## There's a Royal Bank desk in every warm kitchen.

When it comes to offering specialized financial services to farmers, Bruce Dykstra, Manager of Hagersville's Royal Bank, is as comfortable doing business in your kitchen as he is in his own office. (More often than you'd think, the farm kitchen is the best place to get Bruce's banking expertise fully concentrated on helping you achieve a worthwhile project.)

What's more—and this is important—Bruce Dykstra has the full facilities and expertise of our Agricultural and Credit Departments to back him up. In addition to Farmplan & Counselling he can tell you how to protect your farm and family with Farmplan Creditor Life Insurance.

We'd like you to give Bruce a call, to see just how effectively he can use his experience and judgment to offer you sound advice...backed up by some pretty sound and sizeable dollars if your growth plan makes agricultural and economic sense.

If you'd like to have that talk with Bruce Dykstra, call him at 768-3335. And if it makes better sense to have that important first meeting in his office, instead of your kitchen, the coffee's on Bruce.
