\$484,585

The Haldimand Board of Education has accepted

the tender of Hope - Loch Construction Ltd. for the construction of the addition and alterations to the Dunnville Central School in the amount of \$484,585 (base bid).

Acceptance of the tender will be subject to Ministerial and Ontario Municipal Board approval.

Chairman Don Duxbury said the Board was very fortunate to secure the approval for this project since it has been difficult to get approval for new schools in a time of declining enrollment. He said he was sure the people in the area feel a debt of gratitude to the members who have worked long and hard in order to get departmental approval or it.
