

Hagersville Highlights

13th Concession Serves Lunch

The members of the Springvale W.I. who reside on the Thirteenth Concession served a delectable silver tea for the September meeting of the Springvale W.I. This meeting was held at the home of Mrs. Letha Carpenter, with the President Mrs. Wilfred Bradshaw presiding. Secretary, Mrs. Earl Carpenter performed the necessary

duties of her office. During the business period, volunteers were organized to canvass for the upcoming District Charities drive. A decision was made to purchase a banquet ticket for the Hamilton Area Convention in Park Motor Hotel in Niagara Falls on November 20 and 21.

Mrs. Leslie Winger presented a most inter-

esting motto, "Work makes the wheels go round, with greasing the axles." An interesting talk on the Federated Women's Institutes of Ontario was given by Mrs. Fred Matthews of Cayuga, a Board member.

Attend Medical Assembly

Dr. and Mrs. C.M. Awde, formerly of Hagersville and now of Calgary, Alberta, together with Dr. and Mrs. Ralph Weylie of Cayuga, attended the 17th annual Scientific Assembly of the College of Family Physicians of Canada, held in Winnipeg, from September 9th to 12th.

Rev. G. Taylor Speaks In Hagersville

Rev. G. Taylor of Woodstock, a retired minister (working 32 of the past 52 Sundays), spoke to the congregation of the Hagersville United Church on Sunday, September 22.

His topic, "Getting Right With God" told of the human being whose head and nose are to look upward and not down like the various other animal species - cat, dog, raccoon, wolf, etc. "We should look up always, hold our heads up high and be proud to be Christians and workers of our faith," he said. "Should you be looking out your window and not like what you see, just choose another window of your home and change the view." "This is the way all things can be changed by getting right with God," Rev. Taylor said. "We should look up always, hold our heads up high and be proud to be Christians and workers of our faith," he said. "Should you be looking out your window and not like what you see, just choose another window of your

home and change the view." "This is the way all things can be changed just like changing the scenery of our windows.

The children's story of the morning, told of a little girl, Nancy, who didn't respond when called by her mother to assist with the preparation of supper. This resulted in her new dress not being completed for next day at

school and much disappointment for her. But she learned all must share the work and fun in a family.

Announcement was made concerning the need by the C.E. Committee for one teacher in the Church School, for a senior class (14 years and up); also one leader for mid-week Messenger group; and two mid-week counsellors for the Hi - C group.

Hagersville Firemen Called

A fuseable link in the hydro transformer station at the West Haldimand Hospital caused an alarm to be placed to the Hagersville Volunteer Firemen.

This call was received at 6:50 p.m. on Tuesday, September 10. Later in the week, on Sunday, September 15, a call was received at 8:00 p.m. to the farm of Frank Curley, five

miles from Hagersville on the Town Line near Little Buffalo. A pile of baled hay was burning at the farm, very close to a nearby gasoline tank as well as a truck.

Mr. Curley also called the Hsweken Fire Department who responded, at which time the Hagersville fire fighters departed for Hagersville. This mishap was caused by children playing with candles.

Diane Scherer and Brian Weaver were united in marriage at the Church of Christ in Selkirk on Saturday afternoon. Good Luck and Best Wishes to both of you.

Park had 11 families out for the weekend and two daily passes were bought.

Best wishes to Lillian and Harold Sherk who recently celebrated their wedding anniversary.

The Atom boys beat the Pee Wee Girls again this week - 17 to 10. There was a slight hitch though, it seems they "traded" pitchers. Ralph Montgomery of R.R. 4, Dunnville passed away in Dunnville this week. Several of Ralph's family live in Selkirk and area and he was a well known man to many. Our sympathy is extended to his wife and son, and all the family in their extreme loss. The community is saddened by the loss of a friend.

Anyone with local news items please call Mrs. McKenzie at 776-2831 by early Monday afternoon.

Legion Meets

A good attendance was present at the Legion, Branch 164, for an Executive meeting on Wednesday evening, September 11. President Jim Stinson presided. Items of business brought forth included a list of names to be submitted to the Hagersville Secondary School for last year's Cecil Montour Bursary. It was also passed to have a second bursary to be called the Gordon Davison Memorial Bursary, since Comrade Davison was a former President of Branch 164 and was a Trustee of the Bursary Fund from its inception until his untimely death.

The Ways and Means Committee report was given by Comrade Joe Krass with the following donations made: June - Cancer - \$24.00; Bicycle Rodeo - \$25.00; July - TV's for members - \$44.68; Cancer - \$12.00; Heart Fund - \$12.00.

Veteran's night will be held on Saturday night, November 9, with

the entertainment for this annual event to be arranged by a committee. The Branch will sponsor a Bantam Hockey team for \$200. It was decided to donate the use of the hall to the Hagersville Friendship Club for their weekly afternoon card parties and get-togethers on Thursdays, at no cost to them. The use of the Legion Hall has also been granted to the Health Unit TB X-Ray clinic for their mobile chest x-rays. These clinics were formerly held in Cayuga at the Administration Building. (It is understood more than 70 people took advantage of this clinic on Tuesday, September 17.

Painting of Hall - \$138.03; August - Heart Fund - \$24.00; Cancer - \$12.00; TV's for Veterans - \$33.12.
