Some will tell you
this card costs you
\$2⁵⁰ a month.

Surprise!

Sure you pay for a Commerce Key Account. But with what you pay now for personal cheques alone, it's not going to be any \$2.50 extra.

Think of it. If you write just ten personal cheques a month, at 14¢ a cheque you can spend \$1.40 right there. So the most you'd possibly pay more for a Key Account would be \$1.10.

And that soon pays for itself in benefits. Take Bankplan Loans. With a Key Account, the Commerce gives you preferred rates on most consumer loans.

Travellers' Cheques. With a Commerce Key Account, you'll never pay a service charge to get them.

You'll never be charged

for O'Canada or our new Key Account personalized cheques, using our 24-Hour Cash Dispensers, paying utility bills, purchasing money orders or domestic drafts.

A Key Account gets you a Commerce Chargex Card and overdraft protection. Plus an identification card that lets you cash your personal cheque, instantly, at any of more than 1600 Commerce branches in Canada.

Surprised?

Many are. But then, in the course of an average month, it's even more surprising how many times the need for a Key Account pops up.
