this issue and has developed a policy. They recommend that assistance on western grains be retained for several reasons.

1) If the program were dropped livestock and poultry feed prices to B.C. and Eastern feeders would be increased.

2) If feed freight assistance were dropped, feeders would attempt to find cheaper feed from other sources. They would probably push to have the 8¢ tariff removed on U.S. corn, which would be detrimental to the Ontario Corn producer.

3) Several areas in Ont. are now equipped to produce livestock and poultry. These areas are also located adjacent to major Canadian markets. Removal of the program would disrupt

this established pattern of farm production as well as that of processing meats. O.F.A. believes that feed freight assistance should be available for Ontario corn moving into Quebec east of Montreal.

The present situation makes Ontario corn cheaper in the Atlantic provinces than in Quebec. The reasons are:

1) To enable the Ont. corn grower to meet competition from U.S. corn and western feed grains.

2) To ensure a continuity of supply of Ont. corn into Quebec and the Atlantic provinces.

3) To give the Quebec and Atlantic province feeders a choice of use.

If farmers are to be able to compete for the Canadian market, then they must be allowed equal opportunity to service the market.

Feed freight assistance on Ontario corn moving into Quebec would ensure that no region would be discriminated against.

On The Farm Front

The deadline date for registration for the 2nd International Farm Management Congress has been extended to June 15, 1974. This Congress will be held at the University of Guelph July 14 - 19, 1974. Anyone interested in farm management is invited to attend. The program is primarily geared towards farmers, but is also designed for farm management people associated with farm organizations, agribusiness, government and universities.

Wheat Spindle Streak Mosaic has shown up on several Haldimand wheat fields with the amount present varying from field to field. It is most prevalent in the fields closest to Lake Erie with the incidence less as one moves further north. The reason for this is the influence of the cool lake breezes which favour development of the disease.

Wheat Spindle Streak Mosaic is caused by a soil borne virus. It shows on the foliage as spindle shaped, yellow streaks on the green

-oOo-

Dairymen are reminded that the deadline for applications for loans under the Industrial Milk Incentive Program is June 30, 1974. This program is open to both fluid and industrial producers who plan to produce more milk. The loan program supplies money on a five year term for the purchase of cows, milking equipment, feeding equipment and building repairs or additions. Further information is available at the Agricultural Office, Cayuga.
