Flyers Down Norwich

With the Hagersville Flyers only two Sundays away from their home opener, the team came on strong in the third period in Norwich to down the Merchants 6-3.

Dean Webb scored the first goal of the game half way through the first period and the Flyers were never headed. Sandy Gibbons who will play on defence this year set up the goal. Lambert Schafisma pulled the Merchants even before the period ended with George Howard picking up the assist.

Ross McKeen made it

2-1 in the second period with Bill Dickenson and Greg Ross assisting. Some of the observers thought McKeen played better in this game than he has played in a couple of years.

With the buzzer already sounded to end the second period, Referee McQueen allowed a goal by Norwich to make the score 2-2 after two periods.

The third period was all Flyers as they outscored Norwich 4-1 over the last 20 minutes. Tony Yacobino scored first with McKeen and Steve Otterman assisting. Gibbons tallied a

goal with McKeen again picking up the assist. Howard scored his second of the night for the Merchants with Neil Plamer setting up the play.

McKeen wrapped up his great nights work with his second goal of the game and fourth point when he took a pass from Yacobino and fired it home. Bill Winkworth wrapped up the scoring with an unassisted goal.

Hagersville outshot Norwich 34-27 and picked up 15 of the 23 penalties.

Erie Broomball To Start October 29th

On October 29th the Erie League will start playing Broomball every Tuesday night at the Hagersville arena.

There will be two games each night with the first game starting at 9 p.m. This will be a new spectator sport for the people of Hagersville, but it will not be a new sport as many

of the men have played the game before.

Jack Lloyd is the new president of the league and Gerry McCarthy will be the secretary-treasurer. Teams will be entered from Simcoe, Hagersville, Jarvis, Nanticoke and Hydro.

Mag Dumais will handle the Simcoe entry with Buck Sote doing the coaching for Hagersville. Gerry McCarthy will coach Jarvis and Don Banfield will head the Nanticoke entry. Terry Gunther will coach the team from Ontario Hydro.

The first night will see Simcoe at Hagersville at 9 p.m. followed by a game between Jarvis and Nanticoke. The entire schedule will be published next week.

Flyers Club Prepares For Season Opening

The Hagersville Flyers are working out regularly in preparation for their season opener. With over thirty players still at camp coach Ken Morisson has his work cut out for him to get down to a workable number. On the 10th six boys were cut with more to come by the 13th.

There is plenty of young talent trying out for the team and if they all stick it will put a hole in some of the minor teams. The Flyers will travel to Norwich on Friday, October 18th for an exhibition game and hope to make it two straight. St. George is wanting a home and home exhibition series with the Flyers as soon as there is ice available in town. It seems strange that all the other centres have started their ice plants but Hagersville has not. This is one place where regional government has not improved things one bit.

Doug Brown has been elected the new Manager of the Flyers. Doug has had some experience with Minor Hockey and agreed to take over the manager's job when no one else came forward. It is hoped he can work along with Ken and take some of the load off the coach's shoulders till he at least gets the final cuts made.

Lloyd Smith has agreed to try the trainers job and see if he can handle it. This is one of the thankless jobs that has to be done and the trainer is not missed till he doesn't show up one night. Murray Johnson has been a great assistant for several years and probably the best dressed trainer in the business. Murray can show

Lloyd the ropes for the first few weeks.

Earl Smith, who has been looking after ticket sales for the last three years, still has about 14 season tickets left for the coming season. If you have not gotten your season ticket yet and are interested phone Earl at 768-3488.

The team appointed new members to the executive at the last meeting and they are: Ken Fryett, Ken Boake, Dr. Nick Huschilt and Nancy and Frank Vandebussche.

-H.S.S. Report-

by Jim McGrath

Everyone has settled into the educational grind at Hagersville Secondary now and the clubs and activities are in full swing. Our athletic teams are all in heads-up competition with the other schools in the county.

The football games are all quite exciting and for the first time in Hagersville, we have a junior team. Under the guidance of coach John Cecchini, these boys looked superb in their first game as they trounced the established Simcoe juniors by a score of 38-0.

The senior coach, Mr. Bassindale has his boys in top shape for the season. The hard work of the boys is bound to pay off. Watch for Dan Donato and Jim "Moose" Adamson, who will lead the seniors in all their games.

You can never speak of sports without mentioning the "cross country" boys and girls who are training now. Those students should be bringing a few trophies into this school.

The boys volleyball and girls basketball teams will be charging faster than the "light brigade" for the championship. Good Luck teams.

What would school athletics be without cheerleaders? We won't have to worry - not with Debbie Walker, Jennifer Snowden and Betty Doolittle leading the most enthusiastic bunch of girls I have ever seen. Special credit is due to Mr. Robert Lammens who has just as much if not more school spirit than any student.

Keeping with the reputation Hagersville has for the finest dances in the area, Thundermug performed in the school cafeteria for the initiation dance. It was an enjoyable night for all. Don't miss the next dance when we go back into the gym for the Hal-lowe'en dance, Nov. 1, featuring Steel River.

Our annual "Work-day" fund raising program was held on October 11th. It was again a successful endeavour for the student's council and Jenny Snowden, who organized this event. The students were relieved of their afternoon subjects to go out and work in the community.

Hagersville is the school with the most spirit in Haldimand County. They won this award last year at 'Spirit Night' at Cayuga Secondary. When Spirit night comes this year, we should win this award again.

Grade four, five, six, seven and eight students at Jarvis Public School elected their Student's Council last week. Pictured here are (Front) Kim Dennis (gr. 6), Chris Rungis (gr. 7), Brad Udell (gr. 6), (Back) Neil Higgins (gr. 7), Scott Elliott (gr. 8), and Sandra Druyff (gr. 8). (staff photo)
