At Christmas

Let us wander down a footpath In the winter snow As the temperature goes sliding Setting cheeks aglow!

Trees will wear their ermine garments Little squirrels will peep; Everywhere there will be silence Keeping flowers asleep!

Down a tinseled snow filled footpath Walking hand in hand, Throughout a lovely jewelled woodland Into Christmas wonderland!

On that night, long ago, a dazzling star guided shepherds to our Savior. On this holiday we hope the radiance of the season guides you to a happy and loving Christmas. Thanks, all.
