the last frame to skate off with the win.

In a well played game the Midgets lost by a score of 3-1. Terry Martin, Mike Montour and Howard Bomberry scored for Six Nations. Kevin Smith set up Bob

Thompson for the lone Hagersville goal.

The teams stuck to hockey as Hagersville picked up only three

minor penalties. The visitors had five.

Next Monday night Waterford comes to town for four start-town for four games starting at 6 p.m.

## Hewson Sparks Flyers To Win

Glen Hewson scored three goals with one of them the winner on Friday night to spark the Flyers to an 8-3 win over the Merritton Centennials. This was Hewson's best effort of the season and it is hoped he can continue going.

Mark Wojtowicz, one of the Flyers' imports, filled in on the line with Hewson and Dean Webb as Terry Fryett was out with a leg injury. Wojtowicz

picked up two assists as Webb scored once and had a hand in two of Hewson's goals. Talking to Webb and Hewson, they both felt the work-out they had on Thursday night was what they needed to get them going.

Bill Winkworth scored the first goal for Hagersville before the game was four minutes old. Greg Ross made it 2-0 with help from Tony Yacobino. Webb scored before the per-

iod ended with Hewson and Wojtowicz picking up the assists. Hewson scored his first of the night which proved to be the winner to open the second period scoring. Steve Otterman set up the play. Merritton came up with a three goal outburst in the span of a minute and 14 seconds to make a game out of it. Dave Robertson, Bill Arksey and Brian Richardson all scored in rapid succession at the 15 minute mark of the second period. Yacobino took the zip out of the Centennial attack when he scored with just a minute left in the second frame.

Hewson scored at 6:09 and 8:56 of the last period before Tony Yacobino wrapped it up with his second of the night.

The Flyers had 27 shots at Brian Marrion in the Merritton net while Noon was called on to make 23 saves. Hagersville sat out 12 of the 22 penalties with Winkworth and Ross getting majors.

## Atoms Trade 6-0 Shutouts

The Hagersville Atoms won a game 6-0 over Cayuga before coming home and dropping a 6-0 game to Six Nations.

Adam Smith was in goal for the Hagersville win in Cayuga and really deserved the shutout as he came up with all the big saves when he had to. This win gave the boys quite a lift and showed they do have some promise for the coming season.

Todd LaForme scored the winning goal in the second period with Jim Dunnett assisting. Rick Pepper was given a pass by Ward LaForme to make the score 2-0. Trevor Smith was set up by Gerry McCarthy for the next goal and then McCarthy made it 4-0 as Paul Huschilt fed him the puck. Dennis Smith opened the scoring in the last period with an unassisted goal and Paul Huschilt wrapped it up with an unassisted goal as the team won 6-0.

In Hagersville on Monday night the team did not skate like they are capable of and the

Six Nation crew skated off with a 6-0 win. Bill Hill scored three times for the visitors and Roger Statts added two in the one-sided win. Richard Martin scored the final goal with John Smith picking up the assist. John Smith played a strong game for the Six Nation team.

## Erie Broomball League

Simcoe played three and won three for a total of six points. Scoring leader is Robert McFadden. Hagersville played four, won two, lost one and tied one for five points. Paul Beischlag is scoring leader.

Hydro played three, lost two and tied one for one point. Yvon Poulin is scoring leader.

## Flyers 6, Merritton 1

The Flyers just went through the motions on Sunday night and still managed to come up with a 6-1 win over Merritton.

This was a big game for the Flyers as a win put them in a temporary tie for first place, depending on the outcome of the Simcoe - Dunnville game being played later this week.

Merritton scored the first goal of the game as Paul Bonazza finished off a three way passing play to beat Bill Downey in the Hagersville net. This would be the last time that Downey would be scored upon in this game.

Glen Hewson tied the score with Dean Webb and Terry Fryett setting up the play. Sandy Gibbons then

scored the winner with Fryett and Dean Webb in on the play.

Webb and Hewson teamed again for the next goal with Webb the trigger man. This was the only goal of the second period. Tony Yacobino, who sat out 16 minutes in penalties opened the third period with a goal. Winkworth fed the puck to Tony for the score.

Paul Fryett who is off to a fast start scored the next two goals for the Flyers and that was the ball game.

This was a penalty filled game with the visitors sitting out 60 minutes. Hagersville had a total of 57 minutes.

The next action for the Flyers will be this Sunday with game time 7:30.

Ted Phibbs scored for Jarvis with Jack Donaldson getting the assist on the play.

**Nanticoke 1, Hydro 1**

Both teams came up with their first point of the season as they played to a one all tie. This proves how even these teams are. Hydro scored first when Terry Guenther was set up by

The Ministry of Transportation and Communications announces the first in a series of public meetings in connection with the Highway 6 Corridor Study to establish a new route for Highway 6 from Nanticoke to Hamilton.

Traffic congestion already evident on sections of Highway 6 and the increasing traffic flow to and from the developing Nanticoke industrial complex are two of the factors leading to the undertaking of the study at this time. In order to provide for pipelines and other utility services along the proposed new corridor, and to avoid an excess of rights-of-way, the possibility of a joint-use corridor will be explored in the over-all study.

Involvement of the public in the study is of great importance. Interested individuals and groups are asked to note the time and place of the meeting in their area and are urged to attend.
