# Junior Farmers' Notes

By Cathie McSorley

On Sunday, February 16th, at a Directors' meeting in Kohler, Linda Holodniuk was appointed Chairwoman of the newly instituted Community Betterment Committee. President Ralph Hedley stressed the importance of this position and of the committee itself, as he declared that Junior Farmers 'must make this aspect of the community their aim'.

"It will involve a lot of work. Perhaps not as much this year, as it will in upcoming years as it grows in importance," he stated emphatically. Linda volunteered for the job, and it has been turned over to her capable hands. We hope to find projects in the area that will fit into the "Community Betterment" scheme, as we have many able young people who are willing to make a valid contribution to the district.

Jan. 25, at the Zone Competitions in Grimsby, our Haldimand teams did very well. Our squads in Men's basketball, Girls' basketball and Mixed volleyball all reached the finals, losing NARROWLY in each case. In Bowling, our Men's team finished third, while our Ladies did excellently in placing. The evening was capped off with a dance which was enjoyed by all.

Feb. 15 - Junior Farmers under the leadership of Linda Holodniuk and Allan Hedley, held a Skating Party at Paul Bacher's. Approximately 35 of our members came out to it, and it's too bad more weren't there as we all had a great time. Certainly, no one noticed the cold!

A sleigh ride took us to the frozen creek, and this "first experience" delighted the full sled, even though there were more than a few squeals!

Some of our members (and four non-members who deserve special credit) had worked most of the afternoon to prepare the ice surface. A fine mist of snow, which topped off the atmosphere, was soon covering eager skaters as we took to the ice around 8:30 p.m.

Afterwards, we all enjoyed a "weenie roast" around the campfire, and some spontaneous social recreation.

All in all, a good time was had by everyone!!! Thanks to Allan and Linda for organizing it, and thanks PARTICULARLY to Bachers for having us.

Rodney Fox and Dave Murray (our past and present Provincial Directors respectively) have been active lately, recruiting six delegates to go as Haldimand emissaries to the Provincial Conference being held in Toronto (Willowdale), at the Prince Motel, on March 21 and 22. This will be a weekend of "work" for the six members, on the theme of

"How To Communicate Effectively", with the group attending lectures and seminars throughout. At the conclusion, Saturday night, a banquet will be held at which all participants will be feted. By publication, the six names will have been chosen, and we hope that our lucky delegates will return from this Conference with many new ideas which will be applicable in Haldimand.

Our Membership Drive campaign has been turned over to John Edwards and Carol Bedini. There will be more information forthcoming in future releases, but the date for our Pancake Supper (always a popular event with members and non-members alike) has been set for March 15 at Kohler Agricultural Centre. Anyone between the ages of 14 and 30 is invited. You DON'T have to join to come, and we welcome new faces. Why not let your curiosity get the better of you? Come out and see what Junior Farmers' is really like!
